Anti-Drug Brochure Ceases Publication

By Dick Stickle

The National Federation TARGET Program printed the first issue of **On TARGET** in May 1987. Since then, it has been published during the school year with four copies of each issue being sent, free of charge, to 25,000 public and private high schools across the nation. **On TARGET** is directed to the high school principal, athletic/activity director, substance abuse coordinator and librarian.

The intent of **On TARGET** has been to provide schools with healthy life-style material that is concise, easy to read and informative.

While many programs exist at the elementary and/or junior high/middle school level, there are limited programs at the high school level. Research from the RAND Corporation shows that elementary and junior high/middle school tobacco, alcohol and other drug prevention programs, if not tied to further prevention efforts at the high school level, are not successful.

While some progress has been made to slow drug use at the high school level, we are a long way from solving the drug problem in America. The latest National Institute on Drug Abuse study indicates that drug use at the eighth-grade level is again on the rise after three years of decline.

TARGET's other services, such as the National Resource Center, information to state athletic/activity associations, in-state and national training, product sales and special projects, remain in force. In addition, healthy life-style information from schools and state associations will be featured in the **National Federation NEWS** publication.

TARGET wishes to encourage all of our readers to continue their efforts in helping youths make good decisions. Your efforts can make a difference - youths don't care how much you know until they know how much you **care.**

Proper Hygiene Key For Treating Wounds

TARGET.

It's late in the game and your team is about to put the go-ahead points on the board. Suddenly, one of your players takes a hard fall and starts bleeding profusely. The player comes to the bench for help, but you are not sure what procedures to follow.

This is a common situation for hundreds of coaches every year. What steps do you, or your student managers, take if your team does not have an athletic trainer or physician on site? Inevitably, the responsibility to make sure the student-athlete is properly cared for will fall to the head coach.

Open wounds are the most common type of injury treated by athletic trainers. They are normally caused by trauma and may range from a simple scratch to a large, deeply bleeding laceration. The type of treatment is determined by the severity of the wound.

Before any wound is treated, however, the individual providing care must protect himself or herself. Attention to proper hygiene and the use of personal protective equipment is essential to inhibit the transmission of disease-causing pathogens. Always wash your hands thoroughly before and after any contact. Disposable gloves should be worn, and then properly disposed of, anytime you come in contact with blood or body fluids.

If the wound is bleeding heavily, your first priority is to stop the flow of blood. The most effective method is the application of direct pressure to the wound, preferably by using a sterile gauze bandage. If you cannot stop the bleeding, you must seek immediate medical assistance. Excessive blood is dangerous and can lead to shock.

Once the bleeding has been brought under control, you must properly bandage the wound to prevent infection. A simple step-by-step approach to bandaging the majority of open wounds follows:

1. Wash your hands thoroughly and put on a new pair of disposable gloves.
2. If the wound is bleeding, apply direct pressure with a sterile gauze pad. Small wounds with minimal blood flow can be cleaned while they are still bleeding.
3. Apply a liberal amount of aerosol soap or warm soapy water. Wash the wound using a new sterile gauze pad. Start from the inside of the wound and work out. Wash at least two inches around the wound site to kill any germs near the wound.
4. Once the wound is washed, dry the area with a new sterile gauze pad.
5. Saturate another sterile gauze pad with a small amount of antiseptic germ killer (i.e., hydrogen peroxide) and clean the wound.
6. Apply an antiseptic ointment to the wound, being careful not to touch the tube to the wound.
7. Apply a new sterile gauze pad and secure with a gauze roller bandage, an elastic wrap or some form of underwrapping.
8. Apply adhesive tape to keep the bandage in place.

Do not attempt to remove any debris left in a wound after washing; that should be left to a physician. Puncture wounds, which are caused by pointed objects penetrating deep into the skin, should not be washed with soap and water.

Statement On Racism

In light of a reported racial incident during the 1992-93 school year, the KHSAA has issued the following statement:

The KHSAA recognizes the cultural diversity of its member school athletes, coaches, fans and spectators. The Board of Control encourages each of its member schools to make an effort to educate its participants and all parties involved in the sports program as to the need for a united approach to solving problems. In this day and time, prejudice on the basis of sex creed or ethnic origin should not and cannot be tolerated. The KHSAA encourages each of its member schools to unite in this effort.

The Athlete Reduced To Six Issues Annually

During the State Department of Education's review of the Kentucky High School Athletic Association, one of its 67 recommendations was to reduce the printing costs of the The Athlete magazine.

After surveying its options, the staff of the KHSAA opted to reduce the number of issues by four. Therefore, The Athlete will be published six times annually, beginning each year with the September/October issue and culminating with the Final Results issue each July.

Football Statistics Reporting Mandatory

As the KHSAA continues to expand its efforts to publicize and promote each of its sports, the Sports Information Department is requiring each of its member schools to file a statistics report every Wednesday throughout the football season.

Even if some schools do not have players that reach the minimum requirements of a particular category, team statistics are still vital to the integrity and accuracy of our stat service.

New statistic forms were mailed to every athletic director in the state on August 24. If you have not received this information, please contact SID Brooks Downing as soon as possible.

Story Elected KHSAA Board President

MINUTES

CALLED MEETING
June 15, 1993

The Kentucky High School Athletic Association Board of Control met in Special Session at 1 p.m. at the KHSAA Office Building in Lexington on Wednesday, June 15, 1993. All Board members, with the exception of Gene Brooks, were present. Also present were Commissioner Billy V. Wise, Exec. Asst. Louis Stout, Asst. Comm. Brigid DeVries and Larry Boucher, Bus. Affairs Dir. Julian Tackett, KHSAA Attorney Danny Reeves, Gary Faulkner of the State Department of Education and newly elected Board members Cookie Henson and Ken Cox.

President Jack Portwood called the meeting to order for the purpose of addressing items discussed at a joint meeting between the KHSAA Executive Committee and the SBESE Executive Committee, the 1992-93 Working Budget, the proposed 1993-94 Budget and two appeals which had been tabled from a previous meeting of the Board. Alvis Johnson was called on for the Invocation.

The first item on the Agenda was an appeal of Joe LaGrange on behalf of his son, Roman, which was tabled from the April 14, 1993, meeting. Following questions and comments on the additional information which Board members had received since the previous meeting, Ozz Jackson moved for Executive Session. Johnson seconded the motion which passed. Following the Executive Session, Grant Talbott moved to uphold the Commissioner's decision in this case thereby denying Roman an additional year of eligibility at Montgomery County High School. Kathy Hopper seconded the motion which passed by a vote of 9-2. President Portwood then advised Mr. LaGrange of the Board's decision and the Due Process Procedure.

The next item involved an appeal to waive By-Law 30, Postseason and All-Star Games, on behalf of Jason Warner, a student at Bullitt Central High School. Following a brief discussion of the matter, Ray Story made a motion, seconded by Talbott, that Jason's eligibility be restored, but that he be placed on probation immediately until the end of the 1993-94 school year. The motion passed unanimously.

Gary Faulkner was then called on to explain the purpose for the SBESE's appointment of the Blue Ribbon Commission. He advised the Board that the purpose of the Commission is to study optimum methods to deliver the best forms of athletics to high school students. He advised members that the Commission will be made up of 16-20 members which should be named at the SBESE meeting on July 6-7, 1993, and that two members are to be nominated by the KHSAA Board of Control. Two documents -- Ad Hoc Athletic Committee Recommendation and Summary Comments -- re: KHSAA Board of Control's Responses, prepared by the SBESE and distributed to the KHSAA Board members were then discussed. Nominations for the Blue Ribbon Commission were then made by secret ballot. Julian Tackett and Anne Wesley Mays then counted the ballots and gave to President Portwood. Portwood announced that Story and Frank Cardwell had been nominated to serve on the BRC.

President Portwood reported that the Executive Committee recommends that an additional $100,000 be paid immediately on the loan at Montgomery & Traders Bank. Ray Story moved to accept the Committee's recommendation. Stan Steidel seconded the motion which passed unanimously.

The Committee then recommended that the Board no longer pay for family insurance coverage for the Staff and that three Association automobiles be sold. Talbott made a motion to accept these recommendations of the Executive Committee. Johnson seconded the motion which passed 9-2. Story then moved, seconded by Cardwell, that the Board approve agreements with Shoop Chevrolet, Dutch's Chevy/Olds and Quantrell Cadillac for the use of automobiles for the Association and that the Board authorize payment of comprehensive and collision insurance with $500 deductible. The motion passed unanimously.

Story made a motion that the Board go into Executive Session to discuss personnel. Welch seconded the motion which passed unanimously. Following Executive Session, Steidel made a motion, seconded by Cardwell, that Story be authorized to review employment contracts for the Staff. Motion passed unanimously.

Following a discussion of bids and prices for a new copier, Steidel made a motion to obtain additional information and resubmit figures to the Board at the July meeting. James Sexton seconded the motion which passed.

Talbott then made a motion, seconded by Frank Welch, that the Board authorize the Commissioner to waive By-Law 8 and By-Law 30 in cases where denying eligibility would work an evident injustice against the student. The motion passed 10-1.

Asst. Commissioner DeVries then requested that the Track Committee be given approval to proceed with a new Track Alignment. Following a brief discussion, Sexton made a motion that any changes are to be sent to the KHSAA by July 1. Steidel seconded the motion which passed unanimously.

There being no further business, Cardwell moved for adjournment. Welch seconded the motion which passed. The meeting was adjourned at 4:40 p.m.

SCHEDULED MEETING
July 16, 1993

The Board of Control of the Kentucky High School Athletic Association met at the Association Office in Lexington, Ky., on Friday, July 16, 1993. The meeting was called to order at 8:30 a.m. by President Jack Portwood. All Board members were present. Also present were Commissioner Billy Wise, Assistant Commissioners Larry Boucher and Brigid DeVries, Business Manager Julian Tackett, S.I.D. Brooks Downing, Ken Tippett, State Dept. Representative Gary Faulkner and Board Attorney Phil Scott.

The Invocation was given by Larry Boucher.

Frank Welch made a motion, seconded by Frank Cardwell, that the minutes of the April 14-16, 1993, meeting be approved. The motion passed unanimously.

Welch made a motion, seconded by Stan Steidel, that the minutes of the June 15, 1993, meeting be approved. Grant Talbott requested that the following correction be made to Paragraph 2, Page 3: "Grant Talbott then made a motion, seconded by Frank Welch that the Board authorize the Commissioner to waive By-Law 8 and By-Law 30 in cases where denying eligibility would work an evident injustice against the student". The motion to approve the June 15, 1993, minutes passed unanimously as corrected.

Ozz Jackson moved that all bills of the Association for the period beginning April 1, 1993, and ending June 30, 1993, be approved. Claudia Hicks seconded the motion which passed.

Following a discussion of the KHSAA Policies and Procedures Manual, Hicks made a motion that the manual be adopted with corrections. Talbott seconded the motion. Steidel then recommended that the Board add the following statement to the Catastrophic Insurance Coverage Policy: "The Board strongly recommends that member schools provide an insurance plan for all student-athletes and begin coverage for the 1993-94 school year." He suggested that the Commissioner provide a copy of an overview of the current policy to the member schools by August 20. The motion passed unanimously as amended. *(A copy of the KHSAA Policies and Procedures Manual shall be made a part of these minutes.)*

Welch made a motion that Ray Story be confirmed as President of the Board for the 1993-94 school year. Ken Cox seconded the motion which passed unanimously. Story then thanked Portwood for his leadership during the past year. Story moved to confirm the nomination of Frank Cardwell as Vice President of the Board for 1993-94. Sexton seconded the motion which passed unanimously. The meeting was then turned over to Story.

President Story thanked the Board for their vote of support and announced his plan for conducting Agenda Action Items:

1) Commissioner to present item
2) Commissioner to make recommendation
3) Adopt or reject the item
4) Discussion

President Story then appointed the following committees for 1993-94. See box on next page.

The next item on the Agenda was a discussion of the Board of Control's response to the Kentucky Department of Education's Management Review of the KHSAA. Items 1-67 were addressed individually and changes made as necessary. Frank Cardwell made a motion, seconded by Grant Talbott, to adopt the Management Review with requested changes. The motion passed unanimously. *(The Management Review with Responses shall be a part of these minutes.)*

Tackett then presented the 1993-94 Budget by using transparencies and fielded questions from the Board members. Following his presentation, Commissioner Wise recommended the adoption of the 1993-94 Budget as presented. Jackson so moved, seconded by Steidel. The motion passed unanimously.

Commissioner Wise advised the Board that he and Tackett met with representatives in Louisville regarding the format for the State Football Championships. Due to the fact that University of Louisville has a home basketball game scheduled for December 4 at Freedom Hall, Commissioner Wise recommended that the format for playing the football championship games remain the same as 1992. Welch then made a motion that the State Football Playoff schedule be as follows: Friday, December 3 - Class A, 1:00 p.m. & Class AA, 4:00 p.m.; Saturday, December 4 - Class AAA, 1:00 p.m. & Class AAAA, 4:00 p.m. Cardwell seconded the motion which passed 11-1.

Commissioner Wise then requested that the Adm. Staff and President Story be allowed to attend the National Federation Sectional Meeting on September 23 in Morgantown, WV. He estimated the expenses to be around $1300, based on 1992-93. Bob Rogers made a motion to approve the Commissioner's request. Jackson seconded the motion which passed unanimously.

Asst. Comm. DeVries requested approval of the track alignment that was presented at the June meeting with the changes made as requested. Stan Steidel made a motion that the recommendation of the Track Committee be accepted as presented with the changes made. Ozz Jackson seconded the motion which passed unanimously.

Commissioner Wise advised the Board that three of the Association's four cars were sold for $17,000 and the money deposited into a savings account. Sexton inquired about the selling price and was advised that the Blue Book value was used.

Tackett requested approval to purchase a new copier at a cost of up to $12,400. He advised the Board

that an outright purchase appears to be the most viable. Steidel made a motion that the Board accept the recommendation and allow the staff to make the final decision on the model after having considered lease and maintenance agreements. Jackson seconded the motion which passed unanimously.

President Story then called for lunch recess at noon to reconvene at 1 p.m.

President Story called the meeting back to order at 1 p.m. Cox moved for Executive Session. Welch seconded the motion which passed. Following discussions of legal and financial matters, Welch made a motion to retum to Open Session. Jackson seconded the motion which passed.

President Story called on Don Manning-Miller, Eastern Kentucky Child Care Coalition, who had requested a hearing before the Board to discuss concems of Racism & Diversity in the Berea community. Following his presentation, President Story read the following prepared statement: "The Board of Control encourages each of its member schools to make an effort to educate its participants and all parties involved in the sports program as to the need for a united approach to solving problems. In this day and time, prejudice on the basis of sex, race, creed or ethnic origin should not and cannot be tolerated." The Board requested that a statement of this nature be included under By-Law 17 in the KHSAA Handbook and that this concem be addressed at all rules clinics.

Vice President Cardwell, called on to preside, asked the Commissioner for a recommendation regarding a Resolution of the Russellville Independent School District concerning the 1993 Fourth Region Basketball Tournament. Cox noted that the Board should take into consideration the situation addressed in the Resolution and discourage its occurrence again in the future. The matter was referred to the Basketball Committee for consideration at the October Board meeting.

Asst. Commissioner DeVries requested that the Board approve the following sites for the State Volleyball Toumaments: 1993 - Fairdale High School; 1994 - Northem Kentucky University. She suggested that the toumament be rotated when other sites are available. Steidel made a motion, seconded by Talbott, that the Board concur with the Volleyball Committee and approve their recommendation after checking the sites. The motion passed 11-1.

Asst. Comm. Boucher presented the following recommendation of the Soccer Committee: For the next two years the semi-state soccer finals be held at the home site within the section. The host winner in 1993 will come from regions 1,3,5,7 and the host winner in 1994 will come from regions 2,4,6,8. Rogers made a motion that the recommendation of the Soccer Committee be accepted. Cox seconded the motion, which passed unanimously.

Steidel presented a concem of the Volleyball Committee relating to a modified fee structure for shortened matches. He then made a motion that for shortened matches, officials receive $14.00 for the first match played ($4.00 travel fee plus $10.00 match fee) and $10.00 per match for every match thereafter. Sexton seconded the motion which passed unanimously.

Cardwell then made a motion to accept the following "Severe Weather Policy" for officials as presented by Asst. Commissioner Boucher.

"The Referee must delay or cancel a game at the first sight of lightning or the first sound of thunder at the game site. The site must be cleared immediately of all persons. If it is anticipated that the storm will

(From Page 6)

pass, the game may be resumed following a three (3) minute warm-up period, no sooner than thirty (30) minutes after the last sight of lightning or the last sound of thunder."

If the severe weather is of great length or intensity, the Referee has the responsibility and authority to cancel the game. Game officials are encouraged to learn the weather forecast prior to game time. Safety of the public and participants is the most important factor in any decision of this type.

If a game is postponed after the start of the contest due to inclement weather, the officials originally assigned to the contest should make every effort to be available for the completion date. The member schools will not be liable for an additional game fee for the officials to work the re-scheduled game but will be liable for an additional travel expense (mileage) fee. Each local officials association is to implement a policy for the remuneration of officials working a re-scheduled contest who were not originally assigned to the contest.

If a contest is cancelled while the officials are en route, the home school is responsible for the payment of a mileage fee to the crew of officials, plus a fee of 1/5 of the scheduled game fee to each official.

If a contest is cancelled and the officials notified prior to departure, there is no financial liability on the part of the school.

Welch seconded the motion to approve the policy and the motion passed 8-4.

President Story next recognized Lawson Walker, an attorney representing Lloyd Memorial High School, who requested a hearing before the Board to discuss football reclassification. Following a lengthy discussion, Story referred the request to the Football Committee for study.

Representatives from TeleCable of Lexington then presented a proposal to the Board to broadcast, on a delayed basis, all Sweet Sixteen Boys' Basketball Tournament games for 1994. Following their proposal, and a discussion thereof, President Story asked that further study be conducted by TeleCable and bring a recommendation to the October meeting of the Board.

Commissioner Wise gave a report on his attendance at the National Federation Meeting held in Nashville, Tennessee. Highlights of the Convention included 1) two Kentuckians inducted into the Hall of Fame; 2) American Disabilities Act; 3) an address by Doug Ruedlinger; 4) equality; 5) Home School athletes participation in their home districts; 6) Teleconferencing for rules clinics.

Due to the lack of response from the schools regarding the cross country alignment being changed to reflect the same alignment as track, this item was put on hold until a later date.

Following a discussion of the excellent manner in which Owensboro has played host to the State Softball Tournaments, Hicks made a motion, seconded by Jackson, that the tournament be held there for the next two years. The motion passed 11-1.

Tackett advised the Board that Knox Central High School had expressed a concern regarding the starting date for football. He recommended that this item be referred to the Football Committee for further study. The Board concurred.

A request from Kentucky School for the Deaf was then discusssed which related to holding a scrimmage after the start of the season. Steidel moved to deny their request. Jackson seconded the motion which passed unanimously.

Commissioner Wise asked the approval of the Board to enter into a contract with Jim Payne Chevrolet for the use of an automobile. Talbott moved to approve this agreement. Cox seconded the motion, which passed.

The next item presented by Commissioner Wise related to proposals passed by the Delegate Assembly but remanded back to the KHSAA from the State Department of Education for further review and recommendation. Cardwell made a motion, seconded by Talbott, that based on the fact that the Association is under study by the Blue Ribbon Commission of the State Board of Education, the Board delay its recommendation until January. The motion passed 11-1.

With regard to the "red shirt rule", Steidel made a motion that the Board develop a statement regarding By-Law 4 and offer to furnish as much documentation relating to same to the State Board as needed. Cookie Henson seconded the motion which passed unanimously.

The Board set the date for the next meeting to be held on Friday and Saturday, October 15 & 16, at the KHSAA Headquarters in Lexington.

Following a discussion of the hiring of Ray Hornback to promote the Court of Support, Rogers made a motion, seconded by Welch that the Board contract with Hornback for the remainder of the year (1993) at $1,000/month plus expenses approved by the Commissioner. The motion passed.

There being no further business to come before the Board, Henson moved for adjoumment. Cox seconded. The meeting was adjoumed at 6 p.m.

New Members Take BOC Seats

Three new members elected to the KHSAA Board of Control began their four-year terms at the annual summer meeting held in Lexington, July 16.

Maureen "Cookie" Henson of Manchester, Ken Cox of Lexington and Bob Rogers of Princeton replaced Alvis Johnson, Jack Portwood and Gene Brooks, respectively.

Henson, who begins her first term on the Board, has taught 16 years in the Clay County school system, teaching science, health and physical education. She's also the girls' varsity softball coach for the Clay County Tigerettes and once served as cheerleader sponsor.

Henson received her Bachelor of Science Degree from Cumberland College in 1974 and her Masters' and Rank I from Union College.

Cox, who begins his first year on the Board, is currently principal at Tates Creek High School. After graduating Corbin High School in 1964, he began his teaching career in 1969 at Henry Clay High School and was an assistant coach for the football team. His administrative career began in 1975 as an assistant principal at Crawford Junior High. He later became principal at Beaumont Junior High in 1980.

Cox served as a high school basketball official from 1969-82, working the Sweet Sixteen in 1980. He is currently a college basketball official who has worked in the Ohio Valley Conference, the Kentucky Interscholastic Athletic Conference, the Great Lakes Valley Conference and the Sun Belt Conference.

Cox received his bachelor's degree from the University of Kentucky in 1969, his Master's degree from Eastern Kentucky University in 1973 and his Rank 1 from EKU in 1976.

Cox and his wife Nancy have three children.

Rogers begins his third term on the Board. He previously served from 1981-84 and 1989-91. He is currently the superintendent of Caldwell County Schools.

A Christian County graduate, Rogers began his career in education at Male High School in 1966 after earning his Bachelor of Science Degree at Bethel College, his Master's Degree at Austin Peay and his Rank 1 at Murray.

After leaving Male, Rogers taught at Earlington and Henderson high schools. He returned to Earlington as principal and coach in 1971, before spending two years as assistant principal at Christian County.

In 1976, he became principal at Webster County, before taking the same position in 1980 at Ballard Memorial.

Before taking his present job, Rogers served as assistant superintendent at Murray City Schools.

In 1984, he was elected Vice-President of the Board of Control.

He and his wife Gayle have two children, one of which, Jeff, served the KHSAA as Sports Information Director from 1991-92.

Hygiene (From Page 2)

Puncture wounds are too deep to allow contact with anything that is not sterile, but they should still be disinfected and bandaged.

Finally, there are two more important areas to deal with - cleaning up blood or body fluids and disposing of waste that has come in contact with them. If there is blood on the floor, wall or table top, it should be removed with disposable towels or some other sort of absorbent material. The area should then be disinfected. There are a number of commercial products available that are approved by the Environmental Protection Agency (EPA) or you can use a 1 to 100 dilution of common household bleach (sodium hydrochloride).

The National Collegiate Athletic Association (NCAA) recommends separating uniforms and equipment that have come in contact with blood to prevent secondary contamination. All other materials that have come in contact with blood and body fluids should also be handled carefully. The Occupational Safety and Health Administration (OSHA) has issued guidelines for disposing of blood-contaminated waste. You should check with the official at your school who is responsible for waste disposal to see what precautions you should follow.

Proper wound treatment and the disposal of blood-contaminated waste are important elements in an athletic health care program. The procedures outlined above are a good starting place, but you should seek immediate medical treatment if you have any questions or concerns about any injury.

Cunningham is director of communications for the National Athletic Trainers' Association. Information for this article was furnished by Mark Smaha, head athletic trainer, Washington State University.

First $Million Shootout Exceeds Goal

LOUISVILLE – Over 25,000 Kentuckians participated in the first **One Million Dollar Shootout** at 60 high schools and other venues during the 1992-93 basketball season. Proceeds from the unique fundraising event were split between the National Kidney Foundation of Kentucky, the Kentucky High School Athletic Association and participating schools.

Contestant Misses Shot For A Million

Bill Holland, 35, of Stamping Ground, was the final contestant who took a mid-court shot for one million dollars at halftime of the state championship game on March 20.

As over 22,000 fans looked on, Holland launched a one-hander from mid-court in Rupp Arena. "I thought I'd made it," he said, but it sailed to the left, barely missing the rim. *(In a similar contest, a contestant did win one million dollars this spring by hitting a shot during a Chicago Bulls NBA game.)*

Schools Make More $ In 1993-94

As a result of listening to input from participating high schools, it will be easier to make money with the Shootout during the 1993-94 season. Here's how it works:

- For a $1 donation, your fans shoot three free throws before and at halftime of home basketball games and other school events. If they hit two out of three, they qualify for a chance to win one million dollars.
- Or, for a $2 donation, fans can enter by simply completing an official entry form (NO FREE THROWS).

The "$2 Entry Option" enables participating schools to raise money whenever and wherever a crowd gathers – school lunches, community events, etc.

Sign Up Now

Everything necessary to run the Shootout event is provided to the school at no cost.

Its easy to operate and presents a good opportunity to raise money and increase attendance at home basketball games. To sign up or obtain more information about the **One Million Dollar Shootout,** call

1-800-737-5433.

Participation may be limited to schools on a first come, first served basis.

Volleyball Committee Picks Fairdale In '93

MINUTES

The Volleyball Committee met at the Kentucky High School Athletic Association Office in Lexington, Ky., on Thursday, July 15, 1993. The meeting was called to order at 1:30 p.m. by Brigid L. DeVries, Assistant Commissioner. Committee members present included Jack Pylinski, Steve Williams, Sarah Good, Ron Kordes, Katie Wesseling, Luci Cecil, Jenny Mertle, Joan Mitchell, and Donna Wolfe. Others present included Stan Steidel and Assistant Commissioner Larry Boucher.

The meeting began with Boucher's report on the officials' division. Boucher discussed general registration procedures, as well as specific information with reference to the sport of volleyball.

The first item on the agenda was a discussion of the regional alignment proposals. Mertle presented a proposal from the NKHSGA dividing the two northern Kentucky regions into three regions. Williams also had a proposal held over from the last committee meeting, which divided the state into seven regions with the possibility of an eighth region being added at a later date. After a lengthy discussion on both proposals, it was decided that a sub-committee be appointed to study the issue and make a recommendation back to the Volleyball Committee at the next meeting. The sub-committee includes Sarah Good, Jenny Mertle and Steve Williams. The overall feeling of the committee was to have eight regions and bring 16 teams, winner and runner-up from each region, to the State Volleyball Tournament, which would eliminate the byes that currently exist in the state tournament format. The concept of a new 16-team format will be a discussion item at the upcoming meeting of the Board of Control.

The next item on the agenda was a discussion of regional tournaments and sites. DeVries advised the Committee of a few additions to the teams in each region. The 1993 regional sites were discussed and committee members made recommendations for the 1993 tournaments. Regional tournaments will be double elimination again in 1993. The Committee then reviewed the items on the regional information sheets and made some revisions.

The committee made no change regarding team seating for the 1993 season, so teams will change benches after each game for all levels of play. Trophies at the regional tournament level will once again be paid for out of gate receipts for the 1993 tournaments.

The next item on the agenda was a discussion regarding the 1993 State Volleyball Tournament. The State Tournament is scheduled for October 29-30, 1993. The committee recommended that the 1993 tournament be held in Louisville at Fairdale High School, pending a visit by DeVries to the school and subsequent meeting with school officials at Fairdale. The Committee also recommended that the 1994 State Tournament be played in Northern Kentucky and rotated in the future as long as there is interest in each area for playing host to the tournament. The Committee reviewed the state information sheets and decided that the 1993 tournament should be run pretty much the same as the 1992 tournament.

A sub-committee was formed to revise the State Tournament schedule with the proposed 16-team format. Sub-committee members include Ron Kordes, Katie Wesseling and Joan Mitchell. The sub-committee will report back to the full committee at the next meeting.

Committee members conducted the draw for the 1993 State Tournament. The Mikasa VFC 200 Volleyball will be the official ball for the 1993 State Tournament.

The next item on the agenda was a discussion of the 1993-94 National Federation rule changes. The biggest change this year had to do with blood on the uniform and the procedure to handle it.

The committee reviewed the 1992-93 KHSAA Constitution and By-Laws and discussed increasing the number of tournaments and/or matches allowed in the limitation of seasons section. Committee members were advised of the procedure to make By-Law changes by going through the Delegate Assembly. The committee members will work on a proposal to be submitted to the 1994

The 1993 Volleyball Clinics for coaches and officials with the dates and locations are as follows: August 11 (Dixie Heights H.S.), August 12 (Ohio Valley Volleyball Center - Louisville) August 16 (KHSAA), *September 7 (KHSAA)

* NOTE: Makeup clinic, $50.00 fee charged.

Miscellaneous items included a change in the selection process for the State All-Tournament team. The new process is as follows:

Teams participating in the semi-finals (four teams) would get two selections from their teams. The head coach from each team would name their all-tournament players.

The remaining eight teams may nominate one player to be considered by all 12 coaches for the remaining four positions. Coaches may vote for their own players. Players of coaches who do not vote are not eligible for the all-tournament team. In addition to the 12 all-tournament team players, a most valuable player will be selected by the winning coach from the players on the winning team.

Other items discussed included awarding individual trophies to all 15 members of the winning and runner-up teams in the tournament.

Steidel made the recommendation that a fee structure be outlined and published for varsity matches when they are modified. Often in large invitational tournaments, a match might consist of two 11-point games. Steidel recommended that for modified matches, officials receive $14 for the first match played, ($4 travel fee and $10 match fee) and $10 per match for every match thereafter. The committee approved the recommendation which will be submitted to the Board of Control for approval.

The next Volleyball Committee meeting will be scheduled in December, 1993. There being no further business the meeting was adjoumed.

KHSADA Awards Four

LOUISVILLE – The Kentucky High School Athletic Directors Association and the Pepsi Cola Bottlers of Kentucky formed a partnership in 1987 to establish a scholarship fund for the student-athletes in Kentucky. The KHSADA developed a committee to gather nominations from across the state for this scholarship money.

Pepsi has donated, as of this year, $24,000 toward 24 scholarship winners.

The 1992-93 winners, who received their awards at the Kentucky/Indiana All-Star game in Louisville this past June, are A.D. of the Year Paul Dennison (Western), Coach of the Year Owen Hauck (Boone County), Male Athlete of the Year Aaron McDowell (Lafayette) and Female Athlete of the Year Dana Cox (Scott).

Game Guy Nominations

This year, the Kentucky High School Athletic Association will once again present the Game Guy Award to an outstanding student who has overcome a great physical handicap to participate in athletics.

School representatives may make nominations for the award. The nominee must be a pupil at the junior or senior high school level.

If you have a pupil you feel is qualified, please send a letter of recommendation to the "Game Guy Committee, KHSAA, 2280 Executive Drive, Lexington, KY 40505.

Deadline for the 1994 nomination is March 1.

What Makes A Good Coach?

Reprinted from Coaches' Chalk Talk

Gallup, Inc., has identified teacher "themes" that, when explored by administrators, can help determine whether a candidate is likely to succeed as a teacher. The themes below have a strong crossover to coaching. As you read these themes, consider what characteristics and skills you consider important for coaches.

Mission -- "A teacher with a mission has a goal to make a significant contribution to other people." **Empathy** -- "Provides the teacher feedback about the individual student's feelings and thoughts."

Rapport drive -- "Is evidenced by the teacher's ability to have an approving and mutually favorable relationship with each student." **Individualized perception** -- "Means that the teacher spontaneously thinks about the interests and needs of each student and makes every effort to personalize each student's program."

Listening -- "Is evident when a person spontaneously listens to others with responsiveness and acceptance." **Investment** -- "Is indicated by the teacher's capacity to receive a satisfaction from the growth of the students."

Input drive -- "Is evidenced by the teacher who is continuously searching for ideas, materials, and experiences to use in helping other people, especially students."

Activation -- "Indicates that the teacher is capable of stimulating students to think, to respond, to feel, to learn." **Innovation** -- "Is indicated when a teacher tries new ideas and techniques."

Objectivity -- "A teacher responds to the total situation. This teacher gets facts and understands first as compared to making an impulsive reaction." **Focus** -- "Is indicated when a person has models and goals. The person's life is moving in a planned direction."

Kraus, Walker Win State's Top Golf Titles

Staff Report

ELIZABETHTOWN -- Steady golf described the play of both golf champions this year as Sacred Heart's Heather Kraus and Montgomery County's Bryce Walker took home the individual titles.

Kraus' efforts also led her Valkyries' teammates to the team title while St. Xavier won its second-consecutive title in the boys' tournament.

Kraus led by three strokes over Henry Clay's Sharon Park heading into the final round at the Elizabethtown Country Club. After the first nine, the lead remained the same as both girls had shot a 40.

But then Kraus, who finished fourth last season just ahead of Park, double-bogeyed the par 5, No. 10 hole. Park then cut the lead to one.

The lead stayed between one and two strokes heading into the final hole. Both hit nice approach shots, with Kraus, a senior, on the green about 55-feet from the hole. Park, a junior, was 10 feet away but on the fringe.

Kraus left her first putt within five feet of the hole and and then calmly sank her next putt for the win. She finished with a 77-80--157.

Park then three-putted for a bogey. She completed the tournament with a 80-79--159. Greenwood's Ashley Smith was third with a 81-80--161.

Sacred Heart, which won four straight tournaments from 1984-87, shot a two-day total 734 to finish four strokes ahead of Franklin County.

At Vine Grove Country Club, defending boys' champ Adam Grogan of Murray was looking to become the first repeat champion since 1956. He led after the first round by one stroke over Somerset's Derrick Centers.

Grogan appeared to be in control through the first nine of the second round, leading by three strokes, until an erratic tenth hole intervened. Grogan's tee shot sailed into the creekbed, out of bounds. A penalty stroke and second tee shot cost him a double bogey, and the race was on.

However, while most thought Center's would be the chief threat, Bryce Walker, playing in the group ahead, maintained his composure.

Walker, a Montgomery County senior, was four over after round one, three strokes off the lead. Round two had him playing par golf. And as the back nine continued, Walker walked into the lead.

With Grogan faltering, Walker maintained his consistency, event finishing the round with a 60-foot birdie putt on No. 18 to finish with a 76-71--147 total and the 1993 title.

Grogan finished the tournament seven over, 73-78--151 with Centers third at 74-78--152.

1993-94 Basketball Rules Interpretations

SITUATION # 1: A1 is fouled and has been awarded 2 free throws. Before the ball is placed at the free thrower's disposal, A1 pulls his or her shirt out. The official directs A1 to tuck the shirt back in, but A1 refuses and uses profane language.
RULING: A1 is immediately disqualified for the flagrant technical foul. A1's replacement will attempt the 2 free throws. (10-3-8b Pen)
SITUATION #2: As A1 secures a rebound, the covering official notices that A1's nose is bleeding. The official properly stops play. While directing A1 to leave the game, the official notices there is blood on B1's arm, apparently from A1's injury.
RULING: B1 will also be directed to leave the game and go to the bench for appropriate treatment. (3-3-5)
SITUATION #3: While A1 and A2 are passing the ball around in A's frontcourt, post player A3 notices a bleeding scratch on his or her arm. A3 immediately requests a timeout and hustles to the bench area for treatment. A3's bleeding is stopped during the time-out and he or she returns to play with the other players.
RULING: A3 is entitled to return to play unless the officials determine that A3 is still bleeding. Since the officials did not halt play for A3 and did not direct A3 to leave the game, he or she may be treated during the time-out. (3-3-5)
SITUATION #4: A1 and B1 forcefully collide and A1 sustains a nose injury with considerable bleeding. A1's blood gets onto B1's uniform shirt in such an amount that the official judges it to be excessive.
RULING: Both A1 and B1 will be directed to leave the game. The fact it is A1's blood on B1's uniform is immaterial. He or she must change that part of the uniform and may not return until the next substitution opportunity. (3-3-5)
SITUATION #5: After a lengthy substitution process involving multiple substitutions for both Team A and Team B, A5 goes to the bench and remains there, believing he or she has been replaced. The ball is put in play even though Team A has only four players on the court. Team A is bringing the ball into A's frontcourt when the coach of Team A realizes they have only four players. The coach yells for A5 to return and A5 sprints directly onto the court without reporting or without being beckoned.
RULING: A technical foul is charged to A5 for returning during playing action even though A5 had not been replaced. (10-3-4)
SITUATION #6: A1 is awarded 2 free throws and makes the first one. A2 violates on A1's 2nd attempt and B is awarded the ball for a throw-in. Can the thrower of B run the end line?
RULING: No. The throw-in shall be from a designated spot on the end line. (7-5-11)
SITUATION #7: Team A scores a field goal. The ball drops through the net and is on the floor on the end line when A2 holds B2. **RULING:** If the official has started the throw-in count the foul is charged as any other live ball holding foul. However, if the throw-in count has not started the ball is dead, a foul is not charged unless it is intentional or flagrant. (4-18-1 Note)
SITUATION #8: A1 drives for a try and jumps and releases the ball. Contact occurs between A1 and B1 after the release and before airborne shooter A1 returns to the floor. One official calls a blocking foul on B1 and the other official calls a charging foul on A1. The try is successful.
RULING: Even though airborne shooter A1 committed a charging foul, it is not a player control foul. The fouls by A1 and B1 result in a double personal foul. The double foul does not cause the ball to become dead on the try and the goal is scored. An alternating possession throw-in results. (4-18-2,7b)
SITUATION #9: The scorer notifies the referee 10 minutes before the scheduled starting time that Team B has not submitted its roster. In addition during the game, the Team B coach asks the scorer to add a name to the book on two separate occasions. **RULING:** Team B is penalized with one technical foul to start the game for failure to submit its roster and to designate the starters. The first addition to the list during the game would also result in one technical foul charged to the team. However, the second name addition or any other subsequent administrative infractions would not result in a penalty, as the maximum of one technical foul has already been charged following the 10-minute requirement. (3-2, 10-1-1,2b)
SITUATION #10: B1 fouls A1 while A1 is in the act of shooting. The try is successful. The administering official signals 2 free throws instead of 1. A1's free throw is successful and B1 grabs the ball as it comes through the net and inbounds it to B2. The administering official then sounds his or her whistle to halt play.
RULING: Since A1 did attempt the one merited free throw, there actually is no correction to be made. Continue the game with a throw-in by B. (2-10)
SITUATION #11: A1 inbounds the ball to A2 who is immediately trapped near the end line by B2. A2 is unable to dribble or pass and in desperation bounces the ball off B1's leg and it deflects directly out-of-bounds.
RULING: B1 has caused the ball to go out-of-bounds. Team A's ball for a throw-in. (7-2 - 9-3)
SITUATION #12: A1 attempts a pass to A2 during pressing action in A's backcourt. The ball hits B's backboard and deflects directly back to A1 who catches the ball and- (a) starts a dribble-, or (b) passes the ball to A2.
RULING: It is a violation in (a) for starting a 2nd dribble as the pass against B's backboard was the start of the 1st dribble which ended when A1 recovered. In (b) the pass is legal action. (4-4-5-1 9-5)
SITUATION #13: A1 attempts a pass to A2, but seeing it will be intercepted, he or she: (a) runs and catches the ball before it hits the floor, or (b) recovers the ball after it has bounced off the floor.
RULING: In (a) and (b) the action described is the start and end of a dribble. If A1 dribbled before the pass, it is a double dribble in (a) and (b). (4-15)
SITUATION #14: B1 is directed to leave the game because of excessive blood on his or her uniform shirt. Team B's manager has failed to pack any extra shirts. (a) The coach asks one of the substitutes to give his or her shirt to BI or (b) Team A is able to find a shirt which B1 can wear even though it is not exactly the same color or style of the Team B shirts. The shirt will however, clearly identify B1 as a member of Team B and will not be confusing to either team or the officials.
RULING: Acceptable procedure in both (a) and (b). In both situations the scorer will make necessary changes in the scorebook without penalty. (3-3-5)

Committee To Study Swimming Realignment

The Swimming Committee met on Wednesday, Sept. 22, 1993, at the KHSAA Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Tim Cahill, Matt Rydson, Martin O'Toole, Jim Rogers, David Webb, Karen Vanover, Paul Short, Wynn Paul, and Steve Bush.

Wynn Paul gave a brief presentation on upcoming swimming events scheduled at the Lancaster Aquatic Center, University of Kentucky. Wynn extended an invitation to all committee members to attend any and all events at the Lancaster Center.

The first item on the agenda was the selection of the regional sites. The managers and sites are as follows: Central Kentucky Region - Tim Cahill, Model High School, Richmond; Jefferson County Region - Martin O'Toole, Crescent Hill, Louisville; Northern Kentucky Region - Dave Webb, Scott High School, Covington; Western Kentucky Region - Jim Rogers, Hopkinsville High School, Hopkinsville. The committee discussed the regional information sheets and made some minor changes. The Regional entry deadline date is Jan. 26, 1994. Regional meets are scheduled on February 4-5, 1994.

The committee discussed the possibility of realigning the swimming regions. A subcommittee was formed to study the current alignment and to recommend a plan to the full committee. Subcommittee members include the following people: Chairperson Jim Rogers, Jerry Mohr, Matt Rydson, Paul Klingensmith, Tim Cahill and Dave Bunnell. The subcommittee will report back to the swimming committee at the next meeting.

There was a lengthy discussion on changing the entry forms for the 1993-94 State Meet. Marty O'Toole submitted a one-page sample entry form to the committee for their consideration. The committee was in favor of the new form and O'Toole and Cahill will make final revisions on the form prior to the school mailing. Furthermore, the committee is working toward a different method of seeding the state meet, by utilizing computer software compatible with the equipment used for the state meet.

The next item for discussion was the State Swimming Meet and Site. The 1994 meet is scheduled on Feb. 18-19, 1994 in the Lancaster Aquatic Center at the University of Kentucky. The preliminary heats will consist of three heats of eight swimmers in all swimming events. Dave Webb made a motion that the finals consist of eight swimmers in the consolation heat, and eight swimmers in the championship heat. The motion passed. The scoring at the State meet will change from 12 to 16 places. However, awards will remain through 12 places. The seeding meeting for the state meet is scheduled for Sunday, Feb. 6, 1994.

The 1992-93 committee recommendation that a two-meet requirement be implemented in swimming for participation in the regional swimming meets, will be submitted to the Board of Control at the Oct. 15, 1993 meeting.

The committee reviewed the state meet information and made a few changes for the 1994 meet.

The next item for discussion was in reference to diving judges at the state meet. Each of the regional managers will be responsible for providing at least one diving judge for the state meet. The additional judges will be selected at large, as has been done in the past, so a seven-judge panel can be used.

The State Meet Combined Awards have been underwritten by a corporate sponsor in the past. Cahill will coordinate the sponsorship again this year. Should a sponsor be unavailable, these awards will be dropped. The regular team awards sponsored by the KHSAA will not be affected.

DeVries presented the National Federation rule changes for 1993-94. She also presented a press release from the Florida High School Activities Association regarding their policy on water depth and starting blocks. It was recommended that there be strict adherence to all swimming rules. If water depth is less than the required water depth specified in swimming rules 2-7-2, then host management should require that they start in the water.

The next item on the agenda was a review of the KHSAA handbook, limitation of seasons, and tourney rules.

Miscellaneous items included a listing of the various high school Swimming and Diving meets scheduled around the state. This info will be included with the Regional and State Information to be mailed at a later date.

There being no further business, the meeting was adjourned.

1993-94 Swimming Rules Interpretations

SITUATION #1: Referee assigns an official to stand by the recall rope to assure the rope is lowered to the water and to sound an air horn when the referee or starter has sounded a recall signal. **RULING:** Correct procedure. (2-7-4, 4-2-1c)

SITUATION #2: There is no recall rope available. The referee informs the swimmers that an air horn and/or an underwater strobe light will be used as a recall device. **RULING:** Correct procedure. **COMMENT:** Many pools do not have ample space to include a recall rope and personnel to handle it. (2-7-4)

SITUATION #3: Swimmer A is listed on all three relays and is entered in the 500 freestyle. In prelims, Swimmer A swims the medley relay and 500 freestyle and qualifies for finals. Swimmer A's team also qualifies in the 200 freestyle relay and 400 freestyle relay. In finals Swimmer A swims in all 3 relay events. **RULING:** Legal. **COMMENT:** A relay is entered as a team of up to 8 individuals (names) of which any 4 can swim at any one time at any level of a championship meet. Prelims and finals are one meet. (3-2-1, 3-2-2)

SITUATION #4: A swimmer enters and swims the 50 yard freestyle. In addition, the swimmer is included on the list of eight swimmers for all three relays and does in fact swim in all three relays. **RULING:** Legal. **COMMENT:** A swimmer may enter 2 relays and 2 individual events or 3 relays and 1 individual event. (3-2-1)

SITUATION #5: In a championship meet Swimmer A is listed as one of the 8 names on all 3 relays. He is also entered in the 100 freestyle and 100 breaststroke. Swimmer A in trials swims medley relay, 100 freestyle, 200 free relay and declares a false start in 100 breaststroke. In the finals the coach advises that he will use Swimmer A in medley relay, 200 free relay, 400 free relay and 100 freestyle. **RULING:** Illegal. **COMMENT:** Declaring a false start still counts as one of the four events a competitor may enter in that meet. (3-2-1 & 2)

SITUATION #6: The 200 yard freestyle relay is started, the second swimmer is detected bleeding while on the block awaiting his/her start. The race is stopped, the bleeding is properly treated, maintenance of the block and/or floor area is performed, a rest time is determined and the race is reswam. **RULING:** Correct procedure. **COMMENT:** If the first swimmer has started and blood is detected on the block, the same procedure as indicated above is in order. If the fourth swimmer is bleeding, the race may be completed. Care of the swimmer and cleaning the area may take place after the relay is completed. (3-2-5)

SITUATION #7: A swimmer has a minor scrape on his/her leg received during warm-up. It is an open wound but the bleeding or flow of bodily fluids has stopped. **RULING:** Swimmer may continue to participate as long as there is no bleeding or oozing of body liquids from the scrape. The volume of water combined with chlorine, etc. makes any blood to water ratio insignificant. (3-2-5)

SITUATION #8: A swimmer receives a very bad cut on the bottom of her foot. There is severe bleeding. **RULING:** Swimmer may not compete further until the injury is treated and bleeding or flow of bodily fluids has been stopped. (3-2-5)

SITUATION #9: A swimmer is wearing a cap with a commercial logo 11/2" square. However, it enlarges beyond the rule specifications when the cap is put on the swimmer's head.

RULING: Legal. **COMMENT:** Measurement is to be done on uniform attire before the swimmer puts it on. (3-3-1)

SITUATION #10: A swimmer is discovered wearing a swim cap with a university name and/or university logo on it. The swimmer is allowed to compete. **RULING:** Incorrect procedure. **COMMENT:** Only the competitor's school name and/or logo, any national flag or a legal size manufacturer's logo may be on the swimming attire. No penalty is assessed, however, unless the illegal attire is discovered before the race begins. (3-3-1, 4-2-2e)

SITUATION #11: Host management requires all competitors using foreign substances such as oil or "water off" to apply these substances in a room away from the pool deck. In addition, a monitor is stationed at the door to check the competitors for excessive substance on their body before they leave the room. **RULING:** Although the rules do not specify this procedure, it is okay to follow such a procedure. **COMMENT:** The use of some foreign substances is resulting in decks and/or starting platforms becoming slippery and the water in the pool becoming cloudy, both of which are safety considerations. It also results in additional maintenance problems (clogged filters which have to be cleaned during the meet, slippery decks which require maintenance during the meet, etc.). (3-3-2)

SITUATION #12: The referee directs a coach to remove a rub down table from the deck where swimmers are being rubbed down with oil and other lotions which create a hazardous condition on deck. **RULING:** Correct procedure. **COMMENT:** A rub down table may be used. It is important that it be used in a designated area other than on deck. (3-3-2,4)

SITUATION #13: In the prelims of a championship meet, Swimmer A swims medley relay, 100 freestyle and 100 breaststroke. During finals, Swimmer A swims in medley relay; then during the finals of the 100 freestyle, after all swimmers have completed the race, Swimmer A reenters the water without permission of referee. **RULING:** Swimmer A is disqualified from the 100 breaststroke. (3-5-2, 3-5-5)

SITUATION #14: The take-off/side judges in a championship meet carry a card and pencil for recording any violations observed during the relay events. **RULING:** Although the rules do not specify this procedure, it is a good procedure to follow. (4-6-2)

SITUATION #15: At an invitational meet held in a 20-yard pool, the water depth is less than 3'6" in the shallow end opposite the starting platforms. The coaches mutually agree that the 400-yard freestyle relay shall be shortened to 320 yards. **RULING:** Legal. **COMMENT:** This results in all starts occurring at the same end of the pool. (5-1-2c)

SITUATION #16: A backstroker takes a final armpull into the turn, turns past the vertical plane toward the breast, continues to kick while finishing his/her stroke under the water.

RULING: Legal. **COMMENT:** Once the backstroker's shoulders turn past the vertical toward the breast, all movement must be part of a continuous turning action. The completion of the stroke underwater is part of the turn. (8-2-1e)

1993-94 Wrestling Rules Interpretations

SITUATION #1: Wrestler A cries out indicating injury in the middle of a near fall situation and the referee stops the match. Wrestler A has already taken three timeouts.
RULING: Wrestler B would be declared the winner of the match by default. When the match is stopped in this situation it would be a timeout for Wrestler A and this would exceed the allowable number. (8-2-1)
SITUATION #2: From the down position the defensive wrestler comes up quickly and his head strikes the nose of the offensive wrestler causing bleeding. What are the guidelines for the referee to follow?
RULING: The referee will stop the match and wrestling will not resume until appropriate treatment has been administered. This means the bleeding stopped and, if the uniform has an excessive amount of blood on it, it must be changed. By excessive we mean (will it transfer, is it moist, is it wet to the touch or is it soaked through?). Injury time is not charged for bleeding or the changing of a uniform. The number and length of timeouts is left to the discretion of the referee. (8-2-6 & 7)
SITUATION #3: Wrestler A has his opponent on his back and has met near fall criteria. Prior to a three-point near fall being awarded the offensive wrestler sustains a severe nosebleed. What is the procedure for the referee to follow?
RULING: Anytime bleeding occurs the match shall be stopped. In this situation, if the offensive wrestler had met near fall criteria for two seconds, he would be awarded a two-point near fall. If it was for less than two seconds there would be no points earned, (5-2-4f & g)
SITUATION #4: Wrestler A slams Wrestler B during the tiebreaker which makes the match score 4-3 in favor of Wrestler B. Wrestler B appears to be injured as a result of the slam. Do you wait for the two-minute recover time to see if Wrestler B wins the match by default or is he the winner by a match score of 4-3?
RULING: Rule 6-7-1 states that the wrestler who scores the first points during the tiebreaker will be declared the winner, therefore, Wrestler B would be the winner of the contest by a match score of 4-3. (6-7-1)
SITUATION #5: Wrestler A applies a full nelson and, at the same time, Wrestler B gets a cramp in his right calf or twists his ankle trying to get to his base. Both are unrelated to the illegal full nelson. What is the correct course of action for the referee to take and would this be considered as injury time or recovery time?
RULING: Rule 8-2-2 states that, if a contestant is injured as a result of an illegal hold, he would be allowed recovery time. In the above situation the injury is not the result of an illegal hold, therefore, Wrestler B would have to use injury time. (8-2-2)
SITUATION #6: In a multiple dual meet where you have four schools competing i three dual meets each, what would be the penalty if an individual is called for flagrant misconduct in the second dual meet of the multiple school event?
RULING: The points this individual would have earned during the first multiple school event would stand for his team score. The dual meet in which the flagrant misconduct call was made would result in immediate disqualification from the match and an additional wrestling in the multiple school event. (7-4-3)
SITUATION #7: Wrestler A is obviously stalling during the tiebreaker. Is this a call that should be made by the referee or should it be ignored because of the tiebreaker situation?
RULING: Each wrestler is required to make an honest attempt to wrestle aggressively regardless of the time or score in a match. The tiebreaker period is no exception to the stalling rule. Therefore, when an official recognizes stalling, he shall penalize whenever it occurs. (7-6-1 & 2)
SITUATION #8: The two contestants butt heads unintentionally and, as a result of this, one wrestler is injured and the other wrestler has a cut over his right eye. The referee stops the match and starts the injury clock on the injured wrestler. A doctor takes care of the bleeding wrestler and, within approximately 3 1/2 minutes, the cut has been taken care of and all other appropriate action taken. The injured wrestler was ready to wrestle in 1 1/2 minutes. The bleeding contestant, however, at that time, indicates that he is not ready to wrestle. What is the correct procedure for the referee to follow at this point?
RULING: Once appropriate treatment has been administered as a result of the bleeding and the contestant is not ready to continue wrestling, the injury clock would be started. (8-2-1 & 6)
SITUATION #9: South High shows up at the weigh-in for a multiple school event and the 145-pound contestant has a full beard. Is it permissible for him to wrestle in a high school contest?
RULING: It is possible for an individual to wrestle in high school with facial hair as long as they comply with the following regulation: they must have written approval from the state high school association and they must wear a face mask during competition. (4-2-1)
SITUATION #10: Wrestler A is attempting a takedown of Wrestler B and, following initial contact, both wrestlers go off of the mat with the exception of Wrestler A's feet. Is it possible for Wrestler A to secure a takedown with only his feet remaining inbounds?
RULING: A takedown may be scored at the edge of the mat as long as control is established while at least the feet of the scoring contestant finish down on the mat inbounds. You must, however, have control at the time the referee signals out-of-bounds. You cannot be called for out-of-bounds and then move up and gain control for a takedown. (5-2-1)
SITUATION #11: Wrestler A is injured during the first period and uses 1:20 of injury time. During the second period, injury time is taken on two other occasions and the second time consumes 15 seconds and the third time, 10 seconds. During the third period Wrestler A indicates that he is injured for a fourth time. What is the procedure for the referee to follow?
RULING: Injury timeout now has two restrictions. There is a maximum of three timeouts per contest and a limit of two minutes. In the above situation, even though the two minutes have not been consumed, the maximum number of timeouts has reached its limit of three, therefore, no timeout can be granted in this situation. Wrestler A must be ready to wrestle immediately or Wrestler B would win the match by default. (8-2-1)

Richeson's Track Interest KHSAA's Gain

By Brooks Downing and Brigid DeVries

In 1953, Dwight D. Eisenhower was beginning his second year in the oval office, the University of Kentucky was a football powerhouse and the television set was the rave of the nation.

Also, King Richeson was beginning his advocation as a track and field official at the high school level.

Forty years later, King has "unofficially" retired from working the Kentucky High School Athletic Association's State Track Meet. No more King?

"I may show up again next year," said Richeson, who loves all sports. "But I'll wait and see."

His roots in the ancient sport run deep.

"I first got interested in the sport after World War II," said Richeson, who served in the U.S. Navy from 1940-45 and saw action on both the Atlantic and Pacific fronts.

He enrolled in Occidental College in California following his discharge and it was there he watched his first race.

"I just thought the 440, run around one turn, was great, and it was then that I became interested in the sport," Richeson said.

After returning to Kentucky in 1946, he earned his teaching degree at Kentucky Wesleyan College in Winchester.

He began teaching in 1948 at University High School in Lexington and his track officiating and coaching career took off.

"I inherited the coaching job at University High," Richeson said. "Basically, I took it over by default."

While also serving as athletic director, Richeson coached track, golf and basketball. But track is what he remembers fondly.

"We never had a full team at University High," he said. "Coach (John) Heber, Henry Clay's coach, would let me throw my six or seven players on the bus with his team when they traveled for a meet."

Richeson's relationship with Heber continued to develop, and when Heber's team had a home meet, Richeson would serve as an official.

"Several of my old friends and I just fell in love with the sport," Richeson said. "We would travel to Southern Indiana or Ohio State University to watch a track meet and we'd end up officiating it. From there my interest just grew."

Since his days at University High, Richeson has taught and coached at a variety of schools. Between 1954-63, he taught at Morton Junior High in Lexington and at Henry Clay High School.

From 1963-72, he taught briefly at Lees Junior College before moving on to Midway College in Versailles. Then, until his retirement in 1983, Richeson taught at Woodford County High School.

But one non-sports achievement he's most proud of is that during his 35 years of teaching, he missed only 25 days of school, 20 during one stretch, due to back surgery.

His astounding, good health record has also enabled him to keep defensive football stats for the University of Kentucky at all of its home games. He began that advocation in 1954 and has only missed two games since. He also keeps the scorebook at UK basketball games.

But his skill as a track official, combined with his dedication and love for the sport, earned him the honor as the outstanding track official in 1993, the first time the award was presented by the KHSAA.

And, after 40 years working the State Meet, 25 as the clerk of course, will he return? Just wait and see.

King Richeson was honored as the state's top high school track official in 1993. It was the first time the KHSAA had presented that award. Richeson served as a state track official for over 40 years, the last 25 as clerk of course.

LARRY CONLEY, ESPN ANALYST TO HEAD STATEWIDE CAMPAIG

Larry Conley

Heading the KHSAA **Court of Support Campaign** is Larry Conley, an Ashland, Ky., native and current ESPN basketball analyst. Conley was an all-state basketball player at Ashland High School and led the Tomcats to the 1961 KHSAA Sweet Sixteen Championship. He later starred at the University of Kentucky and was a member of the famed Rupp's Runts squad which finished as NCAA Runners-up in 1966.

He still maintains close ties to his eastern Kentucky roots, serving on the board of the Citizens National Bank in Paintsville.

Billy Wise, Commissioner of the KHSAA, remembers Larry as "...one of the grittiest players I ever saw. He truly was a great player and now is one of the finest sportscasters in the country. We are so very pleased to have him head the **Court of Support Campaign.**"

Conley also hails from a prominent Kentucky sports family. His father George was a high school coach and an outstanding basketball official at the high school and college level. Conley's sister coached basketball at Ashland Paul Blazer High School.

"Kentucky High School athletics did a lot for me and my family, and I feel strongly about heading this most worthwhile project," Conley said. "I urge you to purchase a brick, or bricks, to honor the deserving recipient of your choice. It will mean so much to you, your friends, and most of all to the young people of Kentucky who will benefit."

MEMORIAL BRICKS ARE AVAILABLE TO HONOR PERSONS, TEAMS, OTHERS

The Kentucky High School Athletic Association **Court of Support Campaign** is a state-wide effort, offering to the people of Kentucky an opportunity to forever memorialize individuals or groups in this uniquely designed likeness of Kentucky.

The **Court of Support**, made up of 19,000 bricks, is located in front of the KHSAA's new building in Lexington, at the juncture of I-75 and US 60. When you purchase a brick it will be placed in the section of the state you choose and can recognize and memorialize a favorite coach, athlete, team, school, community, business or topic of your choice.

Bricks range in size and cost, from two lines of information on a 4 x 8 brick for $100, to three lines on a 6 x 8 brick for $300, to four lines on an 8 x 8 brick for $500. You also will receive a handsome certificate for display, which includes a likeness of your brick with your information on it.

Funds raised through the **Court of Support Campaign** will be used to retire the debt on the beautiful new structure, as well as provi money to develop a first class museum school athletics in Kentucky in space de for this purpose in the new building.

Your participation in this endeav provide a lasting memorial on one of the **of Support** bricks. And it will p significant financial support to the scho young people of Kentucky as the K enters its 77th year of service. Please se order to: KHSAA Court of Support Car 2280 Executive Drive, Lexington, Ky. 4

A Look Back At 1993

By Brooks Downing

What a year!

The past 12 months will go down in the annals as a year of great turmoil for the KHSAA. Just as the Association was about to regain its footing, one of the state's newspapers tugged on the infamous rug and rehashed the old financial setback that occurred due to the construction of the KHSAA's new headquarters.

And most people thought Michael Jordan's retirement was the biggest sports item to occur in 1993. They obviously didn't spend any time in high school athletics in Kentucky.

By mid-summer, the creation of a new committee by the State Board of Education was dominating the daily routines of the KHSAA staff. Meanwhile, the Board of Control was looking into new ways to refinance the Association's debt. It was as if the true idea of sports, the pureness of athletics at the high school level, had been lost in the restructuring, big business reformation of high school sports in the Bluegrass.

But the year was a great one for high school sports on the field of play. The '93 Sweet Sixteen turned out to be one of the best in history. Nearly 23,000 fans were on hand for the championship game as Marion County's third try against Paul Dunbar was finally successful. The Knights only two losses were to Dunbar during the regular season, but as all of metropolitan Springfield cheered on Tim Davis' team, Marion County became the first Fifth Region team to win the Sweet Sixteen.

The competition throughout the tournament was at a fever pitch, led by a strong final four of Marion County, Dunbar, PRP and Male. Jason Osborne, Darnell Burton, Anthony Epps and Danyell Macklin thrilled the crowd with spectacular plays.

But 1993 could have been called the Year of Youth.

Woodford County's Joe Carr became the first eighth grader to ever win a state wrestling title. As the son of Woodford's assistant coach, and former UK wrestler Joe Sr., little Joe took home the title in the 103-pound weight class. Carr also propelled his Yellowjackets to the team title.

Yet, even eighth-graders can be outdone. Along came the 1993 Cross Country championships and youth dominated the girls' races. Anna Ryan, a seventh-grader running for Covington Scott, won the Class 2A trophy. The oldest winner of the day was Mindy Martin, a Walton-Verona freshman who captured the Class A title.

But with the best, and youngest, saved for last, the Class 3A title was won by Rachel Sanford, a 10-year-old fifth-grader who finished the 4,000-meter course in 14:59. Sanford, who attends Southern Elementary near Somerset, is in the "Class of 2001" at Southwestern Pulaski, the first-year high

Board Signs Loan For Debt Refinancing

MINUTES

DECEMBER 3, 1993

The Board of Control of the Kentucky High School Athletic Association met at the Executive Inn, Louisville, Kentucky on Friday, December 3, 1993. The meeting was called to order by President Ray Story at 8 a.m. with all Board members present. Also present were Commissioner Billy Wise, Exec. Asst. Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Business Manager Julian Tackett, SID Brooks Downing, Ken Tippett, Board Attorney Danny Reeves and State Dept. of Education representative Gary Faulkner. The invocation was given by Frank Cardwell.

Frank Welch made a motion, seconded by Claudia Hicks, that the Minutes of the Oct. 15, 1993 meeting of the Board be approved. The motion passed unanimously.

Ozz Jackson moved to approve the Minutes of the Nov. 22 Meeting of the East Eligibility Committee as corrected to show the athlete's name as Todd Jenkins. Cookie Henson seconded the motion which passed unanimously.

Jackson moved to approve the Minutes of the Nov. 22 Special Meeting of the Board. Frank Cardwell seconded the motion which passed unanimously.

Following a discussion of the Oct. 1 through Nov. 22 bills, Ken Cox made a motion to accept. Welch seconded the motion which passed unanimously. A discussion was then held regarding the 1993-94 Working Budget through Nov. 22. No action was taken.

Commissioner Wise discussed with the Board members an option to grant ticket purchasers to the Saturday 4A Football Playoffs $1.00 off the admission price if they presented a ticket stub from the Louisville vs. Michigan State Basketball Game to be played at Freedom Hall at noon. SID Brooks Downing offered to handle all arrangements. Grant Talbott made a motion to approve this request. Hicks seconded the motion which passed unanimously.

President Story called on Chairperson Welch for a report of the East Eligibility Committee. The Committee met on Dec. 2 to hear an appeal from Eddie Brown, a student at Whitley County High School. Welch made a motion, seconded by Jackson, that the Board accept a vote of approval of the East Eligibility Committee to waive By-Law 4(1) in the case of Eddie Brown, thereby allowing him to participate in interscholastic athletics immediately at Whitley County High School. The motion passed 11-1.

James Sexton, Chairperson of the West Eligibility Committee, gave his Committee's report of the appeal of LaTasha Hurst on December 2. Sexton made a motion that the Board approve the report of the West Eligibility Committee to waive By-Law 6, 1(a) and allow LaTasha Hurst to participate in interscholastic athletics at Southern High School for the 1993-94 basketball season. Cookie Henson seconded the motion which passed 11-1 following a discussion of this appeal.

President Story asked that it be noted that when the Board is to be in full session, appeals will be heard by the full Board rather than the East and/or West Eligibility Committees.

Talbott, Chairperson of the All-Sports Committee, was called on for the next report. The All-Sports Committee made the following recommendations:

1) That the four-team format for the State Soccer Tournament be tabled until the January meeting;

2) That the request for a $2.50 increase in game fees for baseball umpires be deferred to a later date;

3) That medals be awarded to winners and runners-up in team sports to the limit of the traveling parties. Grant Talbott made a motion that the All-Sports Committee's report be accepted. James Sexton seconded the motion which passed unanimously.

Stan Steidel, Chairperson of the Basketball Committee gave the following report:

1) Recommended that a survey be conducted by Board members to determine preferences for the district and regional basketball tournament officials and report findings at the January meeting;

2) Continue the officials ratings experiment in the 6th & 7th Regions;

3) Continue realignment study and report at the January meeting;

4) Continue to consider until the January Board meeting a request from the Basketball Coaches' Association that an active coach serve as a non-voting member of the KHSAA Basketball Committee. The Board then accepted the Basketball Committee's report.

Chairperson Jackson, Football Committee, was then called on. He presented the following items:

1) Announced the appointment of the Football Advisory Committee and that the Committee will meet January 20; -3-

2) Postponed a request from Beth Haven High School to survey the schools in regard to offering 8-man football until reclassification/realignment of the football schools has been finalized. Jackson made a motion, seconded by Cardwell, that the Board authorize staff to send a letter to Beth Haven advising them that their request was postponed. Motion passed unanimously.

President Story then called on Kathy Hopper, Chairperson of the Constitution & By-Laws Committee for a report. Due to the fact that By-Laws 4, 6 and 13 need to be considered, Hopper made a motion that any changes be discussed after the Blue Ribbon Commission Hearing. Henson seconded the motion which passed unanimously. Hopper then made a motion that the Board conduct a work session with Delegate Assembly members prior to the Annual Meeting. Henson seconded the motion which passed unanimously.

Commissioner Wise advised the Board he had met further with TeleCable of Lexington and recommended that the Board enter into a three-year contract to televise the Boys' State Basketball Tournament on a delayed basis. Cox moved to accept the Commissioner's recommendation. Talbott seconded the motion which passed unanimously.

Commissioner Wise then recommended to the Board that the contract of Ray Hornback be extended for 90 days due to the fact that it has taken more time than expected to obtain a Chairperson for the Court of Support Campaign, get the Committee organized and put together a video, etc. Following discussion and recommen-

dations for setting forth timetable expectations, Jackson moved to accept the Commissioner's recommendation to extend Ray Hornback's contract until March 31, 1994. Cardwell seconded the motion which passed unanimously.

Bob Rogers made several suggestions to expose the Hall of Fame Museum and Court of Support to school personnel and other groups around the State.

Commissioner Wise and Faulkner announced that the SBESE will take action on the Review at their Jan. 4-5 meeting, and recommended that the Staff take action on certain items because they must be addressed.

Commissioner Wise then requested approval to attend the National Federation Winter Meeting in Point Clear, Ala., on Jan. 6-10, 1994 along with Tackett who is a voting delegate at the Football Rules Meeting. Steidel moved to approve the Commissioner's request. Talbott seconded the motion which passed unanimously.

The following Basketball Tournament Report was given:

Boys' ticket sales through this date: $332,132

Girls' ticket sales through this date: $30,152

It was reported that the boys' ticket sales and the girls' ticket sales were behind last year's receipts. Tackett reported that a new Sports Committee has been formed in Louisville to promote the Football Playoffs and the 1994 Boys' Basketball Tournament. Also, the KHSAA has received a commitment from Bowling Green to give financial assistance in the amount of $10,000 to help with lodging and travel for the Girls' Basketball Tournament.

Faulkner reported to the Board on the Task Force Commission. He advised that the draft on Interscholastic Athletics was mailed to all schools, four public hearings were conducted and the Executive Summary was mailed to all Superintendents and 200 media outlets. He stated that a summary of the public hearings are to be mailed to the Board. He noted that some of his recommended changes may take statutory change while others will take regulatory change. Following a lengthy discussion between Faulkner and the Board, President Story advised that the draft is to be discussed further on Saturday.

President Story then called on Board members and Staff for any miscellaneous items.

Commissioner Wise advised the Board that three proposals have been submitted by member schools for consideration at the 1994 Delegate Assembly. Topics included are: a) each member school votes for each proposal; b) increase in number of preseason scrimmages; and c) coaching certification. These proposals will be submitted to the State Department and to legal counsel before placement on the Agenda to insure compliance with state laws.

Hopper reminded Staff that all information pertaining to Committees, Appeals and regular Agenda items should be mailed ahead of the meeting date.

Following a lengthy discussion with regard to final approval of bond refinancing, President Story recessed the meeting until Saturday, December 4 at 8:00 a.m.

December 4, 1993

President Story reconvened the December meeting of the KHSAA Board of Control on Saturday, Dec. 4, 1993, at 8 a.m. with all Board members present. Also present were Commissioner Billy Wise, Exec. Asst. Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Business Manager Julian Tackett, SID Brooks Downing, Ken Tippett, Danny Reeves and John Wharton of Greenebaum Doll & McDonald, Gary Faulkner of the State Dept. of Education, Andy Hils and Bill Keller of Fifth Third Bank and Dirk Bedarff of Peck, Shaffer & Williams.

President Story began the meeting with a discussion of the refinancing of the Bond issue. Board members were given a copy of all documents pertaining to said refinancing for their review on Dec. 3. Story called on Tackett to discuss the issue at hand — that being the mechanic's lien filed by a contractor on the new office building and Hall of Fame Museum in April of 1993. He explained the situation would therefore necessitate monies being deposited with the refinancing party to secure this lien. Several possibilities were discussed for absolving the problem. Tackett also explained there would be two closings on the loan — one now, a taxable loan, and a tax exempt loan to be closed around the middle of February.

Wharton of Greenebaum, Doll & McDonald was called on to answer specific questions regarding the wording in the loan documents. Hils of Fifth Third Bank, advised the Board members that some specific phrases were standard clauses in all loan documents.

President Story called on each Board member for comments on the revised documents. Rogers asked if the bank required a legal opinion and was advised they did not at this time but would require one at a later date.

Other items of concern expressed by the Board were pending litigation cases and the financial cost connected to the case in the event of a loss. Representatives of Fifth Third Bank expressed no concern regarding same.

Hopper asked about the Debt Service Reserve. President Story explained the need for $400,000 to be placed in escrow until the February loan closing, and then $280,000 to $300,000 to be placed in escrow to cover one year's payments. -6-

Keller explained that the appraised value of the building is under the loan amount.

Steidel commented that the purpose of the loan is to combine obligations and all negotiations were in "good faith". The "Events of Default" which is an issue of concern of the Board is an important issue—but common language and will be a part of the document with any financial institution.

Keller pointed out that the bank will be meeting with Tackett on a regular basis.

Commissioner Wise stated that it would be in everyone's best interest to try to resolve the lien problem by February.

Rogers noted that the Board did not ask for or obtain an actuarial analysis or a legal opinion of the new loan.

Cardwell made a motion, seconded by Jackson, that $95,000 in the restricted Court of Support brick sales and $7,551 in loan proceeds be deposited into an investment account at Fifth Third to secure the lien. The motion passed unanimously.

Talbott then made a motion that an investment account and a checking account be opened at Fifth Third Bank. Steidel seconded the motion which passed unanimously.

Refinancing

(continued from page 7)

Due to the fact there were changes made on the original documents typed on Dec. 3 and distributed for review, Talbott made a motion that President Story be allowed to initial the changed documents. Cox seconded the motion which passed unanimously.

President Story then called for recess at 10 a.m. in order for Board members to sign loan documents.

A blank amount existed on the Escrow Trust Agareement which would not be known until Monday, Dec. 6 due to the pricing of defeasance securities. Steidel moved to allow Commissioner to fill in amount and initial on the original document. Ken Cox seconded the motion which passed unanimously.

Hopper noted that at an earlier time she stated there was a blank in the original document and was advised that all blanks would be filled in.

President Story then called on Hornback for an update of the Court of Support Campaign.

Hornback gave an enthusiastic report of the campaign, and that the Court of Support is a good idea. He felt it needed more exposure across the State and thus the need for this statewide campaign. Hornback then explained the development of the video and it was previewed by the Board and Staff.

President Story called on Commissioner Wise to discuss the next Agenda item — a rebate program for the member schools. Commissioner Wise recommended that this item be deferred to the January meeting. Steidel felt it necessary that the Board go on record as supporting such a rebate plan and the Board's intention of positively reviewing such a plan whether it be in the form of a rebate to the member schools or a reduction in dues for the 1994-95 school year with final resolution at the January 1994 meeting.

President Story proceeded with the next item on the Agenda — discussion of the Draft of Interscholastic Athletics prepared by the Task For Commission. Commissioner Wi then advised the Board members th he would be attending the Public Hea ings of the Task Force Commission the week of Dec. 6-10 and would happy to speak to any of the items if t Board so desired.

The Board then discuss particular items in the draft, but took action.

Rogers made a motion adjourn. Steidel seconded the moti which passed 9-2 with one abstentic The meeting adjourned at noon.

Steidel moved for Executi Session to discuss personnel iten Talbott seconded the motion whi passed.

school that she represented.

And Sanford's adulation didn't stop with just the state's media. She appeared in Sports Illustrated's weekly "Faces In The Crowd" segment, which highlights amateur sports.

Football was never more exciting than in Danville this past year, where the Sam Harp coached Admirals guided his team to second place on the state's all-time consecutive win list with 42 straight victories. But Danville wanted the prize of a third-consecutive state title, a prize that slipped from its grip when the Prestonsburg Blackcats rolled into town and left with a thrilling 16-15 double-overtime victory in the state semifinals.

The year closed out on a sour note. Another "Hard Copy" report on transfers and eligibility by a state newspaper that thrust the KHSAA and its rules back onto the front page. But, as 1994 quickly approached, it marked the beginning of a new year for the Association, now in its 77th season of creation.

Let's hope this year is more exciting on the playing field, and less exciting off. Happy New Year!

Conley Agrees To Promote Brick Sales

MINUTES

October 15, 1993

The Board of Control of the Kentucky High School Athletic Association met at the KHSAA Office in Lexington, Kentucky on Friday, Oct. 15, 1993. The meeting was called to order by President Ray Story at 8:30 a.m. with all Board members present. Others present were Commissioner Billy Wise, Executive Asst. Comm. Louis Stout, Assistant Commissioners Brigid L. DeVries and Larry Boucher, Bus. Affairs Manager Julian Tackett, KHSAA Attorney Danny Reeves and Michael Luscher, representing the State Department of Education. The Invocation was given by Stan Steidel.

Story made opening remarks regarding the procedure for matters to be brought before the Board. He requested that the July minutes be amended to read that emergency action was taken by the Board to accept liability insurance coverage on Board members from National Sports Underwriters until bids could be obtained through the proper procedures. Frank Welch moved that the minutes of the July meeting be amended. Grant Talbott seconded the motion which passed unanimously. Welch then moved to adopt the minutes of the July 16, 1993 meeting as amended. Talbott seconded the motion which passed unanimously.

Appeals heard by the East & West Eligibility Committees were voted on as follows:

East Eligibility on 9/1/93

1) Sonja Ritchie - Stan Steidel moved to accept, Cookie Henson second, passed unanimously;
2) James William Smith - Hicks moved to accept, Jackson second, passed unanimously;
3) David Lindsay - Jackson moved to accept, Hicks second, passed unanimously;
4) Kelly Wynn - Held to 10/14 East Eligibility Meeting.

West Eligibility on 10/14/93

1) Rafal Turo, Jens Bliemeister - Frank Cardwell moved to accept, Steidel second, passed 11-1;
2) Eric Martin - Cox moved to accept, Cardwell second, passed unanimously;
3) Elsa Dahle - Held to 10/15 Regular Meeting;
4) Stephen Wade Lear - Steidel moved to accept, Hicks second, passed unanimously.

East Eligibility on 10/14/93

1) Dantley Long, Darrell Whitenack, Chris Gammon, Wes Johnson - Jackson moved to accept, Cox second, passed unanimously;
2) Joe & Richard Alig - Jackson moved to accept, Henson second, passed unanimously;
3) Kelly Wynn - Welch moved to accept, Hicks seconded, passed unanimously.

President Story then called on Klaus Heberle who requested an appeal before the Board on behalf of his niece, Elsa Dahle, a foreign student desiring to participate in athletics at Atherton. Following his presentation and questions by the Board, James Sexton moved to go into Executive Session to discuss the case. Kathy Hopper seconded the motion which passed. Henson then moved to return to Open Session, Talbott seconded, passed. Hopper made a motion that the Board restore eligibility to Elsa Dahle due to the fact she is living with a relative. Sexton seconded the motion which failed by a vote of 6-6.

Welch made a motion, seconded by Jackson, that all bills of the Association for the period July 1 through Sept. 30, 1993, be accepted. The motion carried unanimously. Following a discussion of the Working Budget for the First Quarter, Steidel moved to accept. Story seconded. Passed unanimously.

Story then called on Lisa VonHalle and Mike Sullivan representatives of Miller, Mayer, Sullivan & Stevens, to discuss the 1992-93 Audit Report. VonHalle pointed out that the paragraph in the 1991-92 Independent Auditors' Report which referred to the KHSAA as a going concern was removed in the 1992-93 Report due to the fact that the Association is substantially stronger financially than in the previous year. Following questions and comments by the Board members, Jackson made a motion that the 1992-93 Audit Report be approved. Sexton seconded the motion which passed unanimously. Story thanked them for their attendance.

Story called on Commissioner Wise to advise the Board of a request from Christian Fellowship School in Benton relative to their appeal to join the KHSAA for the 1993-94 school year. Commissioner Wise advised the Board of the circumstances surrounding their request, his conversation with a State Department of Education official and his recommendation thereof. Following a discussion, Talbott made a motion that the Board waive the penalty for member schools playing Christian Fellowship during the 1993-94 school year and allow CFS to pay 1994-95 dues. Cox seconded the motion which passed 11-1.

Jackson made a motion, seconded by Welch, to go into Executive Session for the purpose of discussing financial matters. Rogers moved to return to Open Session. Steidel seconded the motion which passed. Following a discussion relating to the refinancing of bonds on the KHSAA Headquarters, Jackson made a motion, seconded by Hicks, that the Board approve the expenditure of a maximum of $3,500 for an appraisal on the new building. The motion passed unanimously. Rogers then moved that the Board approve the continuance of the refinancing process with the following contingencies:

1) No appreciable change in interest rates prior to closing;
2) Positive review by auditing firm;
3) Positive review by legal firm;
4) Positive review by independent financial authorities such as a University administrator or State financial advisor and State Department of Education officials;
5) Reasonable assurances from the Lexington-Fayette Urban County Government as to approval of the tax-exempt issue.

Cox seconded the motion which passed unanimously.

Commissioner Wise then presented an update of the First Quarter Budget. The Board accepted the Budget with no action taken.

Bus. Aff. Dir. Tackett and Grant Satterly of Krane, Satterly & Davidson, were called on to discuss a proposed rebate policy with regard to member schools dues for the Board's consid-

eration. Steidel moved to table this item until a later date. Jackson seconded the motion which passed unanimously.

Commissioner Wise requested that the Board approve the transfer of $54,498 from the General Fund to the Retirement Trust Fund and that the RTF Account be moved from Bank One to Montgomery & Traders Bank. This action would allow for sufficient cash in the RTF to cover retirement payments now being made and any payments of accumulated sick leave by retiring employees in the next few years. Talbott moved to accept the Commissioner's recommendation. Steidel seconded the motion which passed unanimously.

The Board then heard again from Ryan Todd of the Flying Zebras who appeared at the April Board Meeting to discuss a Three-on-Three fundraising proposal. The Board voted at that time to allow Todd to proceed with the plans and to report back at a later date. Following further discussion of the proposal and questions and comments by the Board, Sexton made a motion, seconded by Jackson, that the staff investigate the Three-on-Three proposal, seek avenues for the Board to sanction this fund-raiser and to bring back a recommendation for consideration. The motion passed 10-2.

Commissioner Wise requested the Board's acceptance of a loan modification from Montgomery & Traders Bank from a 10% simple interest rate to 9%. Cardwell made a motion to accept the Commissioner's request. Steidel seconded the motion which passed unanimously.

President Story called for a lunch break until 1 p.m.

President Story reconvened the meeting at 1:05 p.m. Board members not in attendance for the afternoon session were Cox and Jackson.

Following a discussion of the new Policy & Procedure Manual which includes the Board of Control Handbook and additional policies recommended in the Management Review, Jackson made a motion, seconded by Welch, that the consideration of the Policy Manual be tabled until the December meeting. The motion passed.

Commissioner Wise gave a progress report on the Management Review. He advised the Board that he and members of the staff have been meeting with various committees of the Task Force on Interscholastic Athletics. A full report by the Task Force is due in mid-November.

President Story then called on Ray Hornback to introduce Larry Conley, who agreed to chair a Court of Support Campaign for the sale of bricks to help pay for the KHSAA Headquarters and Hall of Fame Museum. Conley accepted the challenge and asked that all persons present work as hard as he will.

Asst. Comm. DeVries presented a recommendation from the Swimming Committee that would require a swimmer/diver to compete in at least two meets to be eligible for state competition. Talbott made a motion that the Swimming Committee's recommendation be adopted effective for the 1994 season. Sexton seconded the motion which passed unanimously.

Cardwell made a motion to authorize Commissioner Wise to issue 250 complimentary tickets each for the boys' and girls' state basketball tournaments and 250 to the state football playoffs. Jackson seconded the motion which passed unanimously.

Commissioner Wise then presented a proposed rental agreement for the use of the KHSAA Museum by the International Book Project, Inc. on March 4 & 5, 1994. Jackson moved to adopt the recommendation of the Commissioner. Henson seconded the motion which passed unanimously. Sexton noted that alcohol should be off limits at the event.

TeleCable representatives Jeff Carter, Dan Williams and John Colson presented a proposal summary for the delayed broadcast rights to the Boys' State Basketball Tournament for 1994. Following questions and comments, Rogers made a motion to accept the recommendation of the Commissioner by extending the contract with TeleCable for the 1994 Boys' BK Tournament. Welch seconded the motion which passed unanimously.

President Story called on Tackett to discuss insurance proposals for liability coverage for tournaments and for the Board of Control and Staff. Following questions and comments on the various quotes submitted, Talbott made a motion to accept the bid of United Community Insurance through Special Markets for the tournament liability at a cost of $8,604 through June 30, 1994. Hopper seconded the motion which passed unanimously. For the Board of Control and Staff liability insurance coverage, Hicks moved to accept United Community Insurance through Special Markets Insurance which carries a premium of $1,441 through 6/30/94. Henson seconded the motion which passed unanimously.

Exec. Comm. Stout reported that he, Asst. Commissioners DeVries and Boucher attended the National Federation Section II Meeting in West Virginia. Items of interest discussed were 1) the National Federation's financial concerns; 2) foreign exchange students; 3) soccer yellow cards; and 4) cost increase in National Federation rule books.

Reports distributed for the Board's information were summaries of the 1992-93 Appeals and the 1993 Boys' and Girls' State Basketball Reports.

In the absence of Football Committee Chair Jackson, Tackett submitted the Committee's recommendation for approval by the Board: 1) Reject a proposal from Knox Central that the pre-season practice schedule be revised. Talbott moved to accept, Sexton seconded, motion passed. 2) Move Class AAA State Football Finals from Saturday to Friday evening, Dec. 3 at 7:00 p.m. due to a conflict with a University of Louisville basketball game. Cardwell made a motion to accept, Hicks seconded, motion passed unanimously. 3) Deny Pike Co. Central's request to move to Class AAA. Talbott made a motion to accept, Cardwell seconded, motion passed 7-3. 4) Deny Middlesboro's request to move to Class A until after 1994. Hicks made a motion to accept, Talbott seconded, motion passed 9-1.

Cardwell made a motion to reconsider Pike Co. Central's request to move to Class AAA. Welch seconded the motion which passed. After further discussion on the matter, Frank made a motion to accept the Football Committee recommendation. Sexton seconded the motion which failed 4-5. The matter was deferred to the Dec. meeting.

Topics of brief discussion followed: KMA Sports Medicine Meeting, pending legal matters discussed by Attorney Danny Reeves, State VB Tournament at Fairdale, letter from Ken-

New NCAA Eligibility Rules Effective 1995

The following is a guide for coaches and counselors to use to certify that their student-athletes are on course to meet eligibility standards for collegiate competition. Effective Aug. 1, 1995, to be considered a qualifier at a Division I institution and to be eligible for financial aid, practice and competition during the first year, the student must:

1. Graduate from high school,
2. Present a minimum combined test score on the SAT verbal and math sections or a minimum composite score on the ACT as indicated on the index scale below:

Core GPA	SAT	ACT
2.5 or above	700	17
2.375	750	18
2.250	800	19
2.125	850	20
2.000	900+	21+

3. Present a minimum grade point average in at least 13 core courses in the following areas:

Course	Years
English	3*
Mathematics	2*
Natural/Physical Science	2
Additional Courses in Above Areas	2
Social Science	2
Additional Academic Courses	2

**Please note that student-athletes entering a Division I institution on or after Aug. 1, 1996 must present four years of English and the two-year requirement in mathematics must involve one year of algebra and one year of geometry.*

To be a qualifier at a Division II institution you must:

1. Graduate from high school,
2. Present a minimum grade point average of 2.0 in at least 13 core courses in the same areas noted above,
3. Present a minimum 700 combined score on the SAT verbal and math sections or a minimum composite score of 17 on the ACT test.

NCAA Rules For Summer Athletic Camp Funding

Recently there has been some discussion among college football coaches regarding high school students receiving funding to attend football camps during the summer.

The main issue has related to the raising of money by high school booster clubs or high school coaches for their student-athletes to attend camps on college campuses. The possibility certainly exists that funds are being raised from alumni of colleges and universities that may actually be recruiting these student-athletes.

There are NCAA regulations governing "representatives of athletic interests" and their involvement with high school booster clubs with this kind of situation.

The applicable rules come in the NCAA Manual under Precollege Expenses (13.16). One rule entitled "Involvement by Local Representatives of Institution's Athletics Interests" (13.16.1.2.1) reads as follows: "A representative of an institution's athletics interests may provide funding to benefit a high school athletics program located in the community in which the athletics representative resides, provided:

(a) The representative acts independently of the institution;

(b) The funds are distributed through channels established by the high school or the organization conducting the fund-raising activity;

(c) The funds are not earmarked directly for a specific prospective student-athlete.

Again, these are NCAA regulations and not high school athletic association rules, but they are important to note for high school athletes.

Few Rules Changes For '94 Football

KANSAS CITY, Mo. -- Beginning with the 1994 season, high school football players will be able to play with casts/splints or other hard substances on the hand, wrist, forearm or elbow, as long as the substance is covered with approved materials to protect the injury as directed by a licensed medial physician.

At its Jan. 7-9 meeting in Point Clear, Ala., the National Federation Football Rules Committee voted to allow hard, abrasive or unyielding substances on the hand, wrist, forearm or elbow if the substance is covered on all exterior surfaces with no less than 1/2 inch-thick, high-density, closed-cell polyurethane, or a material of the same minimum thickness and similar physical properties.

In addition, a licensed medical physician must approve in writing any playing cast or splint, and the document must be available for the contest officials to verify that the hard material is properly padded according to the guidelines.

The committee had the benefit of data from the NCAA, which has allowed casts with proper padding for 10 years, as well as from six state associations, including Kentucky, that experimented with the basics of this rule last season.

As a follow-up to last year's discussion of a ban on adhesive, sticky or tacky gloves, which was delayed until the 1994 season to allow development of a test standard, the Football Rues Committee voted that the gloves designed for athletic competition shall have an interior label securely attached or an interior stamp indicating voluntary compliance with test specifications on file with the Sporting Goods Manufacturers Association as of Jan.1, 1994.

At last year's meeting, the rules committee voted to prohibit the use of sticky or tacky gloves; however, that ban later was delayed until the 1994 season because of a timing concern for manufacturers, dealers and schools. In the interim, the SGMA coordinated the development of test standards, and gloves designed for athletic competition worn in the 1994 season must meet the standards.

The rule limiting manufacturer's logo/trade names to 1.5 inches by 1.5 inches square on a player's pants and jersey has been delayed two years. This rule now will affect jerseys and pants manufactured after Jan. 1, 1996, rather than Jan. 1, 1994. The question of whether to allow manufacturer's washing labels on the exterior of a uniform was referred to a joint National Federation/NCAA football committee.

Sportsmanship was the emphasis of two rules changes. Beginning next year, any substitute who leaves the team box and enters the playing field during a fight shall be ejected.

The committee also added taunting to the baiting rule and noted that any delayed, excessive or prolonged act by which a player attempts to focus attention upon himself shall be penalized as unsportsmanlike conduct.

The rules committee voted to allow officials to take a time-out in the case of extreme heat or humidity when there is a health risk for the players. Dick Schindler said this has been done for several years, but this change will give rule support for officials to call time-outs in these instances.

Football Rules Revisons For 1994

1-5-2c	Gloves designed for athletic competition shall have an interior label securely attached or an interior stamp (NF/NCAA Specifications) indicating voluntary compliance with test specifications on file with the Sporting Goods Manufacturers Association as of Jan. 1, 1994.
1-5-3c	Allows hard materials on hand, wrist, forearm or elbow when padded as specified if directed in writing by a licensed medical physician to protect an injury.
1-5-3k	Jerseys and pants manufactured after Jan. 1, 1996 shall have only one visible manufacturer's logo/trade name on each item and it shall not exceed 1.5 x 1.5 inches square.
2-9-1;6-5	On a scrimmage kick, R may only fair catch beyond the neutral zone.
3-5-7h	Officials may take a time-out when heat or humidity may create a health risk to players.
3-7-2	Replaced players shall leave the field immediately.
6-1-6	On a free kick, touching is ignored if K pushes R into contact with the ball.
6-5-6 Pen; 10-4-4d	Invalid fair catch signal will be penalized from the previous spot.
9-5-1b	Added "taunting" to the rule prohibiting baiting.
9-5-1c	It is unsportsmanlike if a player attempts to focus attention upon himself with any delayed, excessive or prolonged act.
9-8-1k	A substitute who enters the playing area during a fight shall be disqualified.

Editorial Changes

1-2-6	Redefined position of the goal line pylons as out-of-bounds at intersection of sideline and goal line extended.
1-3-4	Defined a kicking tee.
2-3-1;9-3	Reorganized coverage for illegal blocks, legal clipping and use of hands and arms when the ball is loose.
2-6-1;3-5	Reorganized coverage for authorized conference and official's time-out.
2-12-5	Coverage provided when the ball is dead in endzone with no player possession.
2-15-2c,g	Defined a live ball foul and a foul simultaneous with the snap.
2-18-2,3	Defined forward and backward handing.
2-28-3	Defined when forward pass has crossed neutral zone.
2-29-3;	A back may not have any part of his body breaking the plane of nearest teammates' waist.
6-5-5	Added coverage relative to touching by R.
7-5-2	Reorganized illegal forward pass articles and tables.
9-2-3e	Deleted duplicate coverage on blocking eligible receiver.

Enforcement Diagram 1c and 2b -- Added Illegal kick.

Other section affected: 2-10-1; 2-15-2e; 2-22-7; 2-42; 3-2-2,3; 3-3-4; 3-5-6; 4-2-2a(2); Note: 6-5-2; 7-3-2; 9-3-6; 10-3.

Points of Emphasis

1. Helmet Contact
2. Free-blocking zone

Tennis Looks To Eliminate State Tourney Byes

MINUTES

December 14, 1993

The State Tennis Committee met on Tuesday, Dec. 14, 1993, at the Kentucky High School Athletic Association Office in Lexington. Assistant Commissioner Brigid L. DeVries called the meeting to order at 1:30 p.m. Committee members present included Cliff Richardson, Jerry Johns, Terry Johnson, David Compton, Joe Kroh, Kathy Johnston, Jane Prince and Robert Hardin.

The first item on the agenda was a discussion of regional tournament sites. Written requests submitted to date by schools wanting to host regional tournaments were given consideration by the committee. They included requests from Lloyd Memorial , Apollo, and St. Xavier. DeVries will solicit further information on all regional sites. The dates of the Regional Tournaments are listed on the school calendar as the week of May 16, 1994.

The committee reviewed the regional information and made an addition regarding the Coaching During Play regulation on the Regional Information sheet. The committee recommended that the wording be changed to read "Barring injury, the coach MAY NOT enter the court enclosure. Coaching MUST be done from OUTSIDE the fencing." And that it should also be noted that "Parents may not talk to players during "split-set" rest periods.

The next item on the agenda was a discussion and evaluation of the State Tennis Tournament.

The committee reviewed the state information and made a few changes. It was pointed out that coaches need to communicate with the Seeding Committee prior to their meeting in case of a conflict with graduation, as it is impossible to change the times for play once the seeding has been made.

Johnston requested that a player's "Year in School" be added to the program for 1994.

Richardson suggested that the committee look at eliminating the byes in State Tournament play. DeVries appointed Richardson and Kroh to serve on a State Format Sub-Committee to study the possibility of eliminating byes in future tournaments. It was suggested the subcommittee present their report after the 1994 State Tournament.

Joe Kroh advised the Committee that in all probability there will be no Prince All-American Selections this year due to internal problems. Bob Love will serve again as Chairman of the 1994 Tennis Coaches Association All-State Committee.

DeVries reviewed the Constitution and By-Laws with regard to the Limitation of Seasons. It was noted that regular season play ends on the Saturday preceding regional tournament play. Committee members asked for a clarification regarding the start of the practice season.

The next item on the agenda was a discussion of the K.H.S.A.A. Tennis Regulations. The committee felt that these regulations were very helpful to tennis coaches, and encouraged schools to use a standard format in scheduling matches.

Prince announced that plans were being made for an Invitational Singles Tournament to be held in the spring in Owensboro. Information will be forthcoming to all schools. Rob Hardin asked that Ryle be added to the Boys' and Girls' Tennis Regions.

There being no further business the meeting was adjourned.

KAPOS Sets '94 Tournament Guidelines

Participating cheerleader and cheerleading coaches registration: all cheerleading squads and/or coaches are asked to stop by the *Kentucky Association of Pep Organization Sponsors* table to:

1. Register your squad.
2. Pick up important information and materials for your squad.

Along with a KAPOS Board member, there will be high school cheerleaders to assist you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn, they may seek you and your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides could not locate the desired person in time for the interview.

Hospitality Room: We remind all cheerleaders and coaches that you are cordially invited to have refreshments, socialize with friends, exchange ideas and perhaps get help with your problems at our hospitality room.

Attention Principals. If your team will be participating in the Sweet 16, included in the packet sent to you by the KHSAA will be a letter pertaining to your cheerleading squad. Be sure to look for this and relay all information to your cheerleading coach. We request your cheerleaders be chaperoned by a well-qualified, school-approved adult. Verification of this, along with your cheerleading coach's name, must be reported in the letter of confirmation which you will receive. This letter must be in the hands of the KAPOS officer prior to the time your cheerleaders take the floor.

Important: Please be sure your school is a paid member of KAPOS or pays the fee before their first game in order for your squad to compete for the cheerleading awards in the State Tournament. The winners will be determined by use of a KAPOS Judging Sheet — a copy appears in the KAPOS Handbook.

Awarding Trophies

KAPOS is pleased to honor outstanding cheerleading squads with recognition they so well deserve. All cheerleader awards will be presented between games on Friday night of the State Tournament. The awards are as follows:

The winning cheerleading squad in the Boys' Sweet 16 will receive the Ted Sanford Trophy; the Girls' Sweet 16 winner will receive the Tom Mills Award. The runner-up cheerleading squads will receive a trophy, with third- and fourth-place squads receiving plaques. In addition, the Special K-Pep Award will be presented. All tournament cheerleading squads and their coaches are asked to be located close to the playing floor so they can easily come on the floor should they win an award.

Sportsmanship Month

While every month should be Good Sportsmanship Month, KAPOS has always tried to put special emphasis on being a good sport at tournament time. Being a good sport is part of being a good citizen. We don't believe good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the tournament and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Brereton Jones. The Governor's proclamation is on display at the KAPOS table. Remember, Be A Sport!

State-At-Large Champions

Recognition is annually given to the cheerleading squads other than those 16 fortunate enough to participate with their teams in the State Tournament. The winner will receive the Jane Meyer Trophy, while the runner-up will receive the KAPOS President's Trophy. Plaques will be given to the third- and fourth-place squads.

Beginning at the district level, all squads that are KAPOS members are eligible to be judged for the honor of representing their district in the KAPOS Region-At-Large cheerleading competition. The winner and runner-up of each district will progress to the region. In turn, the girls' varsity winner and runner-up and the boys' varsity winner and runner-up from each region is allowed to compete for the title of State-At-Large Cheerleading Champions.

Judging for the Girls' State-At-Large winners will take place at 8:30 a.m., Saturday, March 19, at Greenwood High School in Bowling Green. Judging for the Boys' State-At-Large winners will take place at 8:30 a.m., Saturday, March 26, at the Louisville Gardens. The public is invited to these outstanding events. The admission charge of $4 will go toward the expenses of the KAPOS scholarship award — details are supplied below.

At the conclusion of the judging, trophies will be awarded to the top squads in addition to several special awards.

Notes To Administrators

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effective.

Again, we need judges and personnel help at the tournament. This involves at least 12 to 15 people. It is also backbreaking, tiresome work. However, we have many dedicated persons who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS Board is seeking your understanding and cooperation should you be asked to release a teacher from his or her duties to help carry on the work KAPOS is doing to make cheerleading a worthwhile educational experience in the state of Kentucky.

Stella S. Gilb Scholarship

KAPOS is happy to annually award the Stella S. Gilb Scholarship to outstanding cheerleaders from Kentucky. In 1993, KAPOS awarded ten $500 scholarships to well-deserving cheerleaders. One of your cheerleaders may be a potential scholarship winner, so get your applications in early. Applications must be turned in no later than April 30. Contact a KAPOS Board member or officer for application forms or pick them up at the State Tournament KAPOS table.

KAPOS Services

Maintains an affiliation with

the KHSAA in order that we may help them and they may assist us in any way possible to promote good sportsmanship in the state of Kentucky.

· Maintains continual communication with cheerleading coaches in the state to ascertain their needs, problems, suggestions and criticism.

· Holds judging clinics to promote better understanding between cheerleading coaches and judges and to encourage consistency in interpretation of KAPOS rules and recommendations.

· Sponsors awards to outstanding cheerleading squads at the district, regional and state levels.

· Sponsors the judging of outstanding cheerleading squads for Sweet 16 competition.

· Sponsors Sportsmanship Month during March.

Winning Isn't Everything

ost school athletic programs in the United States seem to have forgotten, not whether you win or lose, it's how play the game."

mpetitive sports are an important part hool. So important, in fact, that they ctly are billed as "co-curricular," in words, athletics are so closely linked hooling in the United States that ing them as "extra" is misleading. But s all the more reason the methods, s and philosophies of contemporary ol sports programs should be examined ly

Things are getting out of hand.

a nutshell, students in kindergarten gh twelfth grade are ports professionals — they should not be ed as such. Winning t be essential for pro- onal athletes, but ing never should be ost emphasized goal ementary, junior high ol or high school s. These days, how- the need to win has me so pervasive in ols that students etimes actually are ented from partici- g in the school's most sports programs.

ow many times, for nce, have you hed a basketball game hich a team is ahead 0 points, but the sub- es are allowed to play during the last minute o of the game?

inning is wonderful, here's nothing wrong trying to win every e that is played. But ing shouldn't be the lesson of school s or the only message athletic programs give students. It's we remind ourselves — and our nts — that all sports trophies gather is It's the other lessons of school sports stay with a student for a lifetime and e winners of all student-athletes.

esson No. 1: How to win and lose. hroughout life, everyone must deal ith success and failure, and the early training many students receive through school sports affects how they accept and react to good and bad events as adults. If winning constantly is flaunted — if defeat is always someone's fault — then school athletics are a poor training ground for helping kids develop sound reactions to all types of success and failure.

- **Lesson No. 2:** How to compete. Most individuals and teams enter contests hoping to win; what they should learn is how to put forth their best efforts. Teaching students to make and effort gives them a competitive edge for life's later "contests."
- **Lesson No. 3:** How to cooperate. In any team sport, individuals not only need to be the best they can be, but they also need to know how to work together successfully. Learning cooperation is the first step toward understanding that group effort often is necessary to achieve productivity and success as adults.
- **Lesson No. 4:** How to participate. Too often, people sit and watch — whether the game is in the high school gymnasium or on television. Participation in sports and fitness programs, especially beginning in elementary school, can help kids establish a pattern of good physical fitness habits for life.
- **Lesson No. 5:** How to work toward a goal. To be good at anything requires practice. When student-athletes continually work to improve athletic skills, they should learn that any skill can be improved by continued work. Individual potential varies, of course, but learning how to reach potential is an acquired skill.
- **Lesson No. 6:** How to develop self-discipline. Practice makes perfect, but self-discipline keeps the practice consistent. Discipline in school sports help teach youngsters that, to a large extent, they control how much they achieve.
- **Lesson No. 7:** How to sacrifice. Being a team player involves learning to put the team first. It also involves learning to set priorities and deciding how much time and effort are needed (as well as how many other pleasures and activities must be forgone) to reach a goal.
- **Lesson No. 8:** How to develop new skills. The team sports skills students learn in school cannot always be used in later life. They can, however, teach kids how to experiment to determine which skills they might be able to use later — including individual sports that can provide a lifetime of healthy physical activity.

"It's time we remind ourselves — and our students — that all sports trophies gather is dust. It's the other lessons of school sports that stay with a student for a lifetime and make winners of all student-athletes."

It's time school systems stop directing their sports programs to star athletes and start paying full attention to making sure sports programs teach these eight lessons to all students. As successful coach a sportscaster Al McGuire has pointed out, "Winning is overemphasized. The only time it is really important is in surgery and war."

We must take his words to heart.

KHSAA Hall of Fame

Eligibility
Eligibility for the KHSAA Hall of Fame is based on high school accomplishments and contributions only. Any player who has been out of high school eight years, or any coach, administrator or official who has distinguished themselves in their respective field is eligible.

Nominations
Anyone can nominate a person for the Hall of Fame. Nomination deadline is April 1. An official KHSAA Hall of Fame nomination must be completed for each nominee. Additional information can also be submitted with the nomination form.

Selection
Twenty people will be inducted into the Hall of Fame each year. A selection committee will meet the third Friday of April in Lexington to pick the inductees.

Group Demographics

The group of 20 persons must include at least:
- five "senior" inductees over the age of 60;
- two women
- two minorities
-one representative from the following combined regions:
1-2;3-4;5-6;7-8;9-10;11-12;13-14;15-16.

Instructions

All information on this form must be completed and received by the Kentucky High School Athletic Association before April 1. The completed nomination form and support materials should be sent to:

Dawahares-KHSAA Hall of Fame
2280 Executive Drive
Lexington, KY 40505

Once the nomination form is received by the KHSAA, all actions necessary to the selection process shall remain confidential. All information submitted shall be retained by the Hall of Fame.

Please include a limited number of newspaper clippings, magazine articles and other supportive materials that would be helpful to the Hall of Fame Screening Committee.

General Criteria

Nominees must exemplify the highest standards of sportsmanship, ethical conduct and moral character.
Athletes would be former student-athletes who are being nominated for their achievements in interscholastic atletics. Coaches would be considered on the merits of their high school coaching achievemtns only and officials on the basis of their service as a high school official.

ALL CANDIDATES WILL BE JUDGED ON THEIR SIGNIFICANT AND/OR LONG-TERM CONTRIBUTIONS TO INTERSCHOLASTIC ATHLETICS.

Accomplishments at the college or professional level will not be considered by the selection committee.

Thanks To Girls, Sports Participation Rising

KANSAS CITY, Mo. — Thanks to a large increase in girls' sports programs, participation in high school athletics increased for the fourth straight year (and eight of the past nine years) in 1992-93, according to the annual sports participation survey conducted by the National Federation.

The National Federation has compiled the survey since 1971 based on figures from the 51 state high school athletic/activity associations that are members of the National Federation.

The 1992-93 sports participation total of 5,413,878 is up 43,224 from the previous year and is the highest mark since 5,563,912 in 1978-79. The total is composed of 3,416,389 boys, down 13,464 from 1991-92, and 1,997,489 girls, up 56,688 from the previous year. The girls' total is the second highest ever and only 85,000 off the all-time record of 2,083,040 in 1977-78.

"These figures are very encouraging given the budget problems that are occurring in high schools nationwide," said Robert F. Kanaby, executive director of the National Federation. "It is obvious that the interest in high school athletic programs continues to remain very high amongst our student population and that schools are finding new and unique ways to provide opportunities for participation."

Participation in high school athletic programs hit an all-time high of 6,450,482 in 1977-78, which was the height of high enrollments in high schools nationwide resulting from the "baby boom" generation of the late 1950s and early 1960s.

With the exception of a slight decrease from 1987-88 to 1988-89, participation has risen each year since the 1984-85 year. The 1984-85 totals stopped a six-year downward spiral in which participation dropped five years.

Increases in volleyball and soccer accounted for a large part of the rise in girls' participation totals. Volleyball participation was up 19,107, and soccer added an additional 13,751 participants from the previous year. Other notable increases for girls were track and field (7,759), basketball (5,974) and cross country (5,812).

Soccer is now the fifth-most popular sport for girls, supplanting tennis, which dropped to sixth after a decrease of 2,500 participants. Girls' soccer participation has increased from 23,475 in 1979 to 149,053 this past year and has moved from No. 12 to No. 5 in popularity.

The only other change in girls' top-10 sports was slow-pitch softball moving from No. 11 to No. 10, trading places with golf, which declined by 4,099 participants.

Basketball remains the most popular girls' sport with 397,586 participants, followed by outdoor track and field (334,942), volleyball (313,055), fast-pitch softball (225,638), soccer (149,053), tennis (136,919), cross country (116,221), swimming (93,545), field hockey (51,092) and slow-pitch softball (42,884).

Soccer also registered the top increase in school sponsorship among girls' sports with an additional 311 schools sponsoring the sport in 1992-93. Other girls' sports that recorded jumps in school sponsorship were golf (264), cross country (149), volleyball (142), fast-pitch softball (142), outdoor track and field (120), tennis (54) and basketball (34).

Boys' participation dropped slightly, with only three of the top-10 sports registering increases. Basketball, soccer and cross country had more participants on the boys' side in 1992-93, with the other seven sports experiencing decreases.

Interest in boys' soccer continues to parallel growth in girls' competition. Soccer is the fifth-most popular sport for boys with 242,095 participants. In 1979, boys' soccer had 132,073 participants and ranked eighth nationally. In 13 years, participation has increased 110,000, and the sport has moved past tennis, cross country and wrestling in popularity.

Cross country also had a big gain with 5,417 additional participants for a 1992-93 total of 159,536. Basketball was the other boys' sport that gained participants from the previous year, adding 2,896.

Despite a decrease of 2,438 participants, football remains the most popular sport for boys with 910,407 participants. Basketball is a distant second with 521,023, followed by baseball (430,401), outdoor track and field (412,638), soccer (242,095) wrestling (222,025), cross country (159,536), tennis (138,177), golf (129,001), and swimming (78,474).

In terms of school sponsorship, however, nine of the top 10 boys' sports registered increases, topped by golf with 231 additional schools. Others with large increases in school sponsorship were tennis (156) and soccer (112).

In the listing of participants by state, Texas remains No. 1 with 528,476, followed by California (462,107), New York (296,440), Ohio (277,191), Michigan (261,460), Pennsylvania (211,800), Illinois (195,423), New Jersey (188,147), Wisconsin (157,406) and Florida (150,287).

The 1992-93 sports participation survey is printed in the 1993-94 National Federation Handbook, which is available from the National Federation, 11724 NW Plaza Circle, Kansas City, MO 64195-0626.

LARRY CONLEY, ESPN ANALYST, TO HEAD STATEWIDE CAMPAIGN

Larry Conley

Heading the KHSAA **Court of Support Campaign** is Larry Conley, an Ashland, Ky., native and current ESPN basketball analyst. Conley was an all-state basketball player at Ashland High School and led the Tomcats to the 1961 KHSAA Sweet Sixteen Championship. He later starred at the University of Kentucky and was a member of the famed Rupp's Runts squad which finished as NCAA Runners-up in 1966.

He still maintains close ties to his eastern Kentucky roots, serving on the board of the Citizens National Bank in Paintsville.

Billy Wise, Commissioner of the KHSAA, remembers Larry as "...one of the grittiest players I ever saw. He truly was a great player and now is one of the finest sportscasters in the country. We are so very pleased to have him head the **Court of Support Campaign**."

Conley also hails from a prominent Kentucky sports family. His father George was a high school coach and an outstanding basketball official at the high school and college level. Conley's sister coached basketball at Ashland Paul Blazer High School.

"Kentucky High School athletics did a lot for me and my family, and I feel strongly about heading this most worthwhile project," Conley said. "I urge you to purchase a brick, or bricks, to honor the deserving recipient of your choice. It will mean so much to you, your friends, and most of all to the young people of Kentucky who will benefit."

MEMORIAL BRICKS ARE AVAILABLE TO HONOR PERSONS, TEAMS, OTHERS

The Kentucky High School Athletic Association **Court of Support Campaign** is a state-wide effort, offering to the people of Kentucky an opportunity to forever memorialize individuals or groups in this uniquely designed likeness of Kentucky.

The **Court of Support**, made up of 19,000 bricks, is located in front of the KHSAA's new building in Lexington, at the juncture of I-75 and US 60. When you purchase a brick it will be placed in the section of the state you choose and can recognize and memorialize a favorite coach, athlete, team, school, community, business or topic of your choice.

Bricks range in size and cost, from two lines of information on a 4 x 8 brick for $100, to three lines on a 6 x 8 brick for $300, to four lines on an 8 x 8 brick for $500. You also will receive a handsome certificate for display, which includes a likeness of your brick with your information on it.

Funds raised through the **Court of Support Campaign** will be used to retire the debt on the beautiful new structure, as well as provide se money to develop a first class museum of hi school athletics in Kentucky in space design for this purpose in the new building.

Your participation in this endeavor w provide a lasting memorial on one of the Co **of Support** bricks. And it will provi significant financial support to the schools a young people of Kentucky as the KHSA enters its 77th year of service. RICHMOND, KENTUCKY

Citing health and family reasons, Billy V. Wise announced Feb. 24 that he will retire after the 1993-94 school year as Commissioner of the Kentucky High School Athletic Association.

Billy V. Wise

The announcement, made in the Board room of the KHSAA headquarters, came in front of a room full of media, family, friends and Board of Control members. "It's been an eventful 25 years, but now its time for me to step down," an emotional Wise read from a prepared speech. "It's time for fresh blood and a stronger back."

The announcement comes on the heels of a refinancing deal with Fifth Third Bank of Central Kentucky which gives the KHSAA a stronger financial base for the future. Wise, who served as commissioner for three years, said he took over the KHSAA with $14,000 and a $500,000 debt not covered by the bond issue for the newly constructed KHSAA headquarters. "I have found out that not all inheritance is good," Wise said.

The Stamping Ground, Ky., native has plans to spend more time with his wife and keep a closer eye on his health. He underwent quadruple by-pass heart surgery in 1985.

According to Board President Ray Story, a new commissioner will be hired by July 1, 1994. The Board will take applications for the position until April 15.

Wise began his career with the KHSAA as an Assistant Commissioner in 1969. He was promoted to Executive Assistant Commissioner in 1979 and became the Association's fourth full-time Commissioner in 1991, replacing Tom Mills. He holds the distinction of working for each of the three previous Commissioners.

Wise To Retire

(From Page 3)

Wise, 61, graduated from Stamping Ground High School in 1950 and began his collegiate studies at Campbellsville Junior College. He received his Associate's Degree in Physical Education and Science before entering the United States Army for a two-year stint of active duty. After serving in Germany, he enrolled at Transylvania University and graduated in 1957 with a Bachelor's degree in PE and Science.

After graduation, Wise began his professional career with the City of Lexington as Director of Athletics where he stayed until joining the KHSAA. He later enrolled at the University of Kentucky and earned credit toward his Master's Degree. He was also a high school and college football and basketball official, successfully working his way up to the Division 1 level in basketball in the Southeastern and Ohio Valley conferences. He also officiated professional football in the Continental League.

As Commissioner, he has interpreted the rules and regulations of the KHSAA, supervised the management of the KHSAA's 30 championships and overseen all daily operations of the KHSAA headquarters. Wise's tenure has been marked by the financial revitalization of the Association's operations. He was instrumental in the KHSAA's recently completed, year-long effort to refinance its long-term debt and stabilize its operations for the future.

For the National Federation -- the national ruling body of high school sports -- Wise served one four-year term on the Football Editorial Committee, two four-year terms on the Basketball Rules' Committee and a term on the Competition Committee. For 22 years, he conducted rules' interpretation clinics for coaches and officials in football and basketball across the state of Kentucky.

From 1988-91, he served as President of the Mended Hearts National Organization, Chapter 511 in Lexington. Wise is married to the former Bonnie Goodan of Lexington and both are very active in the North Lexington Church of Christ. They have two sons, Steve and Gary, one daughter, Melissa, and three grandchildren.

VACANCY ANNOUNCEMENT FOR COMMISSIONER

The Kentucky High School Athletic Association is accepting applications for the position of Commissioner. The vacancy is the result of the retirement of the current Commissioner, Billy Wise. This individual serves as the chief administrative officer of the Kentucky High School Athletic Association, a non-profit organization whose members are accredited high schools of Kentucky. The mission of the Association is to foster among its member schools a broad program of supervised school athletic competitions as an integral component of the total education of students.

QUALIFICATIONS

• Professional education experience commensurate to job responsibilities;

• Demonstrated ability to plan and direct the level of programming and activities comparable to the Association's programs of competitions and activities;

• Ability to supervise the KHSAA office and staff, prepare an annual budget, manage the Associations' finances and publications, and provide leadership in day-to-day operations;

• Demonstrated expertise in public relations necessary to secure professional, lay and parental support throughout the Commonwealth for the Association and its activities.

• Demonstrated effective leadership skills for working with the Association's membership and committees and related governmental agencies, boards and groups to establish organizational goals in the realization of the mission of the Association.

Special consideration will be given to candidates with advanced degrees and/or experience in a high school athletic association and/or high school/central office administration. The successful candidate must qualify for membership in the Kentucky Teachers Retirement System. The successful candidate would be expected to live in the Lexington area.

TERMS, SALARY AND BENEFITS

Employment will begin July 1, 1994. Salary will be a minimum of $70,000. Benefits include individual health insurance, retirement, and annual paid leave for personal illness and vacation.

APPLICATION PROCEDURES

Persons interested should submit a resume with five (5) letters of recommendation to:

Ray Story, President
KHSAA Board of Control
P.O. Box 562
Vine Grove, KY 40175

Completed applications and supporting materials must be submitted no later than 5 p.m. on Friday, April 15, 1994.

The KHSAA is an equal opportunity employer.

Delegates Pass Coaches Certification

FEBRUARY 25, 1994

The 77th Annual Meeting of the Kentucky High School Athletic Association was held on Friday, Feb. 25, 1994 at the KHSAA Office Building, 2280 Executive Drive, Lexington. The invocation was given by Frank Cardwell.

President Ray Story called the meeting to order at 10 a.m. and welcomed all representatives. Story then called on Commissioner Billy Wise for any remarks he might like to make due to the fact he will retire at the end of 1993-94 school year. Wise welcomed the Delegation and asked them to feel free to use their Association Headquarters for any purpose. He expressed his thanks for the schools' support during his tenure with the KHSAA.

Exec. Asst. Comm. Louis Stout called the roll with fifty-seven elected delegates or alternates answering. President Story announced that in order for a proposal to pass, 38 affirmative votes were needed.

Story announced that due to the early date of the Annual Meeting, the Annual Report would be published at a later time.

The next order of business was the presentation of proposals.

PROPOSAL I

Principal Mike Duncan, West Hopkins High School, proposes the following amendments to the KHSAA Constitution:

Amend Article IV, Section 2(c) to read as follows:

ARTICLE IV

ADMINISTRATION AND LEGISLATION

c. DELEGATE ASSEMBLY - Each member school of the KHSAA and other affiliate organizations designated for representation according to Article V shall designate a representative for the annual meeting to serve as a DELEGATE and shall submit the name to the Commissioner on or before November 15. ~~Members of the annual meeting of the Delegate Assembly shall be elected by the representatives of members schools in each basketball district on ballots distributed by the Commissioner before October 1 to be returned on or before November 15.~~ DELEGATES ~~and alternates~~ shall serve for a term of one year beginning January 1 immediately following their designation by the school ~~election~~. Each DELEGATE ~~and Alternate to the Delegate Assembly~~ must be an employee holding a valid Kentucky Teaching Certificate issued by the

Department of Education and be an employee of an accredited member school or system which is in good standing with the KHSAA and the school involved must be a school in the district which the delegate ~~or alternate~~ is to represent. If the duly elected DELEGATE ~~or alternate~~ does not answer the roll call at the annual meeting of the Delegate Assembly, the school shall remain not represented.

ARTICLE V - REPRESENTATION AT THE ANNUAL MEETING

In the annual meeting of the Association, the DELEGATES shall consist of one representative from each member school of the Association ~~basketball tournament district of the state~~. The ~~Executive Secretary of~~ Kentucky Coaches Association, the ~~president or designated alternate of the~~ Kentucky Girls Sports Association, and the ~~president of the~~ Kentucky High School Athletic Directors Association shall also be ~~voting members~~ entitled to designate a voting member to ~~of~~ the Delegate Assembly. The ~~representatives shall be the delegates to the next annual meeting following their election, and~~ DELEGATES shall ~~there~~ transact all business of the annual meeting. None but these delegates ~~or duly elected alternates~~ shall have the right to vote in the annual meeting. There shall be no vote by proxy.

RATIONALE: Schools within a district are different sizes, have differing sport offerings and different student populations. This might cause their opinion on a proposal to differ from the others in a district. Each school needs to have its vote counted. This is also in line with recommendation #3 of the Task Force on Interscholastic Athletics and allows the member schools to have control over their association which has been approved by the State Board of Education.

Tasso Harris moved, seconded by Jerry Mayes, that Proposal I be adopted. The motion failed by a vote of 36-18. (Motion needed 38 affirmative votes.)

PROPOSAL II

Principal Tom Swartz of Johnson Central High School, proposes the following amendments to Bylaw 27, Limitation of Seasons:

Amend subsection (2) under Bylaw 25, Sections 1 through 12 to allow for a maximum of four (4) scrimmages in each sport prior to the first regular season contest of that year. This would also change the relevant question and answer interpretations in the Handbook.

RATIONALE: Allow for total enforcement of limit in preseason and clear ambiguity as it relates to non-varsity and varsity scrimmages. Coaches at different levels within a school could coordinate the scrimmage schedule and yet allow for proper preseason preparation.

Tom Swartz moved, seconded by Bob Wright, that Proposal II be adopted. The motion failed 10-44.

PROPOSAL III

Principal Perry Sangalli, St. Xavier High School, proposes the following for inclusion in KHSAA Bylaw 27, Requirement for Coaches:

COACHING CERTIFICATION

a) Definition

The training/certification program will provide a systematic, integrated, and practical approach in disseminating useful information to coaches in all sanctioned sports.

b) Qualifications/Limitations

Beginning in 1996-97, all Level II and III coaches, and newly hired Level I coaches hired for the first time in a district representing the member schools are to have completed an approved coaching certification program. It is strongly recommended that all coaches be provided the opportunity to attend the certification course.

c) Certification course/Provisions

All Level II and III coaches and newly hired Level I coaches hired for the first time in a district representing the member schools shall successfully complete the coaching certification course "Successful Coaching" published by the National Federation Interscholastic Coaches education program with the following provisions:

(1) All Level II and III coaches and newly hired Level I coaches hired for the first time in a district shall attend

Board Votes To Credit School Dues $200

MINUTES

JANUARY 23, 1994

The Board of Control of the Kentucky High School Athletic Association met at the KHSAA Office in Lexington, Ky., on Sunday, Jan. 23, 1994. The date of the meeting was amended due to the winter weather. President Ray Story called the meeting to order at 4 p.m. Present were all Board members, Commissioner Billy Wise, Executive Assistant Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Business Manager Julian Tackett, S.I.D. Brooks Downing, Board attorney Danny Reeves and Gary Faulkner, representing the State Dept. of Education. The invocation was given by Stan Steidel.

Claudia Hicks made a motion that the minutes of the Dec. 3-4, 1993, meeting be approved. Ozz Jackson seconded the motion, which passed unanimously.

Grant Talbott made a motion, seconded by Frank Cardwell, that the bills of the Association for the period Nov. 24 through Dec. 31, 1993, be approved. Following questions, the motion passed unanimously.

The 1993-94 Working Budget was then presented for discussion. Following questions and comments, Jackson made a motion to accept, seconded by Cookie Henson. The motion passed unanimously.

Commissioner Wise presented a contract from TeleCable to televise on a delayed basis the Boys' State Basketball Tournaments for years 1994 through 1996 and recommended approval of the contract. Cardwell made a motion to accept the Commissioner's recommendation. Bob Rogers seconded the motion which carried 11-1.

Next followed a lengthy discussion regarding a dues rebate. Grant Talbott made a motion, seconded by Stan Steidel, to credit each member school $200 for the 1994-95 school year. The motion passed 9-3. The dues will be billed as follows: 0 - 400 enrollment, $800 less $200 credit; 401 - 610, $1,000 less $200 credit; 611 - 899 enrollment, $1,200 less $200 credit; 900 enrollment and up, $1,400 less $200 credit.

The Management Review was the next item presented for discussion. For referral purposes, a copy of this Review is made a part of these Minutes. Hicks made a motion, seconded by Kathy Hopper, that Review Recommendations 1, 2 & 36 be referred back to the Blue Ribbon Commission for the March meeting. The motion passed unanimously. Steidel made a motion, seconded by Hopper, that Recommendation 3 be referred back to Asst. Comm. Boucher for a report at the March meeting. The motion passed unanimously. Bob Rogers moved to adopt Recommendation 4. Ken Cox seconded the motion which passed by a vote of 11-1. Due to the fact that Recommendations 33 & 67 require a legislation change, the Board took no action.

The Board then addressed Recommendations from the Task Force on Interscholastic Athletics (Blue Ribbon Commission) as follows:

(5) KHSAA Bylaw 4 should be amended to permit eight consecutive semesters of eligibility upon entering the ninth grade.

Wise's Recommended Action:

Recommend implementation of the recommendation verbatim with approval from the State Board of Education at its next meeting.

Stan Steidel made a motion to accept Item (5) as recommended, but suggested that language be included as to how this implementation will be grandfathered in, i.e. beginning with 10th graders in 1994-95. Cardwell seconded the motion which passed unanimously.

(6) The KHSAA should consider amending Bylaw 6 to permit open choice with the opportunity to transfer.

Wise's Recommended Action:

Recommend approval of recommendation without opportunity to transfer "free", and remove "evident injustice" clause from current Bylaw 6. After enrollment in grade nine (9), only transfer approved would be under four exceptions ennumerated within bylaw.

Cardwell made a motion to accept Item (6) as recommended. Ken Cox seconded the motion, which passed unanimously.

(7) The KHSAA should address any areas of abuse with foreign exchange students. Any rule inhibiting stopping this abuse of the rules should be amended.

Wise's Recommended Action:

Recommend approval of item as to intent. Would insert into Bylaw 6, "Any foreign student not coming through an approved agency may request a waiver of ineligibility through the KHSAA Due Process Procedure." In addition, Recommendation 17 will eliminate bylaw which inhibits enforcement, and Bylaw 10 can be restructured to include recruitment of students while coaching abroad.

Talbott made a motion to study further Item 7 and that the Board should seek input from schools. Jackson seconded the motion which passed unanimously.

(8) Consider taking the following actions regarding the number of games and length of seasons:

(a) Reduce the number of contests for each sport to:

Baseball	30	Soccer	17
Basketball	22	Softball	30
Cross Country	13	Wrestling	17
Golf	16		

Wise's Recommended Action:

Recommend implementation as requested.

Story made a motion to adopt Item 8a as written. Cardwell seconded the motion. Cox then moved to amend the motion to change the number of basketball games to 24. Steidel seconded the amendment. The amendment to the motion passed 10-2. The Board voted 11-1 in favor of the amended motion.

(b) Reconsider how tournament games are counted so that a team cannot play six games more than a school that does not participate in tournaments. One possibility is to count basketball, baseball, and softball tournaments as two games instead of one since most teams play at least two games. Single elimination tournaments should continue to be counted as one game against the limit.

Wise's Recommended Action:

Implement wording that "double elimination tournaments, tournaments which quarantee a minimum of two games prior to the tournament (consolation, double backs, losers bracket, etc.), and other altered formats where teams are assured of multiple games would count two games against the limit. Single elimination

tournaments with 16 or less entrants would count one game against the limit.

Stan Steidel made a motion to accept Item 8b as written. Ozz Jackson seconded the motion which passed unanimously.

(c) Consider setting some limitations on weekly participation for each sport.

Wise's Recommended Action:

Direct each school through Limitation of Seasons to not schedule interscholastic athletic competitions on four consecutive days beginning with Monday during any one week (Monday through Thursday). This "one day off" rule may vary between sports and among schools but would insure one day without interscholastic competition.

Steidel made a motion to accept Item 8c as recommended. Rogers seconded the motion which passed 11-1.

(d) Require all regular season contests to be held Monday through Thursday to be completed by 10:30 p.m. to enable students to return home in a timely manner.

Wise's Recommended Action:

Implement as recommended with further study for impact of games already in progress or delayed by circumstances beyond control of administration and officials (lightning, electrical problems, rain, etc.).

Rogers made a motion to accept Item 8d as recommended. Steidel seconded the motion which passed unanimously.

President Story called on Faulkner to address specific items recommended by the Task Force. Following comments by Faulkner, Jackson made a motion that the Board go into Executive Session to discuss possible proposed litigation. Steidel seconded the motion which passed unanimously. Cardwell made a motion, seconded by Jackson, that the Board return to Open Session. No action was taken in Executive Session. The meeting was adjourned at 7:45 p.m. to be reconvened at 8:30 a.m. on Monday, Jan. 24.

January 24, 1994

President Story called the meeting to order at 8:37 a.m. on Monday, Jan. 24, 1994 with the following persons present: all Board members, Commissioner Billy Wise, Executive Assistant Louis Stout, Assistant Commissioners Brigid DeVries and Larry Boucher, Business Manager Julian Tackett, S.I.D. Brooks Downing, Board attorney Danny Reeves and Gary Faulkner, representing the State Dept. of Education.

Steidel, Chairman of the Basketball Committee, was called on to present its report.

1) Recommended that officials be assigned in the following manner as requested:

Reg. #	Dist Off	Reg Off
1	In	Out
2	In	Out
3	Out	Out
4	Out	Out
5	In	Out
6	In	Out
7	In	Out
8	In	Out
9	In	In
10	In	Out
11	In	Out
12	In	Out
13	Out	Out
14	Out	Out
15	Out	Out
16	In	Out

Rogers moved to accept the Basketball Committee's report and to accommodate, when possible, the request of the Committee in the assignment of basketball officials for the district and regional tournaments. Hopper seconded the motion, which passed unanimously.

2) Recommended that the Board approve a request from the Ky. Basketball Coaches' Association to allow an active school employee to serve as a non-voting member of the KHSAA Basketball Committee. Jackson made a motion that this recommendation be accepted. Cardwell seconded the motion which passed unanimously.

3) Recommended by the Basketball Committee to allow Mayfield High School to move from District 4 to District 3 for the 1994-95 school year. Jackson made a motion to accept this recommendation. Cardwell seconded the motion which passed unanimously. Rogers noted that movement of Mayfield into District 3 and the addition of the new Christian Fellowship HS into District 4 would create an equalization of Region I.

4) Recommended that Woodbridge Academy be assigned to District 41 for the 1993-94 school year as requested. Cox made a motion to approve this recommendation, seconded by Jackson. The motion passed unanimously.

Hicks, Chairperson of the Sports Structure Committee, reported that the Committee is working on a rotation plan for members of KHSAA Sports Committees and would report at a later time.

At this time, the Board returned to a discussion of Items 9-13 recommended by the Blue Ribbon Commission.

(9) Consider taking the following action regarding scrimmages:

(a) Establish clear guidelines for scrimmages to ensure that they are controlled instructional opportunities and not exhibition games.

Wise's Recommended Action:

Require clock and score to be reset at end of each period, and no aggregate score or time kept. We must be mindful that this is to simulate game conditions not only to build on one's athletic ability and team play, but as a safety factor as teams prepare for the season.

Rogers made a motion to accept the Commissioner's recommendation of Item 9a as written. Cox seconded the motion which passed unanimously.

(b) Establish a reporting system which includes input from schools and officials on all scrimmages.

Wise's Recommended Action:

Direct staff to develop forms to be completed by schools and/or officials to implement a reporting system.

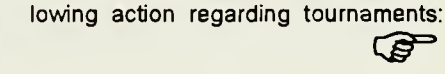
Jackson made a motion to accept Item 9b as recommended. Steidel seconded the motion which passed unanimously.

(c) Require all team camps to submit a copy of all activities to ensure that Association rules are being followed, especially regarding scrimmages.

This is a self monitoring situation, and the KHSAA does not have jurisdiction over college camps, etc., only on the persons from the high school who attend. It is recommended that this item 9(c), be rejected due to jurisdictional and enforcement problems.

Following discussion, the Board delayed action until Item 11 is considered.

(10) Consider taking the following action regarding tournaments:



Board Minutes

(continued from page 7)

(a) Establish a selection criteria to determine tournament sites.

Wise's Recommended Action:

Direct staff to develop a blueprint for criteria by sport for report by spring to implement in fall of 1994-95.

Jackson made a motion to accept Item 10a as recommended. Hicks seconded the motion which passed unanimously.

(b) Leave the Sweet Sixteen basketball structure intact. However, KHSAA should study the Sweet Sixteen basketball structure to determine if a sectional format should be used for enhancing the Association's revenue structure.

Wise's Recommended Action:

Refer to Basketball committee for development of a Board/staff study of alternative structures.

Steidel made a motion to accept Item 10b as recommended. Cox seconded the motion which passed unanimously.

(c) Require all regular season tournaments to be reported to the Association with specific information submitted regarding the financial and contractual arrangements to ensure compliance with the KHSAA bylaws.

Wise's Recommended Action:

Direct staff to develop forms to implement recommendation.

Steidel made a motion to accept Item 10c as recommended. Claudia Hicks seconded the motion which passed unanimously.

(11) Consider taking the following action regarding nonschool and nonseason participation:

(a) Prohibiting member schools from using their resources to support summer programs, leagues, and team camps. This would include but not be limited to personnel, facilities, equpment, and transportation. This does not prohibit the use of facilities for community recreational programs.

(b) Limiting the number of players from a school team that can play on any organized team together if the coach is involved.

Wise's Recommended Action:

The staff believes that further study is needed by the Board before expressing a recommendation on Item a. Many questions abound regarding coaches who work professionally in the summer and may have players involved in private lessons, team versus individual sports issues, jurisdictional concerns as it relates to public facilities and other problems with immediate implementation. This matter should be further studied by the Board of Control.

It is recommended that Item 11b be implemented in team sports (baseball, basketball, football, soccer, softball and volleyball), but not be subject to individual sports (cross country, golf, swimming, tennis, track and wrestling).

Rogers made a motion to accept the Commissioner's recommendation of Item 11a as written. Cox seconded the motion which passed unanimously. Story then made a motion to amend the motion to combine Items 9c and 11a and 11b for further study and present a proposal to the Delegate Assembly next year for implementation during the 1995-96 school year. Talbott seconded the amended motion which passed. The vote on the original motion as amended passed unanimously.

(12) Consider rotating membership on sport committees to ensure representation from all individuals involved in each sport.

Wise's Recommended Action:

This matter should be referred to the Sports Structure Committee for adoption of any rotation schedule.

Hicks made a motion that language of the Sports Committee structure be written to include selection process, length of service, gender, race, additions or deletions of members and to be in place for 1994-95. Stan Steidel seconded the motion which passed unanimously.

(13) Consider taking the following action regarding officials, Local Policy Boards and Assigning Secretaries:

(a) Establish a job description and performance requirements so that officials can be evaluated on preestablished expectations.

(b) Establish minimum physical requirements for officials.

(c) Establish minimum training standards for officials.

(d) Establish guidelines for Local Policy Boards to use to determine if the Assigning Secretary is fulfilling job requirements.

(e) Hold Assigning Secretaries accountable for completing their jobs.

(f) Develop a recruitment program for officials.

(g) Consider the use of observers to evaluate officials and lessen the weight of coaches evaluations.

Wise's Recommended Action:

Much of the study necessary to implement this recommendation in all parts is underway. This includes directing staff to present draft proposal for changes in policies and Officials Guidebook at April meeting for adoption and or changes before final adoption in July.

Rogers made a motion, seconded by Cardwell, to accept the Commissioner's recommendation of Items 13a-g. The motion passed unanimously.

(22) Encourage member schools to require student athletes to have insurance. However, it should not be required unless the State Board requires insurance for all students.

Wise's Recommended Action:

Direct staff to survey the schools to determine current coverages, and survey industry to determine potential carriers with a preliminary report in March, 1994.

Rogers made a motion, seconded by Steidel, to accept the Commissioner's recommendation of Item 22. The motion passed unanimously.

The following actions were taken by the Board after hearing appeals:

Rodger Lawson, Jr. - Bylaw 6, Transfer to Barren County HS from Glasgow HS - Motion made by Grant Talbott to restore eligibility based upon the grounds that student/athlete feared personal bodily harm if he returned to Glasgow, and the fact that there was no apparent athletic advantage at Barren County. Steidel seconded the motion, which passed 8-2 with 2 abstentions.

James Sexton - Commissioner's interpretation of KHSAA Constitution, Article IV, Sec. 2. Story made a motion to uphold the Commissioner's interpretation of the Constitution based upon the precedent set in similar cases in the past. Talbott seconded the motion which passed 11-0. Sexton did not vote.

The following Basketball Financial Report was given:

Boys' ticket sales through this date: $352,196.00

Girls' ticket sales through this date: $31,236.00

It was reported that the boys' ticket sales and the girls' ticket sales were behind last year's receipts.

Tackett then gave a brief report on the National Federation Winter Meeting held at Point Clear, Ala. Issues discussed included new rules under the American Disabilities Act, increase in cost of rule books for 94-95 and TARGET financial problems.

Tippett announced that Boys' Basketball Ticket Order Forms were distributed during the Louisville Invitational Tournament.

President Story then called for a recess for lunch.

Story reconvened the meeting at 1:35 p.m. All Board members were present except for Stan Steidel who had to leave the meeting.

A discussion ensued regarding the KHSAA Hall of Fame. Downing offered several suggestions to be considered by the Committee in the future. Chairman Cardwell, Hall of Fame Committee, advised the Board he would meet with Downing and present some recommendations at the Delegate Assembly Meeting.

Faulkner advised the Board of the State Board's findings on eligibility appeals:

1) Joseph and Richard Alig - affirmed Board's action;

2) Elsa Dahle - reversed the Board's action and ruled her eligible;

3) West P. Johnson - affirmed the Board's action;

4) Stephen Lear - reversed the Board's action and ruled him eligible;

5) Rafal Turo and Jans Belemeister - affirmed the Board's action;

6) Todd Jenkins - affirmed the Board's action.

DeVries asked the Board to study the 1994 Regional Track site list and asked for a recommendation for Class AAA, Region 5 site. Eastern and Shelby County both requested to host the meet. Due to the fact that the Board encourages rotation of sites, and Eastern has hosted the Region since 1988, Cardwell made a motion, seconded by Hicks, that the Class AAA, Region 5 Track Site be designated as Shelby County. The motion passed 10-1. Eastern would be the host for the 1995 Regional Meet.

Following a discussion regarding certain items recommended by the Task Force, Cardwell made a motion that the Board draft a letter to the schools advising them of the Board's position on the appointment of additional members to the KHSAA Board of Control and on postseason tournament receipts. Jackson seconded the motion which passed 11-0.

Commissioner Wise asked for input on the assignment of Regional Basketball Sites which are to be announced soon.

Faulkner advised the Board that he will inform them of any bills introduced in the Legislature that could effect the KHSAA.

Board members then went over drafts of proposed changes to the Constitution and Bylaws as promulgated by the SBESE as recommended by the Task Force Commission.

Cardwell made a motion that the Staff write language for Board members to succeed themselves and make retroactive to January 4, 1994, and to send a letter to all Board Appointed Representatives in the affected regions advising them of same. Grant Talbott seconded the motion which passed 9 in favor of the motion, two Board members (Sexton and Story) disqualified themselves from voting and one was absent.

Rogers and Cardwell left the meeting.

President Story appointed Boucher and Hopper to develop a Leadership Training Seminar for new Board members. He asked that they present a proposed plan at the March meeting.

There being no further business, Henson moved for adjournment. Welch seconded the motion which passed.

The meeting adjourned at 4:55 p.m.

KSD Football Crowned Deaf National Champs

Kentucky School for the Deaf in Danville was named the nation's Team of the Year for deaf schools, according to KSD and the Silent News. The Colonels recorded an 8-1 record in 1993, losing only to Betsy Layne 26-13 after leading in the fourth quarter.

KSD was led by Patrick Harris, a sophomore tailback, who was voted Offensive Player of the Year. He rushed 144 times for 1,570 yards and 32 touchdowns and was one of only four sophomores voted to the Deaf Prep All-American team. Harris also led the state of Kentucky in scoring, averaging 22.7 points per game. The team was coached by Roger Coyer.

This is the school's second national title. KSD, which has an enrollment in the top three grades of 74, shared its first title in 1962 with California-Fremont.

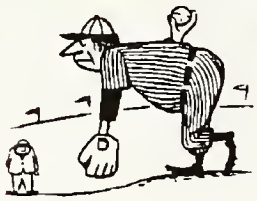
1994 Baseball Rules Interpretations



Harrison County's Brent Hampton led off in last year's state final as Pleasu RidgePark pitcher Brent Lynch and first baseman Andy Wright check the signals. Hampton and his Thorobreds routed the Panthers, 6-0.

SITUATION #1: RI is at first base and the outfield is shading left field. After the pitch, F2 attempts to pick off RI, but overthrows F3. The ball rolls to the outfield fence after touching F9's glove. RI is between first and second. RI contines to third and attempts to score, but is thrown out on a strong throw by F9. Before the next pitch, F9's glove is determined to be illegal by the umpire. **RULING:** Since the award for use of an illegal glove is two bases from the time the ball touched the illegal glove, RI would be awarded third, assuming the coach takes the penalty. As a result, the out is nullified. 1-4-3

SITUATION #2: Designated media areas are determined and properly chalked before the game. During the game (a) a thrown or batted ball touches or lands in an unoccupied designated media area, (b) a thrown ball passes through the designated media area in flight, (c) a fielder outside the designated media area reaches over the plane of the designated media area to catch an overthrow or foul fly ball. **RULING:** In (a) the ball is dead immediately. A designated media area is a dead ball area, even though it may not be occupied. Therefore, it is recommended that designated media areas be located in an area least likely to affect play. In (b) the ball remains alive. In (c) a fielder may reach into the designated media area or "break the plane" of the designated media area to field a ball, provided the ball has not touched the ground of the media area first. 1-2-3

SITUATION #3: While sliding into second base, RI cuts his knee or twists his ankle. The injured or bleeding player is given a reasonable amount of time to treat the wound or recover from the injury. However, the injured player is unable to continue in a reasonable time and is replaced by a legal substitute. If there are no available substitutes and the team is forced to play with eight players, is the injured player allowed to return if he is a starter?

RULING: No. The injured or bleeding player may not re-enter. Once a team plays with eight, it may not return to playing with nine players. 3-1-6, 4-4-If

SITUATION #4: Without an outfield fence, BI hits a fly ball well over 400 feet that is caught by F8 with an illegal glove. Because ot the length of the hit, BI 's coach asks the umpire to award a home run. **RULING:** BI is awarded three bases. If a fence existed and the ball had gone over the fence had the illegal glove not been used in the umpire's judgment, four bases would have been awarded. 1-4-3, 8-3-3b

SITUATION #5: Designated hitter, Jones, is batting for Smith, F3. In the fifth inning, Jones goes in for Smith on defense. In the sixth inning, Smith reenters for Jones. The next inning, Jones' coach attempts to reenter Jones for Smith, but the opposing team's coach claims Jones is not entitled to re-enter since he has already been out of the game. **RULING:** The starting designated hitter may re-enter the game in the same way as any other starting player. Therefore, Jones may return to the game, but he must replace the player who shares the same position in the batting order with him. The role of the DH has been eliminated. 3-1-4

SITUATION #6: With the bases loaded, FI, in the windup position, moves his shoulders to look back at R2 who is at second base. **RULING:** This is a ba FI, while in contact with the pitche plate, is prohibited from moving h shoulders to check runners, even if h shoulder movement, in the judgme of the umpire, was not intended to d ceive R2. 6-1-1

SITUATION #7: With less than two o RI on second and B2 at the plate, attempts to steal third. In the proces B2, who bats right handed, after swin ing or not swinging at the pitch (makes no attempt to get out of the w of F2 throwing to third or (b) is unab to make an attempt to get out of the w of F2 throwing to third. As a result, h cannot make a play on the runner. Is h out, and must R2 return to secon **RULING:** B2 is not guilty of interferen in (a) or (b). B2 is entitled to his positi in the batter's box and is not subject being penalized for interference u less he moves or re-establishes h position after F2 has received the pitc which then prevents F2 from attemp ing to play on a runner. Failing to mo so F2 can make a throw is not batt interference. 7-3-5

SITUATION #8: With R1 on first w less than two outs, B2 strikes out, b F2 drops the ball. B2 begins running first base. F2 secures the ball a throws to F3, but hits B2 in the bac who is running (a) within the three-fo

SITUATION #2: Designated media areas are determined and properly chalked before the game. During the game (a) a thrown or batted ball touches or lands in an unoccupied designated media area, (b) a thrown ball passes through the designated media area in flight, (c) a fielder outside the designated media area reaches over the plane of the designated media area to catch an overthrow or foul fly ball. **RULING:** In (a) the ball is dead immediately. A designated media area is a dead ball area, even though it may not be occupied. Therefore, it is recommended that designated media areas be located in an area least likely to affect play. In (b) the ball is dead immediately (but not in baseball). In (c) a fielder may reach into the designated media area or "break the plane" of the designated media area to field a ball, provided the ball has not touched the ground of the designated media area first. 1-2-3

SITUATION #3: While sliding into second base, RI cuts her knee or twists her ankle. The injured or bleeding player is given a reasonable amount of time to treat the wound or recover from the injury. However, the injured player is unable to continue in a reasonable time and is replaced by a legal substitute. If there are no available substitutes and the team is forced to play with eight players, is the injured player allowed to return if she is a starter? **RULING:** No. The injured or bleeding player may not re-enter. Once a team plays with eight, it may not return to playing with nine players. 3-1-7, 4-4-lf

SITUATION #4: Without an outfield fence, B1 hits a tly ball well over 300 feet that is caught by F8 with an illegal glove. Because of the length of the hit, BI 's coach asks the umpire to award a home run. **RULING:** B1 is awarded three bases. If a fence existed and the ball had gone over the fence had the illegal glove not been used in the umpire's judgment, tour bases would have been awarded. 1-4-3, 8-3-3b

SITUATION #5: With no outs, RI on third base and R2 on first, B4 bats out of order and hits to F4 who forces out R2. B4 beats the throw at first, as RI scores. The infraction is brought to the umpires attention before the next pitch. **RULING:** Proper batter B3 is out for not batting in the proper position. R2's out at second stands. RI is returned to third base and B4 is removed from first to assume her position at the plate as the proper batter. 7-1-2b

SITUATION #6: RI is on third base and R2 is on second with no outs. BI is due to hit, but B2 bats instead. On the first pitch, B2 singles and RI scores, R2 advances to third, but B2 is thrown out trying for second on the hit. The coach of the defensive team appeals to the umpire that B2 batted out of order. **RULING:** BI, the proper batter, is declared out for batting out of order. An out for batting out of order supersedes an out by the incorrect batter on a play. Runners return to the bases occupied at the time of the pitch. B2 is now the proper batter. 7-1-2b Exception

SITUATION #7: With the bases loaded and no outs, B4 is to hit, but B5 bats instead. B5 grounds into a 6-4-3 double play. RI scores and R2 advances to third. Batting out of order is then appealed. Does the coach of the team at bat have the option of the play or the penalty? **RULING:** No. B4, the proper batter, is declared out because of the batting out of order rule. R3's out at second stands. Other runners return to the bases occupied at the time of the pitch. 7-1-2b.

Baseball Interpretations (Continued)

lane or (b) outside the threefoot lane. **RULING:** In (a) there is no interference for B2 thinking he could run to first base, unless B2 did so to intentionally interfere. Therefore, the ball remains alive. In (b) since 82 was running outside the three-foot lane when he was hit, he is guilty of interference. The ball is dead. B2 is declared out and RI is returned to first base, if he had not reached second base before the interference occurred. 8-4-lg

SITUATION #9: With two out, B3 strikes out, but F2 drops the ball, which rebounds into B3's basepath. As B3 begins running to first, B3 accidentally kicks ball. **RULING:** B3 is not guilty of interference, unless in the umpire's judgment B3 intentionally kicked the ball. 2-21-1

SITUATION #10: With two out and R3 on second base, B4 hits a pop fly to F6. While moving underneath the ball, F6 enters R3's basepath. As R3 starts to go around F6, the wind blows the ball beyond F6. F6 backs up suddenly into the runner and, as a result, drops the ball. **RULING:** R3 is guilty of interference. F6 is entitled to an unhindered opportunity to field the ball. 8-4-2b

SITUATION #11: With the score tied in the eighth inning, both teams leave their benches and go onto the field to fight. When order is restored, the umpires determine that three players on one team did not leave the dugout to participate in the fight, while all the players on the other team were involved. Since neither team has at least eight players remaining, the game cannot continue. Is the game officially over or is the game suspended?

RULING: Any team that cannot finish the game with eight players shall forfeit. Since neither team could provide eight players to finish, the game ends in double forfeit with each team being assessed a loss. 4-4-1

Date:

All nominations will be forwarded to the Hall of Fame Selection Committee to be appointed by the President of the Kentucky High School Athletic Association Board of Control.

KHSAA Hall of Fame

Eligibility

Eligibility for the KHSAA Hall of Fame is based on high school accomplishments and contributions only. Any player who has been out of high school eight years, or any coach, administrator or official who has distinguished themselves in their respective field is eligible.

Nominations

Anyone can nominate a person for the Hall of Fame. Nomination deadline is April 1. An official KHSAA Hall of Fame nomination must be completed for each nominee. Additional information can also be submitted with the nomination form.

Selection

Twenty people will be inducted into the Hall of Fame each year. A selection committee will meet the third Friday of April in Lexington to pick the inductees.

Group Demographics

The group of 20 persons must include at least:

- five "senior" inductees over the age of 60;
- two women
- two minorities
- one representative from the following combined regions:

1-2;3-4;5-6;7-8;9-10;11-12;13-14;15-16.

Instructions

All information on this form must be completed and received by the Kentucky High School Athletic Association before April 1. The completed nomination form and support materials should be sent to:

Dawahares-KHSAA Hall of Fame
2280 Executive Drive
Lexington, KY 40505

Once the nomination form is received by the KHSAA, all actions necessary to the selection process shall remain confidential. All information submitted shall be retained by the Hall of Fame.

Please include a limited number of newspaper clippings, magazine articles and other supportive materials that would be helpful to the Hall of Fame Screening Committee.

General Criteria

Nominees must exemplify the highest standards of sportsmanship, ethical conduct and moral character.

Athletes would be former student-athletes who are being nominated for their achievements in interscholastic athletics. Coaches would be considered on the merits of their high school coaching achievemtns only and officials on the basis of their service as a high school official.

ALL CANDIDATES WILL BE JUDGED ON THEIR SIGNIFICANT AND/OR LONG-TERM CONTRIBUTIONS TO INTERSCHOLASTIC ATHLETICS.

Accomplishments at the college or professional level will not be considered by the selection committee.

Sports Notes From Around The Bluegrass

Softball Coaches

Sharon Tippett, President of the Kentucky Softball Coaches Association, would like to remind all members that the dues deadline is April 1, 1994. Dues for '94 are $10.

Please send your check, payable to the KSCA, to Sharon Tippett at Woodford County High School or Mark Montgomery at Lafayette High School.

In Search of Animal Mascots

WLEX-TV in Lexington is interested in doing a news story on any live, animal mascots currently being used by any high schools in its viewing area. (the eastern half of the state).

Where are they kept, who takes care of them and do they live in the school are questions the station would like to ask.

Also, the station is interested in doing any stories on teachers and coaches whose summer plans have been drastically altered due to the make-up days from this year's winter weather.

Contact reporter David Lander at (606) 255-4404 if you have information on either of the above topics.

Gardner Gains Praise

Fairdale coach Lloyd Gardner was featured in Earl Cox's syndicated column last month for his efforts in citizenship. The following appeared in a Louisville paper:

Lloyd Gardner is much more than just the basketball coach of Louisville Invitational Tournament champion Fairdale. He believes in teaching citizenship, too.

For instance, just before a recent game at Fairdale, two students were goofing off and making loud noises during the playing of "The Star Spangled Banner".

When the anthem was finished, Gardner asked the referees to hold up the start of the game. The coach asked security to eject the students.

That was on Friday night. On Monday morning, the offending students found themselves in the office of Fairdale Principal Marilyn Hohmann. They were told that they would not be allowed to see another Fairdale basketball game until they apologized to the band director, the team and to Coach Gardner.

The students did just that.

"They aren't bad kids," said Hohmann.

Said Gardner: "Somebody has to stand up for what's right. They are better people for what they've had to do".

When the anthem is played, the Fairdale team forms a semi-circle and faces the flag. Each player has his hand over his heart.

GEORGIA TO BE HOME TO FOOTBALL HALL OF FAME

By Denise Tom/USA Today

The first National High School Football Hall of Fame will honor the millions for whom the sport was a rite of passage rather than the few who went on to play and coach professionally.

The hall is planned for Valdosta, Ga., 225 miles south of Atlanta and home to one of the nation's most successful high school teams. Valdosta High (708-141-33 since 1913) was USA TODAY national champion in 1984 and 1986 and runner-up in 1982 and 1992.

Groundbreaking on the 26,000 square foot facility is scheduled for spring 1995, with completion before the 1986 Olympics in Atlanta in August. "We really want to capture the entire Friday night adventure," said Kerry Campbell, chairman of the Greater Valdosta Economic Growth Partnership. "A lot of people have played football at one time and made contributions who never made it to the pros".

The Hall, projected to cost $5-$7 million, will be paid for through sponsorship packages. The 3.75 acre site is on the east side of Interstate 75.

Inductees will be selected in conjunction with the National Federation of State High School Associations, one or more of the high school football coaches associations and national media.

LARRY CONLEY, ESPN ANALYST, TO HEAD STATEWIDE CAMPAIGN

Larry Conley

Heading the KHSAA Court of Support Campaign is Larry Conley, an Ashland, Ky., native and current ESPN basketball analyst. Conley was an all-state basketball player at Ashland High School and led the Tomcats to the 1961 KHSAA Sweet Sixteen Championship. He later starred at the University of Kentucky and was a member of the famed Rupp's Runts squad which finished as NCAA Runners-up in 1966.

He still maintains close ties to his eastern Kentucky roots, serving on the board of the Citizens National Bank in Paintsville.

Billy Wise, Commissioner of the KHSAA, remembers Larry as "...one of the grittiest players I ever saw. He truly was a great player and now is one of the finest sportscasters in the country. We are so very pleased to have him head the **Court of Support Campaign.**"

Conley also hails from a prominent Kentucky sports family. His father George was a high school coach and an outstanding basketball official at the high school and college level. Conley's sister coached basketball at Ashland Paul Blazer High School.

"Kentucky High School athletics did a lot for me and my family, and I feel strongly about heading this most worthwhile project," Conley said. "I urge you to purchase a brick, or bricks, to honor the deserving recipient of your choice. It will mean so much to you, your friends, and most of all to the young people of Kentucky who will benefit."

MEMORIAL BRICKS ARE AVAILABLE TO HONOR PERSONS, TEAMS, OTHERS

The Kentucky High School Athletic Association **Court of Support Campaign** is a state-wide effort, offering to the people of Kentucky an opportunity to forever memorialize individuals or groups in this uniquely designed likeness of Kentucky.

The Court of Support, made up of 19,000 bricks, is located in front of the KHSAA's new building in Lexington, at the juncture of I-75 and US 60. When you purchase a brick it will be placed in the section of the state you choose and can recognize and memorialize a favorite coach, athlete, team, school, community, business or topic of your choice.

Bricks range in size and cost, from two lines of information on a 4 x 8 brick for $100, to three lines on a 6 x 8 brick for $300, to four lines on an 8 x 8 brick for $500. You also will receive a handsome certificate for display, which includes a likeness of your brick with your information on it.

Funds raised through the **Court of Support Campaign** will be used to retire the debt on the beautiful new structure, as well as provide seed money to develop a first class museum of high school athletics in Kentucky in space designed for this purpose in the new building.

Your participation in this endeavor will provide a lasting memorial on one of the **Court of Support** bricks. And it will provide significant financial support to the schools and young people of Kentucky as the KHSAA enters its 77th year of service. Please send your order to: KHSAA Court of Support Campaign, 2280 Executive Drive, Lexington, Ky. 40505.

Board Picks Lexington For Boys' Tournament

From Staff Report

LEXINGTON, Ky. – The Boys' Sweet Sixteen Basketball Tournament will finish out the 20th Century in Lexington's Rupp Arena, the Kentucky High School Athletic Association's Board of Control decided at its annual spring meeting held April 21-22 at the KHSAA headquarters. The tournament, which is already under contract to be held next March in Lexington, will remain at Rupp Arena from 1996 through 1999.

Representatives of both cities, including officials of each convention and visitor's bureau and both Rupp Arena and the Kentucky Fair and Exposition Center, were on hand to present their proposals to the 12-member governing body of high school athletics.

The tournament had been rotating between Lexington and Louisville since 1988, but due to a 33 percent decline in attendance at Freedom Hall, the Board, in a vote of 10-2, decided to award the tournament to Lexington. Voting against the motion were Louisville principals Kathy Hopper of Waggener and James Sexton of Eastern.

The KHSAA finished nearly $260,000 short of its budget for ticket sales at the recently completed state touranment in Louisville. The Association had budgeted $960,000 for the '94 tournament, but even the efforts of Louisville mayor Jerry Abramson and his Greater Louisville Sports Association failed to produce ticket sales.

The tournament drew just 79,616 in paid attendance, well under the disastrous 86,962 in 1992, which was also in Louisville. In comparison, Lexington saw a paid attendance of 115,720 in 1993 and 120,347 in 1991. The tournament was last held on a consecutive-year basis from 1981-87 at Rupp Arena. And the Boys' Sweet Sixteen saw its greatest success in Rupp Arena in 1987, when a total attendance of 140,266 came through the turnstiles.

Commissioner Search

Board President Ray Story also announced at the meeting that he had received 12 applications for the commissioner's job with one person withdrawing his application, leaving 11. The Board will announce sometime around the first of May the finalists it plans on interviewing next month. Story said the Board hopes to announce the new commissioner by June 1, 1994.

Staff To Survey Schools On New Sports

MINUTES

MARCH 17, 1994

The Board of Control of the Kentucky High School Athletic Association met at the Ramada Inn in Bowling Green, Ky. on Thursday, March 17, 1994. The meeting was called to order at 8:10 a.m. by President Ray Story with all Board members present except Ken Cox. Also present were Commissioner Billy Wise, Assistant Commissioners Louis Stout, Brigid DeVries and Larry Boucher, Business Affairs Manager Julian Tackett and Board Attorney Danny Reeves. Gary Faulkner was present from the State Department of Education. Bob Rogers gave the Invocation.

President Story introduced Mr. Darrell Treece, Principal of Henry County High School, the newly elected Board member who will represent Regions 7 and 8.

Frank Welch made a motion to approve the minutes of the January 23-24, 1994 Board meeting. Cookie Henson seconded the motion which passed unanimously.

After amending the minutes of the Feb. 24, 1994 meeting to read that Randy Kimbrough and Gary Faulkner from the State Department of Education were in attendance, Stan Steidel made a motion to approve the minutes of said meeting Claudia Hicks seconded the motion, which passed unanimously.

Ozz Jackson made a motion to approve the bills of the Association for the period beginning Jan. 1 and ending Feb. 28, 1994. Frank Welch seconded the motion which passed unanimously. A discussion then ensued regarding the 1993-94 Working Budget as of Feb. 28, 1994. Following questions regarding brick sales, anticipated interest receipts and Dr. Hornback's contract, Jackson made a motion to accept the Budget update. Grant Talbott seconded the motion which passed.

President Story called on Commissioner Wise to discuss the next item on the Agenda -- an amendment to the KHSAA Constitution brought about by a recommendation of the State Department of Education's Task Force on Interscholastic Athletics. The new amendment, 702 KAR 7:065, sets forth the designation of an agent to manage high school interscholastic athletics. Following comments by the Board members, staff, Faulkner and Reeves, Frank Cardwell made a motion that the Board send a referendum to the member schools for approval of the KHSAA Constitution amendment which in effect will allow the KHSAA to continue as the designated agent to manage interscholastic athletics. Frank Welch seconded the motion. Rogers then moved to amend the original motion to wait until after the May 4 meeting of the SBESE to send the referendum to the schools. Kathy Hopper seconded the motion to amend. The motion to amend passed 8-2 with 1 abstention. The original motion then passed as amended by a vote of 8-2 with 1 abstention.

President Story called on Commissioner Wise to relate the situation concerning representatives from Brown School appearing before the Board to answer questions regarding violations of the State Swimming Meet regulations. Present for the hearing were Principal Lennie Hay, Ath. Dir. Sharon Leezer and Swimming Coach Lauri Wade. Following Ms. Hay's presentation and questions to the group from the Board, Hopper made a motion, seconded by James Sexton, that since corrective action was taken by Brown School, no further action be taken by the Board against Brown. The motion passed unanimously.

Commissioner Wise then advised the Board members of an item of concern expressed by the Task Force – the sponsorship of new sports offered by the National Federation and the continuance of existing sports. The proposed policy was then discussed as recommended by the Commissioner:

1) SANCTIONING A SPORT - The KHSAA shall sanction any sports offering for which the National Federation adopts a rules code, or approves a code written by an outside entity. Such sanctioning shall allow students to participate in these sports as long as they are compliant with all applicable KHSAA bylaws regarding student eligibility.

2) SPONSORING A CHAMPIONSHIP - The KHSAA shall sponsor a championship in a new sport offering for which a championship is not currently being held if a survey of the membership yields a twenty percent (20%) favorable response of the total number of member schools. In order to continue an existing offering, fifteen percent (15%) of the membership must field a team (or group of individuals as applicable) and desire to participate in postseason championships.

3) METHOD OF DETERMINING INTEREST - The KHSAA shall survey its membership during the 1993-94 school year, and every three years thereafter to measure desire for a new offering. The KHSAA Limitation of Seasons shall not address a specific sport unless and until it meets the desired participation threshold to allow for the maximum opportunity to expose the sport to growth.

Steidel made a motion, seconded by Hicks, that the staff send a survey to schools regarding the above recommendation. The motion passed unanimously.

A discussion of the Hall of Fame Selection Criteria and Procedure was the next item on the Agenda. The recommended criteria is as follows:

1) Limit the number of inductees to 18 for 1995, then reduce the number of inductees by one each year thereafter until the maximum number of 12 is reached;

2) One nominee from each section and 14 at-large nominees may be inducted;

3) Five inductees must be either deceased or 65 years of age or older;

4) Active coaches must be 60 years of age or older; inactive coaches under the age of 60 must have been inactive for three years to qualify;

5) Players/participants must be out of high school 10 years.

Cardwell made a motion to accept the Commissioner's recommendation. Hicks seconded the motion which passed unanimously.

President Story called for a recess until 8:00 a.m. CT on Friday, March 18. The meeting was recessed at noon.

March 18

President Story reconvened the meeting of the KHSAA Board of Control at 8:05 a.m. CT on Friday, March

18. Those present at the meeting were the same as on Thursday.

Bus. Affairs Tackett discussed with the Board responses to a survey which was mailed to all member schools regarding insurance coverage for all athletes. Following the Board's discussion of their concerns, President Story made a motion that staff bring a proposal to the April meeting which will insure that athletes are covered by insurance up to the catastrophic deductible, and that counsel be consulted for proper wording of such. Talbott seconded the motion which passed 9-2.

The following Basketball Ticket Sales Report was then given: boys' ticket sales through this date -- $423,000; girls ticket sales -- $33,000.00. The sale of tickets to the boys' tournament is down $140,000 from the same period in 1993.

Commissioner Wise announced the results of the recent election for new Board of Control members.

Regions 5 & 6:

Tasso Harris, Valley - 15 votes

Ken Frick, Butler - 13 votes

Regions 7 & 8:

Darrell Treece, Henry County - 14 votes

James Sexton, Eastern - 12 votes

George Unseld, Jefferson County Schools - 7 votes

Commissioner Wise advised the Board that he received a letter of protest from Sexton challenging the validity of the election in Regions 7 & 8. Following a lengthy discussion on the matter, President Story called for a special meeting to be held on Wednesday, March 23rd at 9 a.m. for the purpose of a Due Process Hearing and asked that the Commissioner distribute all correspondence and other materials pertaining to the case to the Board members as soon as possible for their review.

Asst. Comm. Boucher discussed the criteria for the Board of Control Training Program. Following a discussion of the outline prepared by Boucher and Hopper, President Story directed them to obtain financial costs involved and bring a report back to the April Meeting.

President Story announced times for the following committee meetings: Executive Committee - Thursday, March 24, 9:00 a.m.; All-Sports Committee - Friday, March 25, 9:00 a.m.; Basketball Committee - Friday, March 25, 10:00 a.m.

Photo by Tim Porco

Coach Tony Hopper applaudes as his Muhlenberg North squad battles Fairdale in the semifinals. Final paid attendance figures totaled just less than 80,000 fans this year in Louisville, a $260,000 budget shortfall.

Commissioner Wise presented a request from Vesper Singleton asking that the Board waive the requirement of counting the Mountain Basketball Classic Tournament as a game against the maximum number of games. Grant Talbott made a motion, seconded by Frank Cardwell that Singleton's request be denied. The motion passed 9-2.

Following a discussion of scheduling the Regional Wrestling Tournament, President Story assigned this matter to the All-Sports Committee.

Commissioner Wise asked the Board to reschedule their election of officers for 1994-95 from the July meeting to the April meeting. His request is based on the fact that outgoing Board members could be recognized at the April meeting and would not be required to attend the July meeting since their terms end prior to that meeting.

The next regular meeting of the Board shall be held on Thursday, April 21, 1994, at the Association Headquarters.

Miscellaneous items discussed dealt with an update on legal cases, realignment of soccer districts, information on the girls' basketball tournament activities, Hall of Fame nominees and the effect of longer school terms on summer sports programs due to the weather. Following a discussion on the latter, Steidel made a motion that due to the weather emergency, the Board waive Bylaw 25 and allow schools to use the last day of school on the original calendar for athletes who wished to participate in basketball and football summer programs. Talbott seconded the motion which passed unanimously.

Commissioner Wise advised the Board that inquiries were being made to rent the Hall of Fame Museum area for various activities. The Board directed him to proceed with negotiations.

It was announced that the National Federation Summer Meeting will be held in Palm Springs, Calif. Boucher has been asked to speak at one of the workshops. President Story requested that a plan for future administrative travel be submitted to the Board for consideration.

President Story made a motion to extend Dr. Ray Hornback's contract through April 1994 due to the fact he was ill in January and did not submit a voucher. Talbott seconded the motion which passed 10-1.

There being no further business to come before the Board, Welch made a motion to adjourn. Henson seconded the motion which passed. The meeting adjourned at 11 a.m.

Board Of Control Member Appeals Election

MINUTES

MARCH 23, 1994

The Kentucky High School Athletic Association's Board of Control met in Special Session on Wednesday, March 23, 1994 at the Executive Inn in Louisville. All Board members, with the exception of Ken Cox, were present. Commissioner Billy Wise, Exec. Asst. Commissioner Louis Stout, Asst. Comm. Brigid DeVries and Larry Boucher, Bus. Affairs Mgr. Julian Tackett, Board Attorney Danny Reeves, Mike Luscher, representing the State Department of Education, newly elected Board member Darrell Treece and George Unseld were also in attendance.

President Ray Story called the meeting to order at 9:10 a.m.

The meeting was called for the purpose of hearing an appeal from James Sexton concerning the recent election to fill the impending vacancy in Regions 7 & 8.

Following brief introductory remarks, President Story called on Sexton to explain his appeal and offer any evidence he wished to have the Board consider. Sexton distributed a sheet outlining the points of his appeal and addressed the two issues presented for the Board's consideration: 1) whether the recent election should be set aside because the ballot distributed for voting contained an ineligible candidate; and 2) whether the Commissioner's ruling was erroneous regarding his March 16, 1994 letter to Sexton holding both Sexton and Unseld to have been improperly included on the ballot.

Following Sexton's presentation, Story called on Treece and Unseld for their comments. Commissioner Wise then advised the Board of the events preceding the distribution of ballots to Board Appointed Representatives in Regions 7 & 8.

Following comments and questions to Sexton by the Board and Reeves, Claudia Hicks made a motion to go into Closed Session to discuss the case. Cookie Henson seconded the motion, which passed. Following a lengthy discussion, Claudia Hicks made a motion to uphold the Commissioner's ruling that George Unseld and James Sexton were invalid (ineligible) candidates under the KHSAA Constitution. Bob Rogers seconded the motion, which passed with 10 members voting in favor of the motion and 1 absent (James Sexton). Next Ozz Jackson made a motion that, although there were invalid (ineligible) candidates on the ballot, the Board should certify the election because the one remaining valid candidate did receive a sufficient number of votes to become elected to the position. Stan Steidel seconded the motion which passed by a vote of 9 in favor, 1 opposed and 1 absent (James Sexton). Grant Talbott moved to return to Open Session. Claudia Hicks seconded the motion which passed unanimously. Upon returning to Open Session, Board Attorney Reeves advised Sexton of the Board's decisions.

Mr. Story then announced that the Executive Committee will meet at 8 a.m. on Thursday, March 24, the Basketball Committee at 8:30 a.m. on Friday, March 25, and the All-Sports Committee at 9 a.m. on Friday, the 25th. There being no further business to come before the Board, Jackson moved for adjournment. Henson seconded the motion which passed unanimously. The meeting was adjourned at 10:35 a.m.

Strategic Plan Approved

(From Page 3)

to move from District 14 to District 13 in baseball and basketball. The move will eliminate a three-team district in basketball, District 13, consisting of Muhlenberg North, Muhlenberg South and Butler County.

Also, the Board elected Frank Cardwell, principal at Franklin-Simpson High School, as its president for the 1994-95 school year and Arthur "Ozz" Jackson, athletic director at Whitesburg High School, as its vice president for next year. Cardwell, who will be serving the last year on his four-year term, served as vice president this year. The two will take over in their elected capacity at the July meeting.

The Board approved a Strategic Plan for the 1994-95 school year which will be sent to the State Board for Elementary and Secondary Education for final approval. Four objective's constitute the plan and they are as follows:

Objective 1 -- Continue to educate schools as to rules and practical means of enforcement to ensure self regulation by membership and the integrity of the organization.

Objective 2 -- Continue education effort among corporate community and general public as to need for self governance by membership and awareness of the Association's operations, functions and activities.

Objective 3 -- Continue development of Policy and Procedure Documentation.

Objective 4 -- Evaluate budget on incremental basis to monitor cost containment as well as identification of alternative revenues.

The Board also approved a plan to be submitted to the SBESE that would add further requirements to Bylaw 28 which would make it mandatory for all student-athletes in the state of Kentucky to have current medical insurance prior to participation in athletics.

REMINDER

To All Basketball Coaches

Rule 1-10, Section 11
Each basket ring shall be securely attached to the backboard support system with a ring-restraining device. Such a device will ensure that the basket stays attached even in the event that a glass backboard breaks.

Why?
A high school student-athlete in the U.S. this year was nearly cut to the bone when a backboard not equipped with a ring-restraining device shattered, and the rim came crashing down.

Where To Order
Ring-restraining devices are easy to install and can be ordered by calling Basketball Products International, Inc., 1-800-435-3865.

A Salute To Academic Showcase Champions

The Kentucky High School Athletic Association again salutes the winners of the 1994 Sweet Sixteen Academic Showcase held in March at Transylvania University in Lexington.

Students from 92 high schools competed for a total of $48,250 in scholarships. To get to the finals, students had to place in the top four in regional competitions. Nearly 1,000 students took part in the regionals.

Congressman and former Lexington Mayor Scotty Baesler founded the Sweet Sixteen Academic Showcase in 1985 as a way to honor the intellectual and artistic achievements of students. First-place students win scholarships worth $2,000 at any Kentucky college, university or post-secondary school. Second-place students get $1,200 scholarships and third-place, $850 scholarships.

Since the program began, more than $570,000 in scholarships has been awarded.

The Game's Over, But The Lessons Last Forever

By PAM SPAULDING

This article originally appeared in the Courier-Journal. Author Pam Spaulding wrote this column as part of the paper's "First Person" feature.

"We lost. It's over." The words echoed in my head, but I just leaned back against the bleacher seats, numb.

It was a very long time before the team started coming out of the dressing room. From across the gym, I saw my daughter's agonized expression as she sobbed between breaths. We had our arms around each other before I realized I had gone to her; this 5-10 child of mine who has to lean over to put her head on my shoulder.

A father of a freshman on the team came up to my daughter and told her with warmth that he would always remember her. A kind remark that underscored the finality of it all.

Pam Spaulding is a staff photographer with the Courier-Journal. Besides 17-year-old Alicia Crouch, she has a younger daughter, Lauren, 14.

She and I, holding hands, started walking past other stunned parents still sitting in the stands, still waiting for their girls. The mother of one of the best players on the team called out, "Alicia. Nice season."

It wasn't supposed to end this way. For the entire season, the duPont Manual High School girl's basketball team was ranked between first and fourth in the state. There were realistic dreams of making it to the Sweet Sixteen, to the Final Four. It wasn't because of my daughter that the team was ranked so highly, but the coach relied on her for strong defense and she was an integral part of the team.

Only now, instead of heading to the tournament, we had lost twice in a row. Male beat us in the first district competition by one point, in an intense emotional, hard-fought game. Now, the very next night, Mercy Academy had just upset Manual by two points.

Which meant it was the last high school game my daughter would ever play.

For four years, she practiced three to six days a week. All year long, not just during basketball season. Over four summers, she went to something like 15 weeklong basketball camps.

I grew to admire how well she used her time. Most days I came to get her from basketball practice at 5:30 p.m. If practice was over at 5:25, I would find her sitting on the gym floor working on a math problem. If I stopped for gas on the way home, she had her books out, working. Discipline. That's what a sport teaches.

Sometimes those practices were like "boot camp." I could never have made her work that hard. There were the dreaded "suicides," a pattern of running back and forth on the floor that left the girls gasping for breath, their hair and clothes soaked with sweat. They lifted weights. They repeated boring drills. No one was allowed to sit during practice. Never once did my daughter say she didn't want to go. Amazing, since I hear lots of complaining about washing dishes and other household chores.

There were times during a game, in front of hundreds of people when the coach would scream at my daughter about some error she had committed, and I would be sitting in the stands thinking, "He can't say this to me. I'll just quit. I don't have to take this abuse."

But I wonder. Maybe my daughter has learned what I have never learned: Criticism from a coach or a boss is not to be taken personally. She never talked back. She never rolled her eyes in disrespect. She never slammed a door while he was talking. Maybe the times the coach told her she was terrific balanced the equation.

It's hard for kids today to have real responsibility. The kind of responsibility farm kids have when the work they do contributes directly to the welfare of the family, whether it's feeding the calves or planting the corn. There isn't a kid out there who really believes the family unit will be threatened if they forget to take out the trash.

When my daughter stood alone on the free-throw line, she felt the weight of the team counting on her.

My daughter knows how it feels to be strong, how it feels to fight for a rebound against other strong bodies. Once during a locker-room halftime pep talk, the coach nominated my daughter for the ugliest knees category. They were black and blue and greenish yellow from scrambling on the floor after loose balls.

I wonder what it means to my daughter that the games are the one place she has her divorced parents together.

What does it mean to her to know that the coach makes mistakes, and some referees are more fair than others?

What does it mean to her when that girl who made the basket acknowledges an assist with a joyful low-five as they race back down the court? Has she learned that the sun does shine after the darkness of disappointment?

There is beauty in the structure of the game, in the smooth execution of a play, but the richness comes from the bonding of diverse girls to a shared commitment, the inside jokes, the teaching of new songs on the road to an away game, the eternal struggle to tolerate each other's idiosyncrasies.

On the long drive home after the Mercy game, my daughter and I cried together and we cried separately. And neither of us is the sort of person who cries often.

I was surprised how much the loss hurt. It's just a silly game.

We were almost home when she said, "It's not basketball that I'm going to miss. It's my friends on the team." I reached for her hand and the tears started again.

But this time, my tears were from pride. Pride that she understood everything.

Coach Don Lane and his staff provide one of the most effective and prestigious basketball camps in America today. Boys and girls between ages 7 and 18 spend a week on the Transylvania University campus in beautiful Lexington, Kentucky, where they work and learn under the guidance of outstanding coaches and teachers. Resident campers live and eat in university dorms. Day campers have their midday and evening meals on campus, but spend the night at home. Half-day sessions are provided for younger players.

Noteable Facts and Highlights from Previous Camps

- 1993 campers included numerous sons and daughters of junior high, high school, college, and pro coaches.
- Over 2,300 campers from throughout the U.S. attended during 1993; over 300 Kentucky schools represented.
- Each overnight session in 1993 enrolled at least 25 teams of 10 or more campers.
- 8:1 camper-staff ratio.
- Guided by outstanding staff of high school and college coaches.
- Several boys' and girls' state tournament teams, including seven state champions have attended in the last 10 years. During the last 10 years, every state in the Union and 10 foreign countries have been represented.

Pete Owens, a Track & Field official from Lexington, gives the all-clear flag from his post on the track during the '93 championships. Owens served as an inspector during the meet last year.

1994 Track Rules Interpretations

Rule Book – p. 13 - Rule 3-2-4(i) should have been deleted. The F.A.T. operator may no longer recall a race.

Situation #1: Following the completion of the 110 meter high hurdles, the coach of A1 complains that A1 was interfered by B1 and presents a videotape that his student manager shot during the race, to the referee as evidence regarding his appeal. **Ruling:** Appeal denied. (3-2-8) **Comment:** Only video equipment approved by the games committee may be used to make decisions related to the meet.

Situation #2: After setting the pole vault standards in preparation of his first trial, A1 takes his place on the runway. At the same time, the event judge starts his stopwatch to monitor the two minue time limit for A1 to initiate his attempt at 13'. A1 starts his approach but stops midway down the runway and returns to his starting position. On the second approach, A1 stops short again and returns to the start position once more. Now A1 realizes he cannot initiate a trial in the time remaining and calls "PASS". A1 then misses his next two attempts at 13'. The event judge, for some reason, permits A1 a third trial at 13' and A1 does clear the bar on the third attempt. By clearing 13' , A1 is awarded second place in the competition. The coach of B2 appeals the decision by the event judge to give A1 a third trial at the 13' height. **Ruling:** The event judge was in error by giving A1 a third trial at the 13' height. When A1 passed his first trial attempt, he should have been permitted the two remaining trials but not a third one. Therefore, A1 should have been credited with clearing 12'6", which placed A1 in a tie for third place. (7-4-9) **Comment:** Another issue regarding this situation is the use of the word "PASS". In this case, the event judge should have clarified with A1 as to his intentions to (1) pass the height, in this case 13', or (2) did he intend to take a miss on his first attempt since he could not initiate his trial prior to the expiration of the two minute time limit. The judge could have interpreted that A1 was passing the height. "Passing an attempt" means a missed trial. "Passing to the next height" means carrying over the number of legal attempts remaining to a subsequent height.

Situation #3: Following the girls conference championship long jump competition the official third place finisher was left off the tally sheet by the scorer. B1 actually recorded the third best jump of the competition on her second jump, however, the official scorer misread the event judges scoring form and failed to give B1 third place points. Team B finished second to Team A for the team championship by a score of 103 to 101 . When the results of the conference meet were reported in the newspaper the next day, the coach of Team B realized that B1 was not officially awarded third place in the long jump and that the team actually scored 107 points rather than 101. The coach of Team B appealed to meet management immediately. **Ruling:** The appeal was upheld because it was tiled within the 48 hour time limit. (2-3-1) **Comment 1:** When a participant has competed fairly, and in the process ot that competition has scored, the participant should not be penalized and ample time should be allowed for correction of clerical and scoring errors. However, at the same time, there must be conclusion to the meet in a timely fashion, thus the decision to allow up to 48 hours to make corrections. **Comment 2:** Under 2-3-1 and 9-2-6, meet management may specify another time period as long as all participating teams are informed in advance of the meet. For example, a conference meet is held on a Friday and meet management establishes a 72 hour period for the correction of clerical and scoring errors because the 48 hour period would fall on a Sunday making it difficult for coaches to communicate with the meet director prior to the deadline.

Situation #4: During a crucial conference dual meet, home Team A is leading visiting Team B by three points. At the conclusion of the last event (1600 meter relay which Team A wins by a comfortable margin), an appeal is lodged by the coach of Team B citing teammates of Team A for an unfair act by standing near the finish line loudly cheering Team A to victory. The coach of Team A objects, stating the area had not been restricted and that members of Team B were also standing in the same area cheering their team. **Ruling:** Appeal denied (4-5-9a) **Comment:** Although Rule 4-5-9a states that teammates stationed near the starting area could be considered an aid, in the absence of a barrier and marshals restricting access to the finish line, which allowed anyone to approach the area, the act would not be considered unfair.

Situation #5: After A1 clears 5'8" in the high jump event, she leaves the lumping area and returns to the spectator stands to view a videotape replay of her jump on her parents video camera and is subsequently disqualified by the referee because she has used an illegal aid. The coach of A1 appeals to the jury citing that A1 has not gained an unfair advantage because no coaching was involved. **Ruling:** The appeal is denied. (4-5-9) **Comment:** While it is permissible for an athlete to confer with his/her coach, parents, older brother, etc., during competition in unrestricted areas such as the spectator stands, viewing a videotape of their performance while still in competition is considered an illegal aid regardless of who did the videotaping.

Situation #6: A competitor presents two shots to the inspector of weights and measures for approval. The shots meet minimum weight specifications, but one has two rather severe indentations and the other has tape on it. **Ruling:** If the inspector feels the indentation or tape might provide assistance through a better gripping surface by the competitor, he/she shall impound the shot and/or not approve them for use in the competition. (3-9-1)

Situation #7: A1, the final contestant in the long jump fouled on the final attempt. Unhappy with the performance A1 uttered a profanity just after the event judge called a foul. Because of the unsportsmanlike conduct, A1 was disqualified from scoring in the long jump event and from further participation in the meet. A1's coach appealed stating that since A1 was the final contestant in the event, a foul occurred, and no mark was taken, therefore, the profanity occurred after the long jump event concluded and A1 should not be disqualified from scoring in the long jump. **Ruling:** Appeal denied. (4-5-1) **Comment:** The fact that the profanity occurred at the end of or during a final attempt in no way changes the penalty. Rule 4-5-1 specifies that disqualification shall be from the event the competitor was in as well as from further participation in the meet.

Arizona Coach Awarded For Strides In Equity

Special To The Athlete

Sharon Austerman, head volleyball coach at Cortez High School in Phoenix, Ariz., is receiving national recognition this month for her pioneering spirit and longtime commitment to giving female athletes the same access to sports as boys. Austerman is being recognized in several coaching publications in March by Coaches Care, the public service program created by The Gatorade Company that honors high school coaches who provide young people with new opportunities and positive life experiences.

When Austerman came to Cortez in 1965, only tennis was offered to girls. That's when Austerman and some of her peers convinced school administrators that "sound body leads to sound mind" applied as well to girls as boys. Volleyball and badminton were added immediately.

"Girls athletics certainly didn't burst upon the scene," explained Austerman, a graduate of Grand Canyon University. "There was no budget for coaches, equipment or uniforms."

So for five years, Austerman volunteered her time as the volleyball coach, using discarded knee pads from the boys' wrestling team. Her girls practiced wherever space was available, including the blacktop behind the gym.

"I've always wanted to provide our girls with the wonderful lifelong memories that my physical education teachers gave me," Coach Austerman said. "I knew if I could get girls involved in athletics, they would learn new ways to reach goals of their own."

For the past 29 years, Austerman has been influential in hundreds of young women's lives, helping them to achieve personal and professional goals. Fourteen of her former athletes have followed in her footsteps. Current volleyball co-captains Michele George and Carla Gartner plan to pursue careers in physical education as a result of Austerman's inspiration.

One of the ways Austerman motivates her athletes is by placing quotes like "tomorrow's success is determined by today's efforts," or "you can if you believe" in the girls' lockers. She says the quotes serve as a foundation to build upon during competition. Her creative approach has helped Austerman's teams win three state titles and nine Skyline Division championships.

Volleyball coach Sharon Austerman pioneered athletics for girls at Cortez High School in Phoenix, Ariz.

"Sharon never stops envisioning the potential that every student-athlete has through the right combination of training and nurturing," said Cortez principal Carolyn Sheley, who nominated Austerman for Coaches Care distinction. "And Sharon's athletes understand that champions win and lose with grace and dignity."

But coaching is only one part of what makes Sharon Austerman special. She was honored in 1988 by the Arizona Chapter of the AAPHERD for developing her school's wellness program, which encompasses the belief that physical activity leads to a healthy mind and adds to personal development. She's also an organizer. Austerman is one of the founders and past presidents of the Arizona Volleyball Coaches Association, and currently serves as chairperson of the Arizona Interscholastic Association 4A Advisory Committee for volleyball.

Austerman is also one of many outstanding teachers and administrators who has contributed to quality education programs and activities at Cortez, which was recently named the number one high school in the state through the Arizona A+ Secondary School Recognition Program.

High school coaches can be nominated for Coaches Care distinction by principals, athletic directors, teachers, fellow coaches, parents and student-athletes. Selection criteria and a nomination form may be obtained by writing: ***Coaches Care, PO Box 194, Hinsdale, IL 60522-0194.***

Second Annual NF Golf Coaches School Set

The National Federation has finalized plans for its second annual high school golf coaches school that will be held June 25-26 at Deer Creek Golf Club in Overland Park, Kansas.

The school, held in conjunction with the National Federation Conference of High School Coaches and Officials, will offer high school golf coaches the opportunity to participate in an intensive two-day program consisting of general sessions and workshops where they will learn how to better meet the needs of their players. Following the school on June 27, coaches will meet to discuss national issues and concerns relative to high school golf.

Deer Creek was recognized by Golf Digest as one of the top three new golf courses in America in 1990.

Preceding the school on June 24 will be the National Federation Golf Coaches Championship and the National Conference Scramble. Both tournaments will be played at Alvamar Golf Club in Lawrence, Kansas.

High school golf coaches can attend the school for only $79. This includes over two days of intensive education, breakfast, lunch, transportation and an embroidered jacket courtesy of GEAR For Sports. For further information concerning the National Federation Golf Coaches School and Championship, contact Brad Rumble at the National Federation, 11724 NW Plaza Circle, PO Box 20626, Kansas City, MO 64195, or call (816) 464-5400.

Swimmers Nominated For National Honors

Two girls, one boy and a boys' relay team were nominated from the state of Kentucky for the National Swimming Honor Roll for their performances in February's State Swim Meet.

Beechwood's Talor Bendel and Notre Dame's Michelle Schroder were nominated from girls' swimming while St. Xavier's Chip Crush and two of the Tigers' relay teams represent the boys.

1994 MEDICAL SYMPOSIUMS

In order for coaches to be in compliance with KHSAA Bylaw 27, the head coach of an athletic team or cheerleading squad must have attended a medical symposia in 1993, or, he or she must attend one in 1994. Bendel won three races this year, the 200 Freestyle, the 100 Butterfly and the 100 Freestyle, breaking her own state records in all three events. Bendel's times were 1:48.83 in the 200 Free (old record was 1:50.18), 55.15 in the 100 Fly (55.53) and 50.8 in the 100 Free (51.7).

Schroder, which led her Pandas to the state title for the second-consecutive year, just missed on breaking two of her own state records. She had times of 2:03.54 in the 200 Individual Medley (2:01.67) and 1:02.91 in the 100 Breaststroke (1:02.03).

Chip Crush led the Tigers' to their sixth-consecutive state championship and their 29th overall, which places them second nationally in most state titles won. Crush set two state records, 49.20 in the 100 Backstroke (52.24) and 45.51 in the 100 Freestyle (46.22). Two St. Xavier relays also set state records. The 200 Medley Relay was swam in 1:35.81 and the 400 Freestyle Relay was swam in 3:07.99.

A copy of these performances were also sent to NISCA, the National Interscholastic Swimming Coaches Association, for All-America status consideration.

Louisville Soccer Star Chosen For Puma Cup

Erin Wilson, a senior at Atherton High School in Louisville, has been chosen to compete in the Puma Cup Invitational, the nation's only boys tournament for high school seniors.

Wilson, who was all-state and all-region at Atherton, was one of only 64 players from across the country to be selected and the only Kentucky native on the roster.

Unlike any other tournament, players are selected based on superior soccer skills, academic excellence and outstanding character.

In its second year, the Puma Cup, a benefit for the National Soccer Hall of Fame, will be played at the St. Louis Soccer Park from June 9-11 and televised on ESPN during the World Cup, which kicks off one week after the Puma Cup. The event will be aired June 22 at 1 p.m. ET.

Wilson will be competing on the Midwest Team, one of four teams competing.

New Baseball Records

Two state records were set during the first month of the baseball season and both will place second in the National Record Book.

Heath senior catcher Jason Massey set the first mark after belting five consecutive home runs in a two-game span. The 5-10, 185-pounder was just one short of the national record. His first two came in his last two at-bats against Paducah Tilghman. The next three were in his first three at-bats against Mayfield.

A week later, Southwestern Pulaski junior Bryan Morrow hit four home runs, one double and knocked in nine RBI in one game. His performance came in a game played at his old school, Pulaski County, which split for the 1993-94 school year to form SW Pulaski. Morrow's double was off the wall in his first at-bat.

His four home runs in one game sets a state record while finishing just one shy of the national record. The pitcher's nine RBI are just one shy of a state mark held by William Campbell of Middlesboro (1984).

Football Coaching Clinic To Be Televised

College, high school, junior high and community football coaches can learn from the best minds in football on Friday and Saturday, June 3-4, (9 a.m.-6 p.m. CT) through a satellite telecast of The Coaching Connection.

The clinic will be a live, satellite delivered football coaching clinic originating at Reunion Arena in Dallas.

The 1994 teaching coaches include: Tom Osborne, Nebraska, Terry Bowden, Auburn; Dick Tomey, Arizona, Fisher DeBerry, Air Force; Ken Sparks, Carson-Newman; RC Slocum, Texas A&M; Greg Landry, Illinois; Butch Davis, Dallas Cowboys; Les Steckle, Denver Broncos, Al Miller, NY Giants; Kevin O'Neil, Dallas Cowboys; and Ryan Vermillion, Miami Dolphins.

The broadcast will utilize a six-camera broadcast and is expected to reach over 10,000 coaches of all levels through the network of host satellite sites throughout the country The program offers the opportunity for coaches to respond immediately to questions and comments while visually reinforcing their answer.

Registration fee is $50. For more information regarding the nearest host site, contact Craig Noonan, (214) 869-4972.

Elton Scott, who led Marion County to the 1993 state basketball title, was selected Mr. Basketball by the state's coaches. He'll wear the No. 1 jersey when the Kentucky All-Stars take on Indiana in its annual summer series.

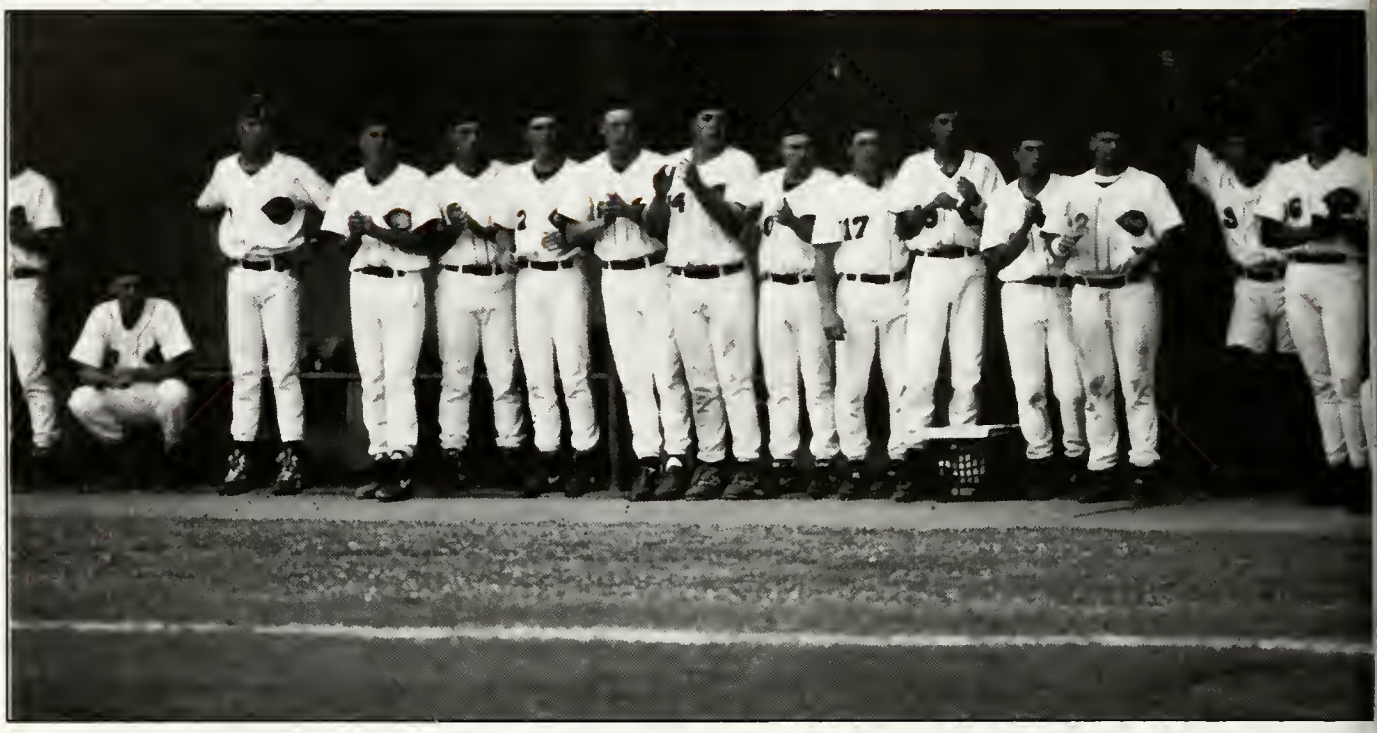
1993-94 FINAL RESULTS ISSUE



Corbin's baseball team puts on their rally caps during the 1994 State Baseball Championship game. Corbir which defeated hometown Apollo in the semifinals, jumped on Pleasure Ridge Park 6-0 in the first inning c the finals. But PRP proved to be too tough as the Panthers won their first state baseball championship 10- in Owensboro.

Eastern's Jaynetta Saunders cleared 5'2" in the 1994 State Track & Field Championships at the University o Kentucky in May. Saunders' mark in the Class AAA competition was two inches higher than Molisa Morgar of Henry Clay and Zanae Humphries of Hopkinsville.

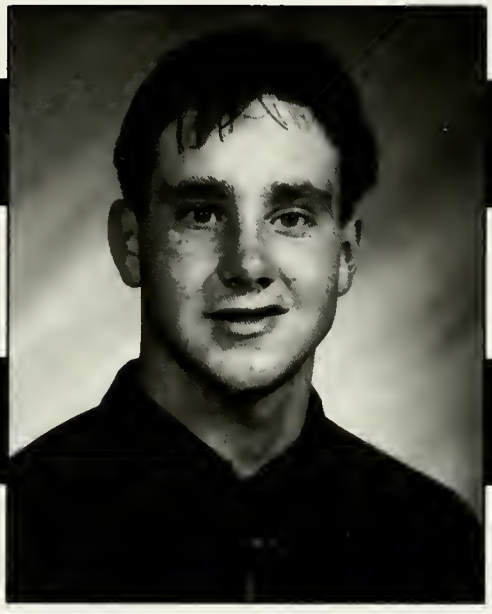
GAME GUY AWARD



RUSSELL KIDD
1994 Game Guy Award Winner

Each year, the Game Guy Award is given to a high school athlete who has overcome a physical handicap to compete in sports. The commissioner of the Kentucky High School Athletic Association, Billy V. Wise, is the chairman of the selection committee.

This year's winner is Russell Kidd, who just completed his junior year at Covington Latin.

According to his mother, Sandi Kidd, Russell was born with a severe anomaly of his right leg, caused by a condition known as early amnion rupture in which a piece of the amnion sack tissue wrapped itself around his lower right leg about three months into his fetal development. As a result, he has little nerve development or circulatory development in his lower right leg. He had surgery to release the band around his leg three times before his third birthday.

Although the surgeries helped his mobility, he still has no sensation in his right foot which led to the eventual amputation of two toes. He has worn a leg brace on his right leg since he was a year old, and currently, his right leg is two and one-half inches shorter than his left leg. He has to wear a large lift on his right shoe so that he can lead an active life.

But Russell has overcome his handicap and just completed his third year as a member of the Covington Latin basketball team. The last two years he has started at point guard for the Trojans.

The KHSAA congratulates Russell Kidd on winning the 1994 Game Guy Award and encourages all students to overachieve both in the classroom and on the playing field, no matter the ability or handicap.

OWENSBORO -- Pleasure Ridge Park finally broke its string of bridesmaid finishes to take home the 1994 State Baseball Championship, defeating Corbin 10-8 at Kentucky Wesleyan College.

Last year, PRP made 11 errors and lost to Harrison County in the finals 6-0. This year, it looked as if PRP would finish second again, after committing four errors in the first inning to fall behind the scrappy Redhounds 6-0.

"It looked like another disappointment," an emotional PRP coach Bill Miller told the Herald-Leader following the game. "We could've quit there, but the kids showed a lot of character in coming back."

PRP finished as runner-ups in 1982, '85 and '93.

But the Panthers wouldn't be denied. In the bottom half of the first, they scored six runs off Corbin pitcher Jeremy Lankster, thanks to two errors by the Redhound defense.

"That was where the game was lost," Corbin coach Randall Sawyers said. "If we could have that inning back, we'd win. You would think that us getting six runs would settle us down, but it didn't."

With new life, PRP then added three more runs in the second inning, thanks to a two-run single by Nate Thompson.

But give Corbin credit. The Redhounds, who were a surprise to the rest of the state this season, never quit.

After PRP picked up its 10th run on a sacrifice fly by Eric Elzy in the fifth inning, Corbin loaded the bases in the sixth with no outs. Jody Mouser's sacrifice fly cut the lead to 10-7. Jason Siler followed with a single to score Patrick McCowan and trim the lead to two.

Then, with one swing of the bat, the inning and the season for Sawyers came to an end. With runners at second and third, Marcus Fox drilled a line drive to third which PRP's Brad Burns snared. He then dove to third and doubled up David Parsons on a close play to end the inning.

Corbin's coaches disagreed with third base umpire Curtis Conn's call, and when the chalk dust settled, Sawyers and assistant Willard Farris were ejected from the game.

PRP finished its season at 36-6. Corbin ended '94 at 30-13.

BOWLING GREEN -- Kristie Combs and herM.C. Napier teammates couldn't miss. From all over, the Lady Navajos blistered the nets en route to an 88-56 win over Highlands for the 1994 Girls' Sweet 16 Championship.

Combs, the tournament MVP, led her squad by scoring 26 points while Renee Adams pitched in 25 for the winners. The Lady Navajos shot 56.9 percent from the field in securing their first school championship in what was to be the last year for the school prior to consolidation.

"We can say we closed it out in style," Coach Randy Napier said. "I'm just so doggone proud of these girls. They were fantastic. It was an exhibition tonight."

More than anything, M.C. Napier was able to control perhaps the state's best player, Highlands' Jamie Walz. Walz, who set a tournament record for scoring with 121 points in the four games, was held to 11-24 shooting from the field and finished with 26 points. The sophomore broke Clemette Haskins' 1983 mark of 106 points.

But that was not the only record to fall in the tournament.

Combs set marks for most three-pointers in a championship (4) and most attempts from three-point land (5). M.C. Napier also set records for points in the first half (39), points in the second half (49), highest winning score (88), most field goals made (33), largest winning margin (32), and three-point field goal made (7). Highalnds set a mark for most points by a losing team (56).

Both teams combined to set records for most points (144), threes attempted (21) and tied the record for fouls (40).

LOUISVILLE -- Those 9,640 fans saw a game. Plain and simple, the folks that saw Fairdale squeak out a 59-56 win over Paul Dunbar were treated to one of the great championship games in Sweet 16 history.

Terrance Jones, Fairdales' 6-foot junior, nailed a three-pointer with 44 seconds remaining to erase a 56-54 Dunbar lead and give the hometown Bulldogs their third state title in five years. It also sent Dunbar home for the second straight year with a loss in the finals, and the fourth consecutive season that a Lexington team had lost in the finals.

Even though Jones' three gave Fairdale the lead, the fat lady had yet to appear from the hospitality room.

Trying to protect the one-point lead, Fairdale left Dunbar's Greg Jones open for a crib shot on the left side with 33 seconds left. Jones, apparently surprised of his sudden easy trip to the basket, couldn't get his shot to fall.

But the hometown Bulldogs couldn't put it away. Fairdale's Jones missed the front end of the bonus with 24.6 seconds remaining and then teammate Anthony Wales did the same with nine seconds left.

Dunbar's Terrance Huguely missed two free throws with 3.4 seconds remaining which would have given Dunbar the lead again. After his second miss, Fairdale's Eric Martin was fouled on the rebound and hit two free throws to give his team a 59-56 lead.

Dunbar's Jeff Baker then missed a 30-foot desperation shot at the buzzer by inches, giving the win to Fairdale.

Beechwood 13, Bardstown 12

LOUISVILLE -- The Beechwood Tigers slipped and slided their way to their third consecutive Class A state title by defeating Bardstown 13-12 to kick off the 1993 State Football Championships at Cardinal Stadium.

The Tigers from northern Kentucky became the first team to three-peat since Trinity accomplished the feat from 1988-90.

The game was also a rematch of last year's state final which Beechwood won 21-14.

With rain falling throughout much of the game, Beechwood coach Mike Yeagle held nothing back. The Tigers' offense started pouring it on from the beginning, as quarterback Greg Hergott hit receiver Jimmy Eck for a 46-yard pass completion.

Eight running plays later, the three-peat Tigers were on the board after a 7-yard touchdown scamper by Jeff Lubrecht. He led all rushers for the game, finishing with 113 yards on 11 carries.

After a Shane Bishop extra point, the score remained 7-0 until Bardstown's William Redd scored on a trick play with :07 left in the half. From 21 yards out, quarterback Jeff Floyd hit Toine Calbert in the flat. Calbert then pitched the ball back to the streaking Redd who took the ball into the endzone untouched. However, Bardstown's extra point attempt went wide and Bardstown went to the lockerroom trailing by one.

Beechwood then stretched the lead to seven thanks to a Bardstown fumble. Brett Brockhoeft dived in from the 2-yard line with 5:48 left in the third quarter. Bishop, however, couldn't convert the PAT.

Bardstown wasted no time closing the gap. Beechwood fumbled the ball at its own 30, and eight plays later, Reggie Boggs ran in from the 6-yard line. The Tigers then went for the two-point conversion, but Redd was stopped at the three.

Mayfield 13, Prestonsburg 12

LOUISVILLE -- The third time was the charm. Two straight trips had yielded two straight disappointments for the Mayfield Tigers.

But the third time, with a new coach and no team named Danville to face, Mayfield rallied to defeat Prestonsburg 13-12 in the second game of a triple-header at Cardinal Stadium.

With the artificial turf completely soaked, Mayfield's Montez Benjamin scored on a 6-yard run with 4:38 left to propel the Tigers to their fifth state title.

"We wanted to even the score," Mayfield coach Paul Leahy told the Courier-Journal. "We had already won four and gone home runner-up five times. You have a great year, but you go home with that bad taste in your mouth and it stays with you all winter long. We wanted this one."

It seemed as if no one wanted this game in the first half. The scoreboard showed goose-eggs until 6:09 left in the third quarter when Seth Hyden put Prestonsburg up with a 7-yard run. After a missed PAT, the Blackcats led 6-0.

Thomas Ratliff then added a 13-yard TD run to give the eastern Kentucky team a 12-0 lead with 8:32 remaining in the game. The conversion attempt failed.

Then, Mayfield woke up. Quarterback Russ Whaley immediately hit Benjamin for a 58-yard reception to the Prestonsburg 3-yard line. Ceaphus Tyler scored on the next play and Carson Gream added the PAT to cut the lead to 12-7.

Prestonsburg then shot itself in the foot. A botched snap on a punt attempt from its own 21, gave the ball back to Mayfield on the Blackcats 6-yard line. Two plays later, Benjamin scored from four yards out to give Mayfield the lead 13-12 with 4:38 remaining. The conversion failed.

But Prestonsburg wouldn't quit. Hyden returned the ensuing kickoff 66 yards. Four plays later, Hyden jotted into the endzone from the four, but a holding penalty negated the score. After a incomplete pass, Ratliff then missed a 33-yard field goal with 1:42 remaining by inches to the left.

Covington Catholic 28, Lincoln Co. 13

LOUISVILLE -- His first run from scrimmage set the tone for Covington Catholic in the nightcap of a triple-header to decide the Class 3A Championship.

Mitchell Jobe scampered 56 yards within the first four minutes of the game -- and scored two more touchdowns later -- as his CovCath Colonels defeated Lincoln County 28-13.

Jobe's final marks of 18 carries for 199 yards also stole the spotlight from Lincoln County's Mr. Football selection, Jeremy Simpson.

Simpson, the state's leading rusher during the regular season, carried the ball 31 times for 127 yards and one TD. He finished the season with 3,044 yards.

Simpson's lone score came at the 5:08 mark of the first quarter, a 33-yard run for his 46th TD of the year. His score and the PAT tied the game 7-7.

But that was as close as Lincoln County would come to the Colonels the rest of the evening.

With just seconds left in the rain-soaked first quarter, CovCath quarterback Dustin Hicks picked up a fumble by Jobe and scored from 10-yards out.

The Colonels then washed out any chance the Patriots had of coming back in the second quarter.

Following a Simpson fumble of a punt at his own 5-yard line, Jobe scored his second touchdown with 8:28 left in the half. Then, with 2:53 left in the half, Jobe broke loose for another 56-yard run to give the Colonels the lead 28-7 while shutting the door on Lincoln County.

CovCath finished the season 14-1 -- losing only to powerful Cincinnati Moeller -- and added its third football state title to its trophy case.

Simpson, meanwhile, ended his high school career on the sidelines. With 2:58 left in the game, he was hit hard by Chris Blessing after catching a 7-yard pass from J Smith.

Male 29, Shelby County 7

LOUISVILLE -- With just four and one-half minutes remaining, Shelby County was looking to tie the game. The Rockets were just one yard away. Male was just trying to play defense.

But when the Bulldogs' Dameon Wardlow found a fumble behind the line of scrimmage, and proceeded to scamper 96 yards for a touchdown, Male had all but sealed the victory and the state title.

The all-time winningest football program in Kentucky then turned open the faucet and flowed to a 29-6 win turning a tight ballgame into a washout.

Male won its fourth Class 4A state title and its first since 1964.

After a scoreless first half, the Bulldogs took a 14-0 lead on two Chris Redman scoring passes to Ibn Green. The first covered 23 yards with 10:36 left in the third quarter. The second TD pass came with just 4:33 left in the quarter and covered 20 yards.

After the Rockets' Montas Allen scooped up a blocked punt and returned it 25 yards for a score with just :07 remaining in the third quarter, the lead was seven and the fireworks were about to begin.

Shelby County intercepted a Redman pass near midfield and drove the ball down to the Male 1-yard line. On fourth and goal from the one, Rocket quarterback Dwan McKnight dropped the ball in the backfield and Wardlow's scoop and scamper sealed the win. The two-point conversion pass from Twyon Grady to Jason Schmitt made the lead 22-7. And just like that, Shelby County's chance for victory had ended.

Wardlow's fumble return marked the third week in a row Male had returned a fumble for a touchdown.

The Bulldogs added one more touchdown when Alvin Lloyd broke free on a 47-yard run with 2:24 left.
